### NEW YORK

**NEW YORK (AP)** - Scattered strength featured a mixed stock market Wednesday. A late spurt of buying put some issues at their best just before the final bell.

The atmosphere seemed clouded by a cut in steel scrap prices and by an upturning performance of the market in the preceding session.

A number of blue chips performed steadily while others were soft. As prices firmed late in the day, the market was more active and the ticker tape ran late just before the close.

The Dow Jones Industrial average ended with a gain of 50.11 at 791.11.

The New York Stock Exchange index rose 0.67 to 73.28.

The Associated Press average of 200 stocks closed unchanged at 269.9.

The volume was 4,600,000 shares compared with 4,610,000 Tuesday.
