DROWNED WHILE SKATING.—A young man named Ralph Lewis was drowned while skating on Long Marsh Creek, Waterside, A. C., on New Year's day. The body was recovered a few days ago.

PALE and sallow cheeks mean disease and a premature death. Rosy cheeks are emblematical of long life. The use of Dr. Williams' Pink Pills builds up the blood and nervous system, and never fails to leave rosy cheeks. Try them. dec28 1w

YELLOW JACK.—Advices have been received at Halifax from Kingston, Jamaica, to the effect that yellow fever has broken out there and that the troops have been removed in consequence from Port Royal to Newcastle.

SMALLPOX DYING OUT.—The Quebec Provincial Board of Health has issued a bulletin which shows that there are only ten cases of smallpox in the province as follows: Five at Sandy Bay, Rimouski County; four in Sherbrooke city, and one in Bromptom.

A RICH MAN'S BEQUESTS.—According to a Halifax despatch, the will of the late J. W. Turner, Dartmouth, leaves $400 to the dispensary; $400 to the Sailors' Home; $1,000 to beautifying Dartmouth common; $1,500 to Christ Church, Dartmouth.

THE very changeable weather this season has been productive of colds and coughs, and nearly everyone is suffering from this unpleasant malady. Everybody's Cough Syrup, prepared by A S Johnson, is the popular remedy, and is meeting with a larger sale than ever before. Put 25 cents in your pocket and call around and get a bottle.

NORTHWEST LAND SALES.—A Winnipeg despatch says: The land department of the Canadian Pacific Railway reports that its sales of farm lands in December were largely in excess of the previous month or the corresponding period of 1890. The bulk of sales were in South Western Manitoba along the new lines of company.

MARRIAGE BELL.—P D. McLaren, general agent of the Canadian Life Insurance Company, and Miss Annie Pleas, daughter of George Pierce, were married at the Grafton Street Methodist Church, Halifax, on Thursday morning. After the ceremony the happy couple left on a three weeks wedding trip.

HOW TO MANAGE A HUSBAND?—A New York society has been discussing the question: "How to manage a husband?" and the fair philosophers of the society have concluded that the best way for a woman is to keep quiet, hold her tongue and let them have their own way. There is a good deal of hard and wool-dyed common sense in the conclusion.

THE originator of Estey's Emulsion spent several years of his life in perfecting this preparation. Not a bottle of it was put on the market until he was satisfied that it was the best ever introduced for the cure of coughs, colds, bronchitis and all wasting diseases. Thousands of bottles have been sold, and he has never heard a complaint regarding it. jan2 1m d&w

A WARNING TO OTHERS.—As an instance of the great danger of allowing a policy of insurance to expire before securing a renewal receipt, it may be said that the property of the Meteghan lumber company, burned at Weymouth, N. S., recently, was insured for $1 500 up to 12 o'clock, January 1st, 1892, and was consumed by the fire which broke out only four hours after the policy had expired.

HORSES WANTED.—Messrs. Pepper and McInnis, the horse buyers, passed through Vernon River on Saturday, en route for Murray River, in search of good stylish carriage horses for the American market. Parties having any horses of the above class for sale would do well to call upon them at the Vernon River Bridge Hotel at any time during next week, as they purpose making their headquarters there.

NEW MAGAZINE.—The Charlottetown Young Men's Christian Association have arranged for the publication of a monthly magazine called "Facts," the first number of which will be issued in a few days. Mr. C. A Maffa, General Secretary of the Association, will be the managing editor; Mr. A Irwin, local editor; and Dr H. D Johnson, gymnasium editor. Mr. L E Prowse will be the business manager. The magazine will be printed at THE EXAMINER office.

AN old smoker declares that he has been using "Myrtle Navy" tobacco ever since the second year of its manufacture and that during that time he has never suffered from a blistered tongue or parched tonsils or any other of the unpleasant effects which most tobaccos will leave behind them. His experience, he says, is that no other tobacco which he has ever tried is quite its equal and that in value for the money "no other comes anywhere near it."

HANDSOME PRESENTATIONS.—On New Year's Eve, a committee consisting of Messrs John Murchison, R. R. Mackenzie, Charles. C. Morrison, Murdoch Morrison, Angus McLeod, Murdoch Gillies, Murdoch Anderson, John Campbell and Alexander Ross, M. D., called at the manse, Belfast, and in the name of the congregation presented the pastor, the Rev A Maclean Sinclair, with a kind and complimentary address and a handsome gold watch and chain. They presented Mrs. Sinclair at the same time with a very beautiful clock.

Make no other engagements for Monday evenings from 8 until 9 o'clock.

WONDERFUL WEATHER.—Just a little colder to-day, but still fine, with not a sign of ice in the harbor or bay. The schr. Lady Franklin, Capt. Rood, arrived here from Halifax via Georgetown this morning (Jan. 11, 1892), and is moored at the Railway Wharf. The Lady Franklyn is owned by McLean Bros, North Wiltshire, and brings a general cargo for them. During the passage she lost some of her sails and had to put into Georgetown until new ones were procured from Charlottetown.

A1 at Lloyd's. That's what they say about a seaworthy ship. A1—In the affections of the women of Canada. That's what can be said of Lessive Phenix. Of course you don't use the old washing powders now. That might have been excusable before you know of Lessive Phenix. What a wonderful thing that Lessive Phenix is! Cleans anything and everything. Cleans your clothes, cleans your silverware, and cleans your tin or zinc, or wooden or glass or earthenware. And so easy to use! Makes the hands soft. Ask your grocer.

EVANGELICAL ALLIANCE.—At a meeting of the Evangelical Alliance, held in St. Paul's Schoolroom, it was decided, owing to the deep and increasing interest taken in the meetings of the Week of Prayer, to continue these meetings for at least three evenings of this week. Arrangements are as follows: Monday—Baptist Church—subject: "Deepening of religious life in Believers." Speaker—Rev. Mr Hamlyn; Tuesday—Zion Church—subject: "Bible Study." Speaker—Rev Mr. Gordon; Wednesday—St James' Church—subject: "The First Step" Speaker—Rev. Mr. Hamilton. T. C. James, Sec'y.

FINED FOR ASSAULT.—On Saturday, before H. V. Palmer, J. P. for Queen's County, George Pippy, of Alexandria, was fined $20 and costs or two months imprisonment for assaulting Daniel McLellan of the same place. The assault was committed on the 11th December, at the Five Mile House, Pownal. It appears that McLellan and some others were in the house drinking, and upon being refused more liquor became noisy. Mrs. Morrisey, the landlady, called upon Pippy to eject the men, but they went out without any assistance from him. Pippy followed them to the door, and fired two shots. No one was hit, however. Pippy followed up the shooting with an assault upon McLellan, striking him about the head with the muzzle of the revolver, inflicting severe injuries. The defendant swore that the shots were fired into the air; and both he and Mrs. Morrisey swore that previous to the shooting and the subsequent assault the disorderly characters outside drove a longer through the door. Two other witnesses denied the longer story, and a third said he heard a noise as if a door breaking at the time the longer was said to have been put through.

THE NEW TOILET GEM.—Philoderma owes its immense success to the fact that it is radically different from any preparation in the market. It is a bland and soothing liquid, nicely perfumed, and when applied to the hands and face produces a delicious sense of coolness and comfort, exercising also a direct curative action. It is entirely free from the sticky quality of glycerine and the greasy nature of camphor ice or cold cream. To those who are unable to to use glycerine, from its irritating effect, Philoderma is a necessity. Those who use it have a beautiful complexion. It is harmless as milk. Sold by druggists everywhere. Price 25 cents. jan2 1m dw

LETTERS OF CREDIT

ISSUED BY LAURIER'S FRIEND

Grit Corruption and Rascality.

QUEBEC, Jan. 11.

It appears that every branch of the pubvincial administration is reeking with Mercier's corruption. The caisse de conemie, Mercier's favorite financial institution has, at the request of Treasurer Hall, supplied a list of letters of credit amounting to over $100,000, and wonderful to relate, none of these obligations were provided for by the subsidies of previous sessions. There are, likewise letters from the cashier of the Bank, calling upon Premier Mercier to take up the Langlais letters of credit for $60,000, which had become due and which had been left unpaid, and is still held for payment.

French and Italians in Africa.

PARIS, Jan. 11.

The Reporte de Paris to-day says that Admiral Recuruer, commander of the French squadron now in the Gulf of Juano, has ordered several ironclads to proceed to Morocco.

TANGIER, Jan. 11.

The French cruiser Cosmo has arrived here. The rebels in this vicinity are displaying much activity.

ROME, Jan. 11.

Several newspapers of this city state that Italy will send a warship to Tangier to protect Italian interests there.

The British in Egypt.

LONDON, Jan. 11.

The Cabinet has considered the new situation in Egypt, and has decided to treat the accession of Abbass Pasha as an event not altering in any way the British policy. As Abbas Pasha will not attain his majority until July 14, the ministers foresee and probably have already been warned that France and Russia will incite the Sultan and will support his claim as Suzerain to establish a Regency. Even six months of a regent nominated by the Sultan might destroy the British power in Egypt and would, certainly, lessen the British prestige.

General Telegraphic News.

LONDON, Jan. 8.—The influenza epidemic in this city is waning. It is rapidly spreading in the Netherlands and also in Sweden, but in a mild form. It is reported to be on the wane in Italy.

TORONTO, Jan. 8.—The Canadians won the international bonspeil by 136 shots, the score being 556 to 416 Twenty rinks a side played. The match took place in covered rinks.

LONDON, Jan 8.—Canada maintained a high place on the British finance markets last year. The Canadian Gazette's review of the year shows that the Government corporation securities declined from one to nine per cent., which contrasts well with other colonies. Quebec issues specially declined owing to the Mercier scandals Canadian Pacifics have risen 21, trunks issues from 2 to 16.

QUEBEC Jan. 7.—Tarte's new found zeal for Mercier and the constitution is now explained to the great disgust of what few people had confidence in the editor of Le Conadian. Another letter of credit has been unearthed, and its reading will be highly instructive. It is:

DEPARTMENT PROVINCIAL SECRETARY)
Quebec, 17th July, 1891.)

J. I, Tarte, Le Canadien, Quebec:

SIR,—I have the honor to inform you that the government has decided to entrust you with three thousand dollars' worth of printing, and that this sum will be paid you or to your order four months from date.

I have the honor to be, sir,
Yours truly,
(Sgd) CHAS LANGELIER, Prov. Sec.

A minister of the crown told the Sun this evening that the work had not yet been done, and, in fact, Mr. Tarte has had no printing establishment for over a year.

MONTREAL, Jan. 8.—The famous Erastus Wiman is in a queer fix. Some time ago a six-column attack on the Montreal Telegraph Company appeared in the Star, and the publishers of that paper, gave the people to understand that the father of the fad was its author. The manifesto, however, did not have the effect desired by Wiman In fact it got him into trouble with the Western Union directorate, of which he is a member, consequently the New Yorker wrote to the Herald that he had nothing to do with the writing in question. This however, is known to be a falsehood, as the article has been traced to Dun Wiman's agency in this city, and further, Mr. Graham, proprietor of the Star, has told several that Wiman was the author, so there is great indignation in mercantile circles over the renegade Canadian's hypocrisy.

ST. PAUL, Minn., Jan. 8.—In reply to a despatch of enquiry as to the real condition of affairs in Russia, Gov. Merriam has received the following cablegram from Charles Emory Smith, the American minister: "Distress in Russia from short crops is widespread and severe. Difficult to overdraw extent of suffering. Many provinces are destitute, and must be helped until next harvest. Am able to say that proposed contributions of Minnesota and north-west indicated in your despatch will be accepted with most grateful appreciation."
