A. D. McDONALD, Secretary. Durell, P. O.

Queer Story of a Grave. A curious barren mound is to be seen in Montgomery churchyard. Whatever the cause, there is plainly to be seen a strip of sterility in the form of a cross among a mass of verdure.

The Peculiar Southern Girl. Two men of southern manner of speech were talking of a mutual friend named Henry. 'Did Henry ever get mated to that young lady in Memphis?' asked one.

The Pursuit of Pleasure. We smile at the ignorance of the savage who cuts down the tree in order to reach its fruits. But the fact is that a blunder of this description is made by every person who is over-eager and impatient in the pursuit of pleasure.

Doctors said Incurable

But the Notary, Mr. Lemire, was cured of Kidney Disease in two months by Dr. Chase's Kidney-Liver Pills.

It is only when thoroughly convinced of the superior merit of a remedy that public men will give their sanction.

Mr. E. H. Lemire, Notary Public, 1692 Notre Dame Street, Montreal, tells of his remarkable recovery from a severe attack of kidney disease. When doctors had failed, Dr. Chase's Kidney-Liver Pills saved his life.

Dr. Chase's Kidney-Liver Pills act directly on the kidneys, and through their combined influence on the kidneys and liver, cure the most complicated diseases of these delicate organs.

Imitations

of Dodd's Kidney Pills are legion. The box is imitated, the outside coating and shape of the pills are imitated and the name—Dodd's Kidney Pills is imitated. Imitations are dangerous. The original is safe. Dodd's Kidney Pills have a reputation. Imitators have none or they wouldn't imitate.

D-O-D-D'S KIDNEY PILLS

Coats That Last a Century. To wear your grandfather's coat would not seem much of an honor, but to John Chinaman it is the greatest felicity. Not only is the common looking, shapeless blue blouse of his ancestor prized because it is his ancestor's, but because of its intrinsic value.

As a nation the Chinese object to wearing clothing of any other kind, and centuries of experiment have taught them how best to make up the costly caterpillar thread into the most durable form. On this account the Chinese dress, though of purer material, has none of the sheen usually associated with silk, a peculiarity which has resulted in the erroneous ideas as to their composition.

Owing to their cost, however, they are only purchased at long intervals, each garment being of so durable a character that they are handed down to the third and even the fourth generation. Wear appears to rather improve them than otherwise, with the result that the coat of the father or grandfather often has more intrinsic value than the newer and less worn articles.

The Walls Ran Down.

The Irishman who went up in the hotel lift without knowing what it was did not recover easily from the surprise. He relates the story in this way: "I went to the hotel, and says I, 'Is Mister Smith in?'"

"'Yes,' said the man with the sojer cap. 'Will yez step in?'"

"'So I steps into the closet, and all of a sudden he pulls the rope, and—its the truth I'ze telling yez—the walls of the building began running down to the cellar."

"'Och, murther!' says I. 'What'll become of Bridget and the children which was left below there?'"

"'Says the sojer cap man: 'Be aisy, sorr. They'll be all right when yez come down.'"

"'Come down, is it?' says I. 'And it is no closet at all, but a haythenish balloon, that yez got me in!'"

"'And wid that the walls stood stock still, and he opened the door, and there I was wid the roof just over my head! And, begorra, that's what saved me from going up to the hevins intirely!'" —Irish Independent.

Bridegroom's Fatal Indiscretion. A queer case of cannibalism is reported as having recently taken place in the Solomon Islands. The Jeannette took from Noumen a Kanaka who had acted as orderly to the immigration office there and was on his honeymoon with his wife, intending to land at Aoba, where his wife's tribe lives.

Mr. Pnee—You expect to be in San Francisco next week? By the way, you know where my aunt out there lives. I have just written a letter to her. Would you mind delivering it some day as you pass the house?

Mr. Pnee's Friend—No; but I might forget it. I think I'll just put a stamp on it and drop it into the first letter box.

Mr. Pnee—All right. I don't care how you get it to her.—Chicago Tribune.

The Great Debate.

When the uncertainty had become well nigh intolerable, Science ventured to go to the Serpent directly.

"Is it or is it not a fact, O Serpent," asked Science, "that you swallow your young when you are attacked?"

"Well, I always try to hold my own," replied the Serpent modestly. It is true, but evasively withal.

And so the bitter controversy wages on.—Detroit Journal.

America's Position Among Nations.

An English traveler who has recently been in this country remarks, in making a comparison between the principal great nations of the world, that "holy Russia is a formidable idea, Great Britain is a picturesque and pregnant idea, but the United States is a self-conscious, clearly defined and heretically vindicated idea, in whose further vindication the whole world is concerned."—St. Louis Globe-Democrat.

BRAIN FAG

Is the result of Overwork and an Exhausted Nervous System. Dr. A. W. Chase's Nerve Food creates New Brain and Nerve Tissue.

Business and professional men, accountants, stenographers, teachers, students and all brain workers know only too well what it means to have the brain so tired out that concentration of thought is almost impossible.

One-fifth of all the blood in the human body is found in the brain, and unless the blood is pure and rich the brain becomes exhausted for want of proper nourishment.

Dr. A. W. Chase's Blood Food creates new brain and nerve tissue, and produces rich red blood, "the vital fluid" of the body.

All brain workers quickly recognize the merits of this great food cure, and after a few doses enter on their work with new energy and ambition.

Brain fag is unknown to persons whose brain and nerve have been invigorated by the use of Dr. A. W. Chase's Nerve Food, which is for sale by all dealers at 50c. a box.

Dr. Chase's New Book, "The Ills of Life and How To Cure Them," sent free to you on address. Edmanson Bates & Co., Toronto.
