The hall was crowded and each one enjoyed himself greatly. A large sum of money was realized which will go towards buying books for the library. Following is the programme:—Piano Duet, Mildred Donovan and Florence McDonald; Recitation, When Thomas takes his pen, Dorothy Doyle; Solo, Freckles, Rose Fairchild; Reading, Mr. Norton; Piano solo, Rose Fairchild; Intermission and sale of Candy; Dialogue, Aunt Betsy's Beau, Recitation, The Wee Penny (Whistle of Sandy McGrath, Laura Yoston; Duet, Mildred and Helen Donovan; Dance, Highland Fling, Mary Boudreault; Piano solo, Louise Solomon; Dialogue, Uncle Morton's Gift; Recitation, Katherine McKinnon; A Little Bird Fell, Pantomime, Afton Water; God Save the King.

**\*BAZAAR AND TEA**—The Ladies Aid Society of St. Peter's Bay held a bazaar and tea in the courthouse on Thursday Dec. 16. The display of fancy articles was large and of an unusually high order and called forth many complimentary remarks. The day proved very favorable and many visitors came from far and near and went away laden with Christmas gifts and well pleased with their purchases. The dainty luncheon served was also an important part of the afternoon's program. As this was the first affair of the kind ever held at St. Peter's, the ladies were rather dubious as to the success of it, but they were successful beyond their highest expectations. By evening each article was sold and they had realized the snug sum of \$32.25. The energetic ladies of this live Society are to be congratulated on the success of their work. They have already installed an up to date furnace in the church which has proved highly satisfactory and they are now contemplating further improvements.

**ADVANCES IN WINNIPEG WHEAT**—Considerable advances were made in the local wheat market. After opening strong the market continued very strong throughout the session and few reactions were made. December wheat went up to 2.19, the high of the day, while May future touched \$1.63, indicating that there is a big chance of interest in the present month Pitt offerings are very scarce. Futures closed 5% to 8% higher. There was a strong demand for cash wheat by shippers and exporters at unchanged premiums. Coarse grains remained dull and featureless. Oats closed 1/4 to 1 cent higher.

The Cook County State Bank of Princeton failed to open its doors. Shrinkage in the value of cattle and sheep and the consequent inability of ranchmen to meet notes is given as the cause of the embarrassment.

#### DIED ON HIS WAGON.

With the reins still gripped in his lifeless hands, the body of George Lindsay, mail driver on a rural route between St. Stephen and Old Ridge, was found on the seat of his mail wagon which had been stopped in front of a mail box on Friday evening. The Christmas eve mail had been heavy and the trip had taken much longer than usual. The night was the coldest of the season and a keen wind was blowing. While death was ascribed to heart failure, it was believed that exposure suffered while in the performance of duty was the primary cause. Lindsay is survived by a widow and five sons and daughters.
