Store News

FROM "MY STORE"

Sentner, McLeod & Co

Very narrow Ribbons in Chiffon and gauzy effects in the most delicate colorings is one of the striking changes in trimmings this Spring. Nearly all ribbons have a draw string to them to be puffed and plaited, fluted etc. Some are fringed and will be very much used for Dress and Hat Trimmings.

A big sensation at our Dress Goods counter yesterday, especially the 39c counter, and no wonder when lovely new goods imported by us this season are selling at half price.

Why do we lose money on these Dress Goods? They are a little heavier than what is wanted for Spring and we always think the first loss is the best loss for us, whilst our customers get New Goods and we get the room for our new Spring Goods.

You'll see a swarm of B's in our Blanket department. Biggest Bargain Bed Blankets ever brought before buyers.

The Dry Goods Review says:

Dress Goods and Silks have advanced very much in price this last week.

Sentner, McLeod & Co. who are ever watchful of the markets placed their orders before the rise.

Sentner, McLeod & Co. have received their first instalments of Silks direct from the manufacturer in England. They are very handsome and cheap.

Miss Murnyan head Milliner for Sentner, McLeod & Co. starts this morning for the grand Millinery openings in New York and will come back by way of Montreal and attend the Grand Easter openings in Montreal. She expects to be away a month; Sentner, McLeod & Co. have engaged six milliners to assist Miss Murnyan this season, and the ladies of Charlottetown may expect the latest things in English, American and Canadian Millinery this Spring.

A big change in Dress Goods, Plain Goods or two tone Heather Mixture is the correct thing.

In one of the big Boston stores where they close on Saturdays, a saleslady put a placard on a line of goods to be cleared out. The card read as follows: "to be closed Saturday." A customer asked the saleslady how do you know that line will be closed Saturday, "we close every Saturday."

Sentner, McLeod & Co. are selling just as many furs now as they did any time this winter. Why? They are clearing them out regardless of cost. Anyone wanting furs will save big money by buying now as nearly all furs for next season have advanced in price.

THINK about your health. Do not allow scrofula taints to develop in your blood. Take Hood's Sarsaparilla now and keep yourself **WELL**.

GOOD TEMPLARS FRATERNISE.

Dinner and Reception to Visiting Templars Last Night.

The dinner and reception to visiting Templars given last evening in Wright's Hall by Charlottetown Lodge of the Independent Order of Good Templars, was a most enjoyable affair. There were about one hundred ladies and gentlemen present, including some seventy representatives of the Bethel, Elliott and Excelsior Lodges. The tables were spread in excellent style, and the happy company did the fullest justice to the choice viands so bountifully provided and well served.

This portion of the entertainment over, the intellectual part of the exercises was entered upon, when the following toasts were heartily drunk and duly responded to:

The Queen—"God Save the Queen."
Canada—S A McDonald, P C T, F B McRae, D C T.

International Supreme Lodge—Rev W J Kirby, Lodge Deputy.

Grand Lodge of Prince Edward Island—E H Duchemin, P C T.

District Lodge—R E Mutch.

Visiting Brethren—C A Rankin and S M Jenkins, Bethel Lodge; Ernest Wood, Excelsior Lodge.

The Press—J E B McCready, F J Nash, H McInnis and J E Matthews.

The Ladies—B F Meservey, P C T, and E T Higgins.

Absent Members—W G Sabine, P C T. Our Host—G H Foster.

The gathering was ably presided over by Rev. W. J. Kirby, Lodge Deputy, by whom the various toasts were proposed. The vice-chair was most acceptably filled by Miss Fannie McLeod, Vice Templar of Charlottetown Lodge.

Before the proceedings closed the hearty thanks of the visiting Templars was tendered Charlottetown Lodge for the choice entertainment provided. The motion was introduced by R. E. Mutch and supported by F. B. McRae. F. Smallwood, Chief Templar of Charlottetown Lodge, made a fitting acknowledgement.

About eleven o'clock the happy company separated after singing "Auld Lang Syne," all delighted with the manner in which the evening had been passed.

PERSONAL

Hon J. W. Richards, of Bideford, is among the guests at the Hotel Davies.

Mr. B. D. McLellan, M. P., was in the city yesterday. He went west this morning.

Miss Annie Byrne was a passenger by the Stanley to-day, returning from Boston.

Commander Cheyne is lecturing in Halifax to large audiences, General Lord Seymour in the chair.

Mr. James Macdonald, V. S. Summerside, was in the city yesterday. He was registered at the Hotel Davies.

Mr. and Mrs. Charles H Chandler and child, who have been visiting friends in Colorado, are expected home today via Pictou and the Stanley.

Mr J. J. Johnston, barrister-at-law, will leave this evening on a business trip to Boston and Montreal. He expects to be absent about ten days.

Miss Murnyan, milliner for Sentner, McLeod & Co., left last night via the Capes to attend the millinery openings in New York and Montreal. She will probably be away about four weeks.

Miss Minnie Moore, of Charlottetown was one of the performers at the first public recitals of the Mount Allison Conservatory pupils in Bethoven Hall last week. Speaking of the rendering of the programme, which was excellent, a St. John paper says: Miss Moore shows marked improvement. Her technique has broadened & wonderfully and her voice is rapidly growing stronger. Her rendering of her two songs was admirable and would enable her to appear with credit before a critical audience. The paper closes its notice of the entertainment by saying that in the opinion of Dr. Tompkins, who is well up in musical matters, Miss Moore has a future before her. Dr. Tompkins was so pleased with Miss Moore's singing at the recital that he had her give a solo at the evening service in the Methodist church.

AMONG OLD FRIENDS.—A Summerside correspondent writes: Rev. Dr. Doyle who was here a few days last week left for his home in Vernon River on Monday. His many friends here, of all denominations, were glad to see him looking so hale and hearty. He officiated at St. Paul's on Saturday, and notwithstanding the stormy weather a large number attended church. In the course of his sermon he paid a high tribute to the character of the late Dr. Gillis, and in doing so, he voiced the sentiments, not only of all present, but also of all those who ever had the pleasure of the Doctor's acquaintance.

Convalescing

is more or less a very slow process according to the severity of the sickness. Vitality, when at a low ebb, works at a great disadvantage, and much time is required to regain the lost strength and power.

Pabst Malt Extract

The Best Tonic

produces marvellous results in such cases. The rich food of the malt goes direct to the blood without further digestion, and the hop principle gives tone to the stomach, creates a desire for food and the ability to digest it.
