Ch'town In Festive Mood For Gold Cup Parade, Race

Thousands are expected to jam the two and a half mile parade route this morning for the huge Gold Cup and Saucer Parade and another large throng is expected at the exhibition grounds tonight for the Evening Patriot's Gold Cup and Saucer race classic.

The parade scheduled to get under way at 10 a.m., will kick off a day of festivities seldom seen in the city of Charlottetown. The climax will be reached about 11 o'clock this evening with the presentation of The Patriot trophy to the owner and driver of the winning horse in the free-for-all.

In between will be sandwiched plenty of color and pageantry to match the festive spirit of citizens caught in the gay atmosphere of Old Home Week.

14 UNITS IN PARADE

The 44-unit parade will begin to form up at the high school about an hour before starting time and at 10 o'clock will move off along its flag bedecked two and one half mile route that will take it through the main thoroughfares of the city.

The parade route was planned so as to make sure patients of the P.E.I. and Charlottetown Hospitals and the Provincial Sanitorium would be able to view it.

It will take an hour and a half to pass any particular point. The reviewing stand will be in front of the Dominion Building, where provincial and municipal government officials, as well as the lieutenant-governor and other dignitaries will take the salute.

FLOAT JUDGES

Also on the reviewing stand will be a number of out-of-province guests as well as the judges of the floats in the parade and the adjudicator of the band competition, Capt. C.A. Holt, of Halifax, retired inspector of Canadian army bands, Eastern Command.

The float judges are Alfred J. Hennessey, Charlottetown architect; Barry Bugden, well known Island artist and Mrs. D.M. Gass of Charlottetown.

Following the dispersal of the parade at Victoria Park a civic reception will be held at the Charlottetown Hotel.

In the afternoon two of the eight bands taking part in the big parade, the 195th U.S. Army band from Bangor, Me., and the MacDougall girls' pipe band from Glace Bay, N.S., will be heard in band concerts in Queen Square in downtown Charlottetown.

The first concert will be given by the Highland pipers at 2 p.m. followed by the Bangor Band at 2.45.

EVENING RACE

The evening race will be surrounded with the same color and pageantry that will make the parade. Prior to the race the visiting Fredericton Boys Cadet band will be seen in a precision drill in front of the grandstand and as the horses are parading to the post for the start of the free-for-all, 26 male voices of the Y's Men Chorus will be heard singing the Island Hymn, accompanied by the band of the P.E.I. Regiment under the direction of Lt. Charles MacGregor.

Following the race, Lieutenant-Governor F. Walter Hyndman will present The Evening Patriot Gold Cup and Saucer Trophy to the owner of the winning horse, while Miss Gold Cup — 1962, who will be one of the eight Patriot Gold Cup and Saucer Girls representing the winning horse, will present a bouquet of flowers to the wife of the owner.

Finally, Cecil Stewart, will present a gift to Miss Gold Cup and Saucer.

The entire parade and race will be filmed in full color by the United States Trotting Association and will be later given wide distribution throughout the U.S. and Canada through private showings.

Incinerator Site Decision Is Reached

The town planning division of the department of municipal affairs has reached a decision on the City of Charlottetown's application for a permit to construct an incinerator at East Royalty, which would replace the present dumping system of garbage disposal.

Department minister, Hon. J. David Stewart, said yesterday that the city will be notified of the decision on the application "within a day or two."

The city purchased the plot of land in East Royalty for an incinerator site. There have been many objections to the proposed incinerator from many East Royalty residents.

In its request for a permit to build the incinerator, the city asked that, if the permit was refused, the government suggest an alternate site.
