Barbecue Bonus
For "blue sky" cooking at its best, try treating your family to steaks, finished off in gourmet style. Just crumble some Canadian blue cheese into soft butter and spread on top of the steaks when they're just about done to your liking. Leave 'em cooking till this grand cheese taste gets inside the meat. Ummmm . . . delish! Good idea for hamburgers too!

"Walk-Away" Salads
Be the first on your street to hand out Salad Cones to the youngsters. Just add some raisins to creamed cottage cheese, then scoop it into the cones you usually fill with ice cream. Fine idea for picnics and backyard suppers!

Calling All Buttermilk Fans
Here's your chance to make a few converts to your summer drink . . . mix it with chocolate! For two servings of Chocolate Frosted Deluxe, mix together a cup of buttermilk and a cup of chocolate milk. Add a spoonful of sugar and two big scoops of chocolate ice cream. Beat or shake until smooth and frothy, then serve in *tall* glasses.

Casserole Salad
Macaroni and cheese, that family winter standby, can don nifty salad attire for summer meals. Just add some French dressing and dairy sour cream to cold macaroni and cheese and spoon into lettuce cups. For variety, try adding creamed cottage cheese along with the cheddar when you make this dish. Delicious, hot or cold!

Un-stuck Marshmallows
Here's a hint for your next marshmallow toasting session. If you take along a slab of butter, you can prevent the marshmallows from sticking to the forks or sticks. Just thrust them into the butter before you spear the marshmallows . . . then you'll enjoy every precious golden morsel!
