

A Card.

THE subscriber takes this method of tendering his thanks to the merchants of this City, as also those in the neighboring ports, who have so handsomely supported him in the carrying trade between this port and Liverpool, during the four years the "St. Alexander" was on the line, and more particularly for their increased support to his new ship "Ma-jestic;" and regrets very much the inconvenience and loss which they have sustained, occasioned by the late accident to that ship off Pictou harbour. He also begs to inform them that, having succeeded in getting the ship off, and repairing her so as to go to Liverpool, he will then have her (under his own inspection) put into thorough repair and first-rate order, for the continuance of his carrying trade, for the spring of 1857, at which time he hopes to receive a continuance of their support.

A Marvellous Remedy! for a Marvellous age!!

HOLLOWAY'S OINTMENT.

THE GRAND EXTERNAL REMEDY. By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflammation of the Lungs, Asthma, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, RHEUMATISM AND SCORBUTIC HUMOURS.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. Scoury, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS. Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has despatched to the East large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 year's standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:

- Bad legs, Chiefo foot, Pustular Sore-throats, Bad Breasts, Chilblains, Gout, Skin disease, Burns, Chapped hands, Glandular Swellings, Scoury, Bunions, Corns (Soft), Lumbago, Sore-heads, Bite of Mos- cancers, Piles, Tumours, ches and Contracted and Rheumatism, Ulcers, Sand Flies, Stiff Joints, Scalds, Wounds, Coco-bay, Elephantiasis, Sore Nipples, Yaws.

Sold at the Establishments of Professor Holloway, 244, Strand, (near Temple Bar), London, and 80, Maiden Lane, New York; also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—1s. 3d.; 3s. 3d.; and 5s. each Pot.

JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT.

CHERRY AND LUNGWORT, FOR THE CURE OF Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION.

DEATH CAN be and has been prevented in thousands of cases by this nature's own remedy JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT.

This medicine, unlike most of the patent remedies of the day is the result of the careful study and experiments of a scientific and experienced Physician. The two principal ingredients have long been known and celebrated.

WILD CHERRY BARK. When the strength of this is properly extracted is the best medicine known for curing the worst Coughs and other Pulmonary diseases, it loosens the phlegm and enables the sufferer to expectorate easily, and alone will cure the worst cold or cough, which if neglected always leads to Consumption.

LUNGWORT. This is a plant the virtues of which are known to but few, it has been said by the most learned men of all times, that "nature has provided a remedy for each and every disease," and the discoveries that are daily made, go to prove its truth. Lung-wort is doubtless the remedy designed by nature for Consumption. Its healing properties are truly wonderful, and the rapidity with which it cures the worst cases of Ulcerated Lungs, soothing and subduing all irritation, almost immediately, is a proof of its adaptation to this disease.

These two articles combined with other purely vegetable ingredients, form a medicine that is certain to cure the worst cases of Consumption if taken before the sufferer is entirely prostrated. Do not be discouraged, a trial can do no harm, but will convince the most sceptical of its real worth.

THOUSANDS OF CONSUMPTIVE persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have proved only palliatives, but this medicine is not only palliative but a cure for ulcerated lungs. It contains no deleterious Drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs and Liver, such as Spitting of blood, Coughs, pain in the side and chest, night-sweats, &c. &c.

Caution—To protect our own as well as the interest of the Consumptive sufferer, we are obliged to caution all to find the signature of COMSTOCK & BROTHER on the wrapper, without this it is a worthless counterfeit. Remember this.

In "Carleton's Condition Powders" we have given to the Public a Medicine, which, as a General Condition Medicine, is "THE BEST IN THE WORLD."

The great changes of weather and season, with the change of use and food, have a very great effect upon the blood and sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Itis, &c.; all of which will be prevented by giving one of these Powders twice or three times a year, and w! at any time cure when any symptoms of disease appear, if used in time.

One Powder will cure the Horn Distemper in Cattle when, boring the horns, or doing any thing beside; and every Cow should have one given to her after calving.

CAUTION EXTRA.—A Medicine like this is always counterfeited by some. There are counterfeits in the market. Beware of imposition.

Never buy "Carleton's Condition Powders" without you find the full fac simile signature of J. CARLTON COMSTOCK on the wrapper.

Remember this, as there are imitations offered for sale, which are very hurtful to animals.

CARLTON'S BRITISH HEAVE POWDERS.

A never-failing cure for Heaves, Thick and Broken Wind, Colds, Coughs, Inflammation of the Lungs, and all Diseases which affect the Wind of Horses.

Carleton's articles for Horses and Cattle are prepared from the recipe of a very celebrated English Farmer, and will cure in ninety-nine cases out of one hundred any of the above complaints. They have been used by Farmers, livery men, stage proprietors and others, with the most marked and decided success.

CAUTION.—None can be genuine unless you find the name of J. Carleton Comstock on
