in love with my hand that I thought the redouble would only sweeten the victory. I opened the jack of diamonds. Dummy came down with an unexpected club suit which had not been named during the auction. Declarer had no trouble riving up nine tricks after conceding the king of spades to the ace. He made a spade, two hearts, a diamond and five clubs without even breathing hard. Why my face kept getting redder and redder as South peeled off one trick after another I still do not comprehend.

Seaway Termed Drain On Canuck Tax Dollar

SEAWAY PAGE 1 MONTREAL (CP) — A representative of the New York Central Railroad Monday described the St. Lawrence Seaway as a giant drain on tax dollars and said American railways will cut freight rates to compete with it. Arthur E. Baylis, in charge of freight rates and services for the line, told delegates at the annual conference of the American Industrial Development Council the seaway likely "would further encourage dumping of foreign goods on the North American market."
