The United States Trotting Association has purchased the negatives of the late P. W. Moser, recognized as the world's greatest photographer of harness horses. They total over 4500. It was a smart move of the parent association to buy these and keep them for historical purposes.

The Lexington meeting which commenced on Wednesday last and will be concluded on October 7th, will no doubt feature quite a number of two minute miles. So far this season the following pacers have stepped in that notch or better... Grattan McKlyo (Houslet), Syracuse, N.Y., Sept. 8, 1.59 3-5; Hodgen (E. Cobb), Syracuse, N.Y., Sept. 8—1.58 3-5; Jerry the First (Cobb), Santa Anita, Calif., May 20—2:00; Robert Morris (J. O'Brien), Santa Anita, June 14—2:00; Scottish Pence (Smart), Springfield, Ill., August 16—1:58 3-5, 1:58 4-5; White Mountain Boy (Miller), Toledo, Ohio, Sept. 15—1:59 4-5. Up to the end of last week only one trotter had performed in 2:00 or better this season—Pronto Don (Miller), a five-year-old by Donald Truax 2.04, at Springfield, Ill., Aug. 15—1:59 4-5.

Fall sales will be on next week featured by consignments of yearlings from Walnut Hill Stud, Walnut Hill Farm, Gainesway Farm, Two Gait Farm and other prominent futurity breeding farms. Hundreds of thousands of dollars will change hands but it is doubtful if the world's record price of \$72,000 brought by the yearling Imperial Hanover at Harrisburg, Pa., last fall will be equalled, although no doubt there will be spirited bidding for the Volomites. There will be four big days at Springfield Standard Bred Sale at Springfield on Wednesday, October 18-19 show and record meeting, October 20-21 sales days. The week of October 30th will be the 16th annual Indianapolis Speed Sale at Indiana State Fair grounds. There are often bargains there. We are told, but of course the biggest venue of all will be the 12th annual auction conducted by the Standard Bred Horse Sales Company at Harrisburg, Pa., November 8th to 11th. Quite a number of Maritimers will be there and no doubt some of them will return with new speed. Certainly P. J. Cadegan made good picks in the pacer Crusader Chief and the trotter Cobblestone last fall.

We have just received the catalogue of Gainesway Farm yearlings, foals of 1949, which will be sold during the Lexington Trots at Tattersalls on Wednesday, October 4th. The booklet is the finest we have ever seen. Its covers are exceptionally beautiful with nylon finish. There is a photo on the front cover of the manager W. H. Ratzman, leading Waylord, a yearling chestnut colt by King's Counsel, 1.58, dam, Princess Abbey 2.03 1-2, through the gate at Gainesway. Waylord is a magnificent specimen, as well grown as an aged horse. Clarence Gaines, the owner of Gainesway Farm, made his money through the manufacture of dog food and the sale of his plant and good will to General Foods. He has made a special study of nutrition and claims that such studies have enabled him to produce the finest type of yearlings in the world. This season colts by King's Counsel 1.58 have been racing exceptionally well. Wayzoff, whom we

The WEEK at S. D. U.

Two weeks ago, most of us at St. Dunstan's were faced with the prospect of settling down to a year's work after a summer probably devoted to anything but thoughts of study. But, as usual, the terrible prospect vanished in reality. And in that statement lies a truth especially applicable to us at S. D. U. Most of us agree that it is an atmosphere about our college that makes it relatively easy to fall into the daily routine. And, don't misunderstand; the routine is not dull. If some do find it so, it is only because they do not know how to make use of their time. There is always something interesting to do.

This week has seen the campus settle down to the usual routine. Everybody is back; everybody has his courses chosen. During the week, the presidents, vice-presidents, and secretaries of most of the campus societies were established in their new offices. All the positions were won by acclamation, which is a significant fact, whatever way you look at it. A new secretary of the Association of Students, Arnold Allen of the Junior class, was elected to fill the vacancy left by the retirement of Andrew Redmond.

Here is a list of the officers elected to the various societies of date. The officers of the Students' Union were elected last spring, but since that organization is the parent society on the campus it seems advisable to introduce it to you again.

Students' Union—President, Charles Gorman; Vice-President, George Cameron; Secretary, Ernest MacDonald; Faculty Adviser, Rev. J. P. E. O'Hanley.

Dramatic Society—President, Cody Myers; Vice-President, David Kennedy; Secretary, Margaret Mulligan; Faculty Adviser, Rev. Edmund Roche.

St. Dunstan's branch of the Maritime Intercollegiate Debating League, President, John Cash; Vice-President, Philip Murphy; Secretary, Lawrence Glover; Faculty Adviser, Rev. F. L. Cass.

Glee Club—President, Geraldine Robertson; Vice President, Bethany MacDonald; Secretary, Guy Germaine; Faculty Adviser, Rev. Lawrence Landrigan.

St. Dunstan's branch of International Students Service—President, Wilbur McInnis; Vice President, William McNeely; Secretary, Irene Burd; Faculty Adviser, Rev. J. P. E. O'Hanley.

In connection with these societies, the committees of all, except the Students' Union, are selected by the presidents, vice-presidents and secretaries. The executive of the Students' Union is made up of the class presidents, and high school representatives of the secretaries of the other societies, and business manager of Red and White.

This afternoon, at the college field, the 1950 football season will officially open, when this year's senior team meets the local Abnans in an exhibition contest. Fans are anxious to see the latest editions of both squads, and this afternoon should give them a good preview of what to expect during the season. An interesting sidelight concerning the game is the number of former S. D. U. stars who are expected to line up with the Abnans. It will be a new experience for Reg Rogers, Mike Hennessey, Elmer Blanchard and Bill Ledwell to be playing against St. Dunstan's. Kick-off time is set for three o'clock.

Wednesday evening, the student body gathered in the chapel to hear a report by Mark McGuigan on the International Students Service Summer Seminar held this year at Poigny, France. Mark's report on activities, which were spread over eleven weeks spent in Europe, was most interesting and well received by the students. It was the general feeling of the meeting after listening to the excellent report that St. Dunstan's was, indeed, fortunate in having Mark represent it at the seminar.

It is interesting to report that approximately 58 members of the 1950 Freshman class are growing more apprehensive as the days go by. This is so because a rumor referred to as the winner of the Reading Futurity, was foaled at Gainesway Farm. Among his get that have acquired records this year are Solicitor 2, 2:08 2-5 mile track, and 2, 2:05 4-5 half-mile track. Meda Vol 2, 2:04 4-5, 1950 world's champion two-year-old pacing filly, Fullway 2, 2:05 4-5, Single Way 2, 2:13 2-5.

Bert Cruikshank and Heber Sweeney must have got quite a thrill Thursday watching Joe O'Brien driving Prince Jay, when he won the second heat of the Tattersalls Pace, purse \$3,000 in 1:59 4-5. He was second in the first mile to Highland Ellen in 1:58 4-5 and was second to Royal Blackstone in the third mile in 1:59 4-5. The same afternoon he won the first race on the program, which carried with it the Fairmeade-Green Acres Farm trophy, purse \$3,000, with Mighty Sun. He lost the first heat but won the second in 2:08 and the third in 2:02. He won with Mighty Sun at Goshen Grand Circuit meeting in August, giving him a record of 2:01 2-5. Since that the horse has been raced by his regular trainer and driver and has never won a heat, although he has competed in a great many races. Certainly Joe has the goods when it comes to handling the ribbons over a race horse. Joe also won a \$3,000 Stake Trot on Wednesday afternoon with the Halifax-owned trotter, Brewer's Gallion. Time was 2:02 1-5 and owner B. C. Cruikshank was a much pleased witness of the win.

Big 4 Hockey League Schedule Announced

The Maritime Senior (Big Four) Hockey League will open its 78th game schedule on two fronts Oct. 14. It was announced last night. Junior Baseball Title At Stake Here Sunday

The Island Junior Baseball Championship will be at stake here tomorrow afternoon at Memorial Field when the defending champions, Charlottetown Knights of Columbus, step out on the diamond to do battle with the Summerside Curran and Briggs juniors in the second game, and third if necessary, of their best of three series. With the possibility of the series being fanned to a third and deciding game to a doubleheader feature, game time is set for 1:30 sharp. The Western Capital squad hold a game advantage over the locals as the result of their 14-13 victory in the series opener at Summerside on Wednesday, and a win for them tomorrow will clinch the series in their favor.

Captain Charley Ryan of the Knights, however, will be sending his squad out tomorrow in a do or die effort to win the opening game and force the series to an extra game. It will be a tough assignment for the locals, as they will have to garner a double win for the title. Both teams are very evenly matched and anything can happen with an action-packed, keenly contested game of ball being the very best that fans can expect to see when the two squads face one another tomorrow.

Jackie Burke, ace left-hander of the Knights, will go up on the mound in the first game, while Jack "Spay" Ready, another southpaw, will be the starting hurler in the second encounter. Allan Stewart will likely be the starter for C and B. In the first, while Jack Murphy will be the probable starter in the second. Both are right handers. The Thursday afternoon socials at Holy Name Hall, a recognized institution at St. Dunstan's, of which two have already been successfully held, seem destined to be more popular than ever. Under the direction of master entertainer, Elmer "Skippy" McPhee, it is said that financial returns already are beyond fondest expectations. The observations from the first two socials seem to be that the boys from the "hill" have been accepted socially by the young ladies of the City. On behalf of our fellow students, it is quite proper to add that the acceptance is quite mutual indeed.

Last Sunday morning, the student-body was privileged to offer High Mass celebrated by Rev. Joseph Ainslie of the Scarborough Mission Society, who spent some time in the Province in connection with the Pontifical Society of the Holy Childhood, of which he is National director. Father Ainslie's sermon, which was a direct challenge to the students at St. Dunstan's showed plainly how desperately the world needs Christianity, which must be dynamic in order to overthrow the forces of darkness which threaten us on all sides. It seems obvious that we who believe that this was meant to be a peaceful world are those who must insure it. Until next Saturday from S. D. U. to all of you, health, and happiness.
