

Yarmouth Leading In N.S. P.E.I. Bowling Tournament

HALIFAX (CP) — Yarmouth grabbed and held the lead at the end of three rounds in the Nova Scotia-Prince Edward Island bowling championships here Monday.

The darkhorse team from the south shore blanked its opponents in the three encounters to pile up 12 points and lead the defending champion Conn-Martel squad of Halifax by a single point.

Yarmouth walked into first place with easy wins over New Glasgow, Truro and Sydney Doscos who fared poorly all day. Conn Martel took four points in beating Halifax Postals in the opening round, won a 3-1 victory over Sydney Commercial in the second and blanked Halifax YMHA 4-0 in the third.

New Waterford crowded the leaders with a 10-2 record for the three rounds.

High single for the early matches went to Morris Young of Dartmouth who bowled a nifty 162 string in the 6:30 p.m. matches. Yarmouth had the high team total with 1694.

Don Campbell of New Waterford grabbed the high for three strings with 379 picked up in a match against Charlottetown in the evening.

Yarmouth blanked New Glasgow with a four-point total in its first round match and drubbed Truro by the same margin in the second round. Points were 1520 and 1511.

The first round was run off at 10 a.m. and the second at 2 p.m.

The third round started at 6:30 p.m. and the fourth was scheduled for 9:30. Three rounds will be played daily during the rest of the tournament.

Halifax teams grabbed a lion's share of the victories in the first two matches. The defending champion Conn-Martel squad trailed Yarmouth by only one point after trouncing Halifax Postals 4-0 in the first round and Sydney Commercial 3-1 in the second.

Sophomore Jinx Holds No Fear For Jablonski

NEW YORK (AP)—The "sophomore jinx" holds no fear for Ray Jablonski of the St. Louis Cardinals—currently the National League's leading hitter with a .373 average.

The 27-year-old third baseman has rapped out 47 hits, most in the league, and 15 of them have been belted for extra bases.

Bobby Avila of Cleveland Indians has taken over the top spot in the American League batting derby with a .378 average.

Granny Hamner of the Phils is right on Jablonski's heels with a .370 mark.

Although Duke Snider suffered a 12-point decline, the Dodgers' outfielder ranks third at .361, followed by Stan Musial of Cards in fourth with .360. Musial, last week's pacesetter, saw his average fall 22 points. He tops the league with 32 runs batted in.

Avila raised his average 22 points by going 14-for-30. He also leads the league in hits with 42.

Chicago White Sox infielder Cass Michaels is runnerup to Avila with a .362 average.

Cleveland slugger Al Rosen and rookie Harry Agganis of Red Sox are tied for third with 359 apiece.

Rosen headed the American loop in RBI's with 33 and was in a five-way tie for lead in home runs with Boone, Yogi Berra of the Yanks and Mickey Vernon and Roy Sievers of Senators. Each had six.

LITTLE SPORT

Phils, Cards Split; Musial, Sauer Pace Home Run Hitters

By THE CANADIAN PRESS

Murry Dickson held the St. Louis Cardinals in check for three innings Monday night to give the Philadelphia Phillies a delayed action 8-4 win that tightened the winners' grip on first place in the National League.

In the other National League game, Chicago Cubs downed Pittsburgh Pirates 10-6. In the only American League contest, Boston Red Sox edged Detroit Tigers 4-3.

Dickson went to the mound in place of Paul Penson and limited the Cards to one run in his three-inning stint while his teammates were adding a pair to the overnight total.

The Phillies were leading 6-3 when play was halted at the end of six full innings Sunday night because of the curfew law.

Phillies' scoring started in the Cardinals' half of the eighth. Ashburn singled with one out. Earl Torgeson tripled him home and then scored himself on Ennis' sacrifice fly.

The Cards added their run in the ninth as Hemus singled, Schoendienst doubled and Stan Musial grounded out, sending Hemus home.

STRATEGY BACK-FIRED

In the other National League game, Sauer's grand slam homer capped a seven-run fifth inning for the Cubs, who added three more runs in the ninth to defeat the Pirates.

Sauer's homer, his 12th of the season, brought in Dee Fondy, Frank Baumholtz and Gene Baker. Bob Purkey, who left after the big fly, was the loser, and Howie Pollet got the win.

In the American League, Detroit's strategy of intentionally walking Ted Williams in the eighth inning backfired when Jackie Jensen, hitless in nine straight times at bat, followed with a three-run homer.

Red Garver was ordered to walk Williams with two out and Floyd Baker on second. Garver had held Williams hitless in two previous turns at the plate, walking him on another occasion, and the Tigers figured the Boston strong boy was overdue.

So Garver threw four wide pitches and Williams loped to first. Jensen wasted no time in making mockery of the strategy, hammering Garver's first pitch into the grandstand.

Tiger catcher Frank House hit a two-run round-tripper in the second to send the Tigers into a 2-0 lead.

The Tigers widened their lead to 3-0 by scoring once in the fourth. Ted Lepcio got the first hit off

back. Roberts was charged with the loss.

The first Cardinal to face Roberts, rookie leftfielder Wally Moon, hit a homer to the leftfield stands.

Jim Konstanty took over from Roberts after five and one third innings, remaining only through the sixth. Rookie Bob Greenwood came in through the eighth. Carl Drews pitched the ninth and was clipped for Stan Musial's 12th homer of the season.

The Phils got only seven hits off Presko and were retired on four pitches in the fourth inning.

High Class Indoor Circus Opened 2-Day Stand At Forum Yesterday

"Living up to the billing" was the consensus of opinion expressed last evening following the two performances of the Garden Brothers Three Ring Indoor Circus at the Forum. The matinee show was largely a day for the kiddies, with parents enjoying the joy of the children as well as the billed events.

18 High Class displays were brought to the circus rings, and from the opening number by Garden Brothers Circus Band until Frank Cook, the King of all High Wire Artists slid to safety from his high position above the sawdust ring, each performer received well-merited applause.

The circus must really be seen to be appreciated, as it brings before those in attendance the individual merits of the various performers, interspersed with a lace-work of side-splitting antics by the clever clowns. The Aerial Ballet, The Ripley's Balancing Act, Don Dorsey, the King of the Air, Margo the European Cyclist Supreme, The Seagulls, comedy acrobats, The famous Morris Troupe, Teeterboard tumbling, Dalton and Bailey daring and comedy flying trapeze all contributed to the success of the show.

As always, especially at matinees, a display of animal intelligence, was well received when Murray's Society Pets were put through their paces.

Prince El Kigordo and his half dozen Nubian Lions were watched with intense interest not unmixed

News For Unskilled Camera Fans

WASHINGTON (AP) — Scientists at the national bureau of standards, the government's central laboratory, have come up with something millions of camera fans whose enthusiasm outruns their skill may come to love—a device for making good pictures out of bad ones.

But it may be so much in demand for a number of other things—ranging from identification of bombing targets to catching crooks and diagnosis of disease—that camera fans might not get any comfort from it for some time.

The bureau of standards described the process in its technical news bulletin for May as "electro-optical image processing."

Questioning of a scientist at the bureau developed the information that the process goes something like this:

TUBE SHARPENS PICTURE

Say you have a photo of your latest family gathering or of an enemy industrial site you want to bomb that is dim and fuzzy. You take the negative and set it up in the view of an electronic scanning tube, much like the picture tube of a home TV set.

The scanning tube examines the negative much more sensitively than it is possible for the human eye. It discerns differences of light and shade that the eye cannot make out.

Thus, it sharpens up the picture, making lines and sharp light and shadow areas out of what the eye could see only as fuzzy, undefined areas.

LIKE TV PICTURE

It passes the sharpened image through an electric circuit to another electronic tube, where the picture shows up on the face of the tube, like a picture of your TV set.

Then you can take a new photo of the sharpened image as it appears on the face of the viewing

"Kid" Howard Decisions Dom. Welterweight Champ.

Queen's Co. Fish Game Ass'n Executive Meets

HALIFAX (CP) — Dick (Kid) Howard of Halifax slugged out a unanimous 10-round decision over Canadian welterweight champion Claude Fortin of Montreal Monday night in a non-title ring appearance at the Halifax Forum.

A crowd of 4,287 nearly brought the house down when the decision was announced.

It was the second meeting of the two; Fortin held Howard to a draw in a bout at Truro last summer.

The short, powerfully built Halifax fighter scored time and again with looping rights to the head and vicious left hooks to the body of the rangy Montreal product. He staggered Fortin several times but there were no knockdowns.

Howard entered the ring at a beefy 142½. Fortin tipped the scales at 144½ at the weigh-in.

Neither man was marked at the end.

Referee Gussie MacLellan and judges Jack Delaney and Jack MacKenna each called it six rounds for Howard. MacLellan gave Fortin two rounds with two even; MacKenna called it 4-0 and Delaney gave three rounds to the Montrealer with one even.

In the semi-finals Bud Ramsay 145, of Summerside, P. E. I., stopped Johnny Griffiths 150, Halifax at 1:09 of the second round with a left to the jaw that dropped him to the floor. The fight was a scheduled six-rounder.

In a special six-rounder Bus Urquhart, 142, was awarded an unanimous decision over Joe Scott, 144, Sydney. In the curtain raiser Leroy Jones, 132, Halifax, won a technical knockout over Benny DeLorenzo, 137, Sydney. Jones opened a cut over the Sydney fighter's eye and referee MacKenna stopped the fight.

Packers, City Win Exhibition Games

Canada Packers defeated the Legion 22-5 and the City Slickers defeated the Basilia Youth Club 17-10 in exhibition softball games yesterday evening.

Playing coach Len Arsenault hit a grand-slam home run in the fifth inning to spark the Canada Packers assault. Mike Connolly of the Packers homered in the third while Reg Hughes collected five hits in five trips.

Jimmy Gauthier hurled for the Packers while John Thistle and D. Beaton shared pitching duties for the Legion.

The City scored 12 runs in the fifth inning to come from behind and defeat the B.Y.C. Sonny Stull hurled for the City and Ralph Pincus for the B.Y.C.

The City-B.Y.C. game was handled by Tommy Scantlebury.

World Famous Four Lads Will Sing Here In June

One of this continent's most popular recording quartets, "The Four Lads" of Toronto will sing at the Rollaway Club in Charlottetown on Wednesday night, June 2 under the auspices of the Boosters Club.

"The Four Lads" latest Columbia record, Istanbul was listed among the top 10 records in National sales and juke box plays in the United States early this year.

The boys hail from Toronto. Four years ago they were singing in the choir of St. Michael's Cathedral under the direction of Msgr. J. E. Roman. Announcer Roman is quite proud of his protégés, who have won fame throughout Canada and the U.S.A. since leaving St. Mike's.

They have also earned wealth as well as fame. Last year they were being booked in United States centres at the rate of \$14,000 per week. Each of them earns over \$1,000 a week throughout the year.

The names of the Lads, whose average age is under 23, are Connie Codarini, Jimmie Arnold, Bernie Toorish and Frank Bussler. Their accompanist is Joe Mele, a former choir member from St. Mike's.

Four Lad Fan Clubs have been organized all over the continent. According to Week End Magazine, scores of thousands of admirers, most of them teen-age girls, have organized these clubs. In Toronto alone there are nearly 10,000 members.

Many of these fan clubs are developing the trend of helping the needy in the names of their heroes. The Lads have gold membership cards printed which are given only to clubs who perform acts of organized kindness where needed.

The Lads have two secretaries in New York to help answer their fan mail. They answer some themselves but they haven't anywhere near the time to reply to the oceans of mail they receive. They get fan mail from 27 different countries.

One of the greatest compliments they've ever had occurred when the pastor of a Negro Protestant Church in Buffalo phoned to say "May I speak to one of those fine Negro singers?" just as they'd finished a radio program there.

When they disillusioned him, he

DDT Fails To Kill Mosquitoes

MONCTON (CP)—Swarms of mosquitoes responding to warm weather buzzed into this city of 40,000 Monday apparently none the worse for wear despite the 6,000 gallons of DDT sprayed over their breeding grounds last week.

City engineer A. V. MacQuarrie said the low-lying marshes which surround the city might have to be sprayed from the air again in July to beat the pest that has become a major civic problem.

"They," observed MacQuarrie, meaning the mosquitoes, "are beginning to beat us."

The insecticide used by spray pilots last week was mixed with oil. Mr. MacQuarrie said the next batch would be mixed with water so it could be jetisoned over the city itself and not confined to the marshes where the mosquito larvae hatch.

Former Football Star Buried

TORONTO (CP)—Football paid its last respects Monday to W. C. (Billy) Foulds, one of the best-loved men the game has known who died last Friday.

Nearly 200 men who played with or against Billy early in the century or who were associated with him in the governing of the Canadian Rugby Union from 1919 to the present attended the funeral services. Included in the gathering were football officials from Ottawa, Montreal, Hamilton and Toronto.

There were such great old-time stars as Hamilton Laddie Casella, Dr. Harry Griffiths, Dr. Jack O'Connor, all of Toronto, and Dave McCann of Ottawa.

Foulds, 66, quarterback University of Toronto's Grey cup winning teams in 1909-10, coached Toronto Argonauts of the Big Four in 1919 and was a member of the CRU rules committee from 1920 until his death. He was president of the CRU in 1921 and again in 1937 and was chairman of the rules committee from 1920 until 1949.
