Back On the Job

HE'S back in business again.

We're referring to none other than our good friend Ivan Doherty who has taken on the job of promoting those Old Spain Penguins.

After two years as president of The Island Senior Hockey League, Ivan stepped down this season. It just didn't seem the same to us around this newspaper office. When he presided over the NSHL affairs, he was keeping after us all the time, as he endeavoured to sell his league to the hockey public. He was deeply conscious of every promotion trick and always was so genial about his requests that you couldn't turn him down. We admit there were a few times we were tempted to chase him but he usually got what he came after.

NOW Myron Bell, Bucko Trainor, Harry Sentner and Jim McTague have enticed him into the Penguins' camp. They feel the Birds could use a 'live wire' like Ivan in these days that lie ahead. He wasn't on the job one day until he was at our desk telling us about the Penguins' plans for the rest of the season. He was back again that night informing our co-worker, Carman Smith, about the three new players the Old Spainers would dress for Tuesday's game with Royals.

You can tell that Ivan is happy to be back in the hockey wars. Anyone can tell he likes the work or he wouldn't get so much into it. He's chalked full of Penguin enthusiasm these days and he is bound he will spread his interest to plenty of other folks. He thinks his club can grab the Maritime junior crown and advance against Ottawa Valley representatives in the Eastern Conference play. He's satisfied that his outfit can make the finals in the Island League play.

There's only optimism in his talk and you can be sure that optimism will spread to other Penguins top brass as well as to the players themselves.

We're delighted to have Mr. Doherty back with us again and we congratulate the Penguins on the wisdom of their choice.

Saints To Sackville

ST. Dunstan's Varsity hockey team travels today to Sackville where they play tonight against Mount Allison.

Last Saturday at SMU rink, Jack Kane's lads managed a thrilling 11-9 verdict over the Mounties. It was the kind of a contest that had the fans up and roaring from start to finish. Saints had three-goal cushions on several occasions but the Mount Allison boys fought back gamely. The affair was in real doubt until Billy Mulligan set Dick Tingley up for the one that put the tilt on ice.

Defensively both teams left a lot to be desired but the wide open brand of hockey served up gave fans more than their money's worth. Tonight's affair in Allison Gardens should be pretty much a repeat of Saturday's and the locals can be counted on to give a right smart account of themselves.

Hockey Knockers

ON The subject of college hockey, we were wondering if those who wanted to de-emphasize hockey at St. Dunstan's are still in the same frame of mind.

Last fall we heard some over-enthusiastic alumni talk such nonsense and we were afraid that they might entice others on their bandwagon. These folks could see nothing but football and they wanted the hockey all but forgotten.

We are by no means trying to belittle football. We think Ed Hilton has done wonders in the few years he has been here. Saints' great bid in their first season in the Atlantic Football Conference was indeed noteworthy. The Red and White grid stars drew many rave notices throughout the Maritimes.

But all this doesn't mean that hockey should be played down. Surely with a fine artificial plant and an ever-increasing student body, Saints have the right to be in intercollegiate hockey. This season, freshman coach Jack Kane has taken his Saints and made them really respected in college hockey circles. That will not go well with those who were wishing hockey would die at St. Dunstan's. A few years ago a fellow by the name of Jack Kane led Saints to a Maritime hockey championship. Now his son is trying to duplicate the feat of his late dad. He might not make it this year but just be patient. Rome wasn't built in a day.

Away with those de-emphasizers of hockey. They're not thinking right.

Ice Racing Going Here Saturday

The Victoria Driving Club will get ice racing underway at North River Causeway this Saturday, January 26 at 2.30.

The recent cold spell was just what the club members were looking for and word is now that there is plenty of ice for the opening program. Those in charge maintain that everything will be in apple pie order for the first ice racing of 1963.

Four classes will be run off on opening day and some really keen competition is expected all throughout the afternoon. Those intending to start horses are reminded that entries must be submitted to W. H. Beaton no later than Friday noon. That's the latest that the classifier can handle them and get programs printed in time for the Saturday afternoon race.

Bettors are reminded that the pari-mutuel system will be in full swing for this opener and for every other race throughout the winter season.

Keep this Saturday afternoon reserved for the first ice race of the season at North River Causeway.

Agreement Reached For Title Rematch

MIAMI BEACH, Fla. (CP)— After weeks of wrangling, Championship Sports Incorporated said Tuesday agreement has been reached "on all points" for the Sonny Liston-Floyd Patterson heavyweight title rematch in Convention Hall April 4.

The final stumbling block apparently was a demand by Liston's adviser, Jack Nilon, that the champion be paid $207,000 held back from his purse after the first fight to guarantee the return bout.

Al Bolan of Championship Sports said Liston's money will be put up this week and Nilon "is completely satisfied with the financial arrangements."

"All we've got left is to finish the paper work," Bolan said, "and just to be on the safe side we'll submit the contracts to the Miami Beach Boxing Commission."

INSISTED ON CASH

Nilon had insisted that $85,000 in cash be paid to Liston immediately and that the balance be placed in escrow. Earlier, he had been told he would have to sign the contract first but had refused to proceed "until I see the money."

Bolan made his statement after conferring Tuesday with Garland Cherry, Liston's lawyer. Julius Novembert.

Nilon also had asked that Championship Sports put up a $500,000 bond guaranteeing that Liston will be paid for the rematch and that Sonny will get the same cut of the purse as Patterson, 30 per cent.

The boxing commission has demanded that the contract be submitted, with no return clause.

Schoolboy Curlers Battle For Island Championship

Three schoolboy rinks will battle at Charlottetown this Friday and Saturday January 25 and 26 for the right to represent Prince Edward Island at the Dominion Schoolboys' Curling championships in Guelph, Ont. late in February.

Montague, Summerside and Charlottetown are the centres that will fight in this week's double round robin battle for the provincial crown. Last January Summerside lads, skipped by Wayne Matheson, emerged victors and went to Halifax for the Dominion play.

Wayne Matheson this year will be battling against his own town. Wayne is enrolled at Prince of Wales College in Charlottetown and will skip the Welshmen team which is representing the capital city. Barry Willis will be his mate, Rundell Seaman will play second and Mark MacPherson first stone.

Summerside rink will be composed of Bob Keizer ,skip, David Matheson, mate, Garry Paquet, second stone and Jimmie Rankin, lead.

The rink from Montague will be in charge of skip Roger Clair. Larry Fraser will be mate, Steve Clarkson, second stone and Charles Rafuse, lead.

The draw for the two-day championships was announced last night by Rankine MacLaine, Island representative for schoolboy curling on the Dominion Association and by Andy Bagnall, official referee for Friday and Saturday's matches.

Minnesota Vikings Lure Ron Vander Kelen To Fold

By LEW FERGUSON

ST. PAUL (AP)—Minnesota Vikings have lured Wisconsin's stylish quarterback Ron VanderKelen into their fold and ended three weeks of speculation by getting his signature on a pro football contract.

The Wisconsin senior, ignored in the NFL draft, signed a one-year contract Monday for undisclosed terms.

Winnipeg Blue Bombers of the Western Conference of the Canadian Football League, held Canadian rights to him and VanderKelen said last week the club had made him a good offer.

When VanderKelen left the field last November after Wisconsin beat Minnesota 14-9 for the Big Ten title, he had four front teeth missing and his face was a mass of bruises and blood.

PLAY CONVINCING

But the battering he took in that game convinced Viking coach Norm Van Brocklin that VanderKelen was his type of player.

"What I liked the most about him was his guts," Van Brocklin said. "He really took some punishment and was better at the end of the game than at the start."

VanderKelen, 23, said he had been sought by seven or eight other pro football clubs, but chose the Vikings because they offered a greater opportunity to play, an opportunity to develop under a master quarterback and a contract that was "a substantial and fair one."

Vanderkelen, although scouted during the regular season, did not have many clubs seriously bidding until after the Rose Bowl game when he passed for 401 yards as the Badgers bowed 42-37 to United States champion Southern California.

VOTED TOP PLAYER

In directing Wisconsin to an 8-1 season, Vandy was voted the Big Ten's most valuable player. He won the conference total offence crown.

General manager Bert Rose said VanderKelen did not receive a "no cut" contract from the Vikings.

Rose also denied the Vikings had any trades in mind, with Vandy as bait. Minnesota already has one of the NFL's best young quarterbacks in Fran Tarkenton.

New York Titans of the American Football League had made VanderKelen an offer as their 21st draft choice. The Green Bay, Wis., native also was sought by his hometown Packers.

S'side Boys To Compete In Bonspiel

SUMMERSIDE — Summerside school curlers will be travelling to Charlottetown Friday to participate in the Island schoolboy curling competition. The members of the team this year have done considerable curling but none of them have been on the team representing Summerside in the Island 'spiel before.

Robert Keizer is skip; Dave Matheson, a brother of Wayne Matheson, who skipped the winning rink last year, is mate; Barry Paquette throws the second stone, and Jim Rankin is lead.

This week at Summerside Curling Club, a number of new competitions are getting under way. Teams entered in the British Consols competition will take to the ice, as will junior (8 years of curling experience and under) teams.

The ladies will start playing games leading to the club championship. There are two groups, the business and professional women, and the afternoon curlers. Their first games will be played the latter part of this week.

All-Star Balloting Developed By Clubs

MONTREAL (CP)—The National Hockey League's balloting for all-star and individual trophy winners is based on the idea that each of the six NHL cities should have the equivalent of three votes.

The system, criticized by a Montreal sports writer as being too complicated, has been developed over the years by the hockey clubs themselves, a league spokesman said Tuesday.

Selectors, chosen in each city by the home club, vote for their first, second and third choices for each all-star berth and for the individual trophies.

The league tabulates the votes, giving five points for a first-place vote, three for a second and one for a third.

Complicating the matter is the fact that not all cities have only three persons voting. New York has five and Toronto 14. Chicago, Montreal, Boston and Detroit, however, have only three each.

DECIDED THEMSELVES

The NHL spokesman said the New York and Toronto decision to have additional selectors was their own and apparently taken to try to ensure a wider picture of what sports writers and reporters feel about the calibre of the players.

But the Toronto and New York votes don't have an unfair influence on the total balloting. Each vote from those cities is reduced by a simple arithmetical formula.

Each Toronto vote, for example, is multiplied by .214 so the total is equivalent to only three votes. Each New York vote is multiplied by .6.

If as a result of this multiplication a fraction is involved, it is taken to the nearest whole number.

Morell made its debut into the field of basketball with pretty good success. The High School has defeated the more experienced Souris boys in three straight games. Since both teams are entered in Island playdowns, Morell will have to be established as the choice to advance along the playoff trail. However, Souris has a good defensive team, and if they start scoring a bit they could become dangerous. If they meet, it could be an exciting series.

THE ALL-STAR TEAM

Well, the NHL All-Star teams have been selected, and like Carmen Smith, we must express some disagreement. However, unlike Carmen, we endorse the selection of Gordie Howe on the first team, and for the same reasons as the voters. Carmen, old boy, if you really want to dispute any of the selections, how do you really feel about left wing on the second team, or are you a Montreal fan? That selection was, in this writer's opinion, fantastic.

Our selections, and you can easily see where we disagree are: First team, goal: Sawchuck, defense: Pilote and Horton, Left wing: Mahovlich, right wing: Howe, and center: Mikita. The second team: Goal: Hall, defense: M. Pronovost and Brewer, left wing: P. MacDonald, right wing: Bathgate, and center: Keon. Our coaches are Abel and Imlach.

Four other awards are up for grabs, and we have gone out on a limb and made choices, and here they are: Lady Byng: Keon, Hart: Sawchuck, Norris: Brewer, and Calder: Douglas. There they are, and we stand ready to argue the virtues of our choice with anyone. As a matter of fact, we like our choices so much that we would even defend them against Mike Hennessey, and that's going pretty far.

CONGRATULATIONS

Congratulations to Bill Pierce of Souris, who recently established two bowling records in the St. Mary's Bowling Lanes in Souris. Bill broke bot.. records in leading his team to victory over the Perfectionists. In one string, he rolled 399 which is the highest rolled this year and the second highest ever rolled in Souris. And his three game total was 1026 which sets an all time high for the lanes.

Once again, Bill, congratulations.

Morell Loop Opens Tonight

MORELL — Dunstaffnage and Mt. Stewart tangle in the opening game of the Morell Hockey League tonight at 8 o'clock. It is the first game in the newly-formed five-team league operating out of the new Morell rink.

Buck Leads Sandy's Royals To 6-4 Win Over Penguins

As is customary action readily starts to pick up after the holidays in the local Island Hockey League and last night at the Sports Arena archrivals Sandy's Royals and Old Spain Junior Penguins put up a torrid battle for the fans with the pace-setting Royals emerging on the long end of a 6-4 score.

The score could just as well have been reversed but a few lucky breaks made the difference for the winners. The Penguins dominated the play in the first two frames but erratic shooting on the part of the Penguins and some good saves by Butch Ward made the difference. After 40 minutes of play Ward had 26 saves to his credit compared to 17 by Frizzell.

Goalwise the Royals had the edge in the sandwich session, counting four goals to the Penguins' one. Penguins also had a counted the only goal in the opening period. Each team scored two goals in the final frame.

PACES WINNERS

Royals' coach Buck Whitlock, the leading pointgetter in the league this year, boosted his average by four points in garnering a 'hat trick' and assisting on another. Other Royal goals were by Angie Carroll, Jim MacLeod and Junior MacLeod.

Gordie Whitlock, Dave Lawlor, Gary Bursey and Ronnie Gallant were the Penguin snipers.

Ralph 'Farmer' Josey played the 'bad man' role in this contest, picking up six penalties, including a 10-minute misconduct.

The game had gone 11 minutes and 23 seconds when Bursey, a young defenceman from Moncton who was flown in for last night's game by the Penguin organization, caromed a shot off the goal post into the Royal net. He had been set up beautifully by Willie Gallant.

With nine minutes and 18 seconds gone by in the second period Angie Carroll skated in fast with only one defenceman between him and goalie Donnie Frizzell. He eluded a check and deked Frizzell before denting the draperies. Slightly more than a minute later Buck Whitlock scored his first of the night when he lifted the puck over the Penguin eager, who had been knocked down by one of his teammates. Jim MacLeod made it 3-1 for the Royals when he outhustled two Penguin rearguards for the wafer deep in the opposing end and let go with a high, hard shot that Frizzell didn't even have time to move on.

At the 13.43 mark Bursey's shot from inside the Royal blueline found its way to teammate Ronnie Gallant, who rifled it into the net. The Royals were shorthanded at the time. Whitlock scored his second marker on a breakaway with little more than a minute left in the period.

Play was even in the third period and the teams matched goal for goal. On two occasions in this frame the Birds came up with some golden opportunities but both times the puck bounced off the goalpost. The losers had a man advantage but were unable to score.

A total of 14 penalties were called by referees Don Whelan and Joe Coyle with 10 of them going to the Royals.

SUMMARY

First Period: 1.—Penguins, Bursey (W. Gallant) 11:23. Penalties: E. Reeves 3:37, Junior MacLeod 5:42; Josey (10 minute misconduct) 5:42; L. Gallant 6:34; Martin 19:38.

Second Period: 2—Royals, A. Carroll (B. Whitlock) 9:18; 3.—Royals, B. Whitlock (A. Carver, A. Carroll) 10:34; 4.—Royals, Jim MacLeod (A. Gillis) 11:01; 5.—Penguins, R. Gallant (Martin, Bursey) 13:43; 6.—Royals, B. Whitlock (Junior MacLeod, A. Carroll) 18:56. Penalties—R. Josey 4:47, W. Gallant 4:47; Bursey 6:33; R. Josey 6:33; E. Reeves (served by A. Hockey In Eastern Kings Hasn't Promising Outlook

By ED CLINTON
Souris Bureau of The Guardian

The hockey outlook for Eastern King's does not have the brightest face in the world. With January already half over, the Souris intermediate "B" squad, along with the "C" squad have each had only one practice each. That's not the way hockey games are won. It's not anybody's fault, mind you, I want to blame the weather man for the mild weather he's been dishing out after all, it's not exactly ideal for making and preserving ice.

This weather will give those teams playing in leagues that use artificial ice a definite edge when playoff time rolls around, and that isn't too far into the future. Teams from Queen's and especially Prince County will have a big edge on County teams when zero hour rolls around. As far as we can ascertain this area will have three teams registered in Island playdowns. Namely, an intermediate "B" unnamed team from Souris, while Morell will be back again in the "C" class, accompanied by a new team from Souris.

At the High School level, both Souris and Morell will or are probably registered. We understand that Morell has most of the team back from last year, so they should be able to give a good account of themselves. Souris, according to reports will be weaker than last year, if that is possible. We've heard through the grapevine that only three of last year's teams are eligible.

Volleyball Meet Slated Tonight

SUMMERSIDE — President of the Summerside Volleyball League Herbert B. Schurman has called a meeting for this evening at Civic Stadium to organize the league for 1963 play which will get underway shortly. Meeting time is 7.00 p.m.

At least one representative from each team planning to participate in the league is asked to be present. New entries will be welcomed as well to compete for the handsome Knights of Columbus trophy, emblematic of the town volleyball championship.

Souris Team Formed Tues.

The Souris Intermediate B. Hockey Club was organized at a meeting in Souris Tuesday night. The name of the club will be Souris Cross Bones — and will be coached by Roddy McIntyre. Manager of the team is Harold Peters.

This team was formerly known as the Souris Legionaires. They had entered in the Eastern Kings Hockey League and will compete in the Island intermediate playoff. They make their second start of the season tonight (Wednesday) in Souris at 8.30 when they play host to the Parkdale Fliers.

Earlier in the season they defeated the Mt. Stewart team in Souris.

Primroses Whip Murray H. 11-3

MONTAGUE — On Saturday night the Montague Primroses defeated the Murray Harbor hockey team 11-3.

Although both teams require conditioning the game was fast and rough and kept the large crowd cheering throughout.

The Montague team had played a couple of games previous but this was the first game for the Murray Harbor team. The mild winter to date has made it almost impossible for these teams to get any hockey or even skating for conditioning and it becomes more and more apparent all the time that artificial ice is necessary if hockey teams in this area are to survive.

Goals for Montague: B. Beck 2; E. MacLure 3; B. Mills 2; R. MacLean 2; B. Martell 1; and M. Armour 1.

For Murray Harbor: Gordon, Herring and Clements each scoring one.

Birchwood High Takes Contest

Yesterday at Sports Arena in a friendly exhibition hockey contest, Birchwood High School took the measure of Parkdale High by a score of 4-2. Jerry Kane, Alan Flood, scored singletons and A. Arsenault scored twice for Birchwood while Herbie Steele and Junior MacDougall flashed the red light for Parkdale.

Reg Profit and Knobby Walsh handled the whistles.

Minor Hockey Results Tues.

Following are the results of yesterday's regular Bantam hockey contests at Sports Arena.

Eagles 2 vs. Bluewings 1; Eagle goals by Ron Gallant, Francis Trainor; Bluewings goals by David Smallwood.

Gulls 6 vs. Owls 3; Gull goals by Dwight Doiron (3), Reg Frizzell, Rocky Campbell, Geo. MacWilliams; Owl goals by Freddie Quinn, Robert Stewart, Wendell Duncan.

Condors 6 vs. Crows 0; Condor goals by Owen O'Brien (2), Jimmy Constable, Kenny O'Brien, Kenny Constable, Keir Jackson.

Games Played At Kensington

Kensington Seabrooks trounced Freetown Royals 12-2 and New Annan and Hope River battled to a 5-all stalemate in regular Farmers' League action at Kensington rink last night.

Blair Caseley paced the winners with a hat trick in the first game and other Seabrook goalgetters were D. Sherry and D. Thompson, 2 each, Grant Francis, D. Campbell, J. MacFarlane, Frank Moase and B. MacLean singles.

Rayner and A. Handrahan scored for Freetown.

New Annan scorers in the final contest were R. McKay 3, L. Wall, R. Weeks and Hope River A. Doucette 2, J. Gallant, J. Pineau and G. Gallant.

Welshmen Take Game

PWC and SDU high school basketball squads tangled in a regular Senior Interscholastic Basketball League contest at Prince of Wales College yesterday with the Welshmen emerging the winners by a close 43-39 score.

Ron Diamond paced the winners with 16 points while Strang and E. Lawlor were tops for the Saints with 11 points each.

Hoop Action Goes Tonight

Pirates and PWC tangle in a regular Island Senior 'C' basketball league game at Prince of Wales this evening. Game time is 7 p.m.

Sherwood High Holds Ice Sports

Sherwood Junior High School students will stage their annual ice sports this evening at the Sports Arena and the highlight of the affair will be a hockey game between Sherwood High and Birchwood High.

The same number and type of events as last year will make up the program.

The program will get underway at 7:30 sharp.
