VARIETIES.

A SINGULAR FARM.—There is a "Farm" —it can only be so—called—of not less than 150 miles in length, consisting in one of the most populated and best traversed parts of England. This agricultural phenomenon is in the occupancy of Mr. Brotherhood of Chippenham, and consists of the narrow strip of land forming the slopes and edges of the Great Western Railway. In some places between the line and the fence there may be 20 yards; in other parts it is not more than 6 feet; but all equally constitutes Mr. Brotherhood's farm, which, however narrow, is literally 150 miles long, and through its whole length—whether in grass or arable —is well, and it is profitably kept by the tenant, who has risen by his own industry from originally being a workman on the line. Mr. Brotherhood is besides a contractor, and has an engagement for keeping a permanent way and rails on the line in constant repair. He has a factory at Chippenham, where he employs 300 men.—*The Press.*

MOUSTACHES IN THE BANK OF ENGLAND.—A sensation almost amounting to a panic is recently spread among the employers of the bank of England, caused by an arbitrary order from the Governor, directing them to shave off their moustaches, or send in their resignation! Many were the pretexts of tooth-ache, weak eyes, &c. in order to escape the keen edge of the razor and the indignation of the overseer, but the advocates of the movement were compelled to submit, and they now present as "barefaced" an appearance as any of the other subordinates in any of the metropolitan public establishments.

A PLEASING INCIDENT.—Some weeks since the Rev. Mr. Fleming of the Presbyterian church at West Union, Marshal county, went to Grave Creek, with a committee, to use what influence they could to prevent the country court from granting license in that region for the sale of whiskey. They succeeded. As a reward, some of the liquor men set fire to his stable, in the night, which burnt to the ground. At the same time they left the following elegant note:

"This is for your trip to Grave Creek, God damn you !"

On Thursday afternoon the young men of his congregation assembled, went into the woods, cut timber and shingles, and before sunset had him an excellent stable completed, and left $70 for a carriage. On the Fourth of July they had a grand temperance jubilee and pic nic of the Sunday school children, with refreshments and temperance speeches.—*Wheeling Times.*

ROBBING THE DWELLINGS OF THE DEAD.—John Alderson, the sexton of All-saints' Church, New-Castle upon Tyne, England, has been committed for trial by the magistrates of that borough, on a charge of stealing lead from coffins in the vaults of an old grave yard. About 33 stone weight of coffin lead was found at one shop where he had sold it.

Singular Origin of a Fire—On the 30th ult. a fire occurred at the farm of Martin Jacoby, in the upper part of Roxborough, Pennsylvania, which originated in the following circumstances :—A girl was frying some fish, when the boiled fat ignited, and in removing the pan the blazing fluid fell upon a cat, which ran into a hay stack; the hay was immediately in a blaze, and the barn adjoining caught fire, and was almost entirely destroyed. The flames communicated to Jacoby's dwelling, which narrowly escaped destruction.

Decline of the Bar in London.—The *London Law Times* laments the continued decline of the Bar in London. It says that the business of the whole, if equally divided, would hardly give to each barrister £300 ; and that many young men, intended for the Bar, have wisely abandoned their intention, and gone into more hopeful pursuits.

The Paving of the Bottom of the Sea.—The whole channel of the Mediterranean must be strewed with human bones. Carthagenians, Syrians, Sidonians, Egyptians, Persians, Greeks, and Romans. There they lie, side by side, beneath the eternal waters ; and the modern ship that fetches freight from Alexandria sails in its whole course over buried nations. It may be the corruption of the dead that now adds brightness to the phosphorescence of the waves.—*J. J. St. John's there and back again, in search of beauty.*

"The baby is sick, my dear."

"Well give it castor oil. Dennis, bring up the castor oil."

"It's all gone, sir—not a drop is left."

"Gone ! why, we have not yet opened the bottle."

"Sure you have it every day, and I've seen you use it myself upon your salad."

Why, you don't mean to say that I've been eating castor oil every day during the salad season."

"Sure you have, sir."

"Did you not see the bottle was labelled Castor Oil ?"

"Sure I did, sir ; and did'nt I put it in the castor every day ?"

Highly Important to the Public.

The Sick cured on the R. R. R. Theory.

THREE GREAT REMEDIES.

The attention of the public is particularly directed to the three quick and powerful remedies discovered by Radway & Co. So quick, so powerful, so effectual, so safe, are these great, these remedies in stopping pain, checking disease, expelling from the human body all foul and corrupt humours, all diseased and poisonous deposits, and restoring the weak, feeble, and fragile frame, worn out by disease and long suffering, to sound health and long life, that whoever uses these remedies, and becomes familiar with the R. R. R. Theory, will never need a physician, unless it is in some critical surgical case. The R. R. R. Remedies will never fail—they prove themselves in the worst cases in less than *twenty-four hours.*

They invigorate, they renovate, they regulate, they relieve the suffering, pain-stricken invalid from the most torturing pains in *a few minutes.*

They restore the sick and diseased body to *health and longevity.*

To the low spirited and nervous they impart joyfulness, vigor, and a happy flow of spirits.

To the aged and infirm, whose constitutions are worn out by disease, they bring a mild and natural condition.

To all who suffer pain, to all afflicted with disease, the R. R. R. REMEDIES will quickly and effectually show the superiority of their powers over the most wretched capable of enjoying sound health and long life.

R. R. R.
REMEDIES.

The R. R. R. Theory requires only three remedies for the cure of the sick, and the protection of the human system against sudden attacks of violent diseases.

No. 1.—RADWAY'S READY RELIEF.—*For the instant Relief of Pain, and quick cure of Acute Diseases.*

No. 2.—RADWAY'S RENOVATING RESOLVENT. —*For the effectual cure of all Chronic and Scrofulous Diseases that have been lingering in the System, corrupting the Human Body, for Five, Ten, Twenty, or Forty Years.*

No. 3.—RADWAY'S REGULATORS.—*For restoring and regulating to a healthy and harmonious action, all the organs in the System. A mild and effectual cathartic.*

R. R. R.—No. 1—RADWAY'S READY RELIEF is for the instant relief of the sufferer from pain, and to check and arrest the progress of diseases; to disinfect animal, malarious, and infectious poisons, thus preventing all Contagious and Malignant Fevers, Infection, from Contagion, and from sudden attacks of Cholera, Pneumonia, Ship Fever, Fever and Ague, &c. Likewise in the effectual cure of the worst forms of all pains and diseases of the Joints, Limbs, Nerves, &c., in from five to fifteen minutes.

RADWAY'S READY RELIEF will stop the most distressing and violent pains, either internal or external—Nervous, Neuralgic, Bilious, or Rheumatic.

A FIXTURE IN THE FAMILY.—Every family should keep a supply of RADWAY'S READY RELIEF in their houses—it is useful in so many instances—it is so cheap—and we guarantee it is a sure cure for Cholera, if taken in its first symptoms. If used when violent epidemics prevail, it will save LIVES.

R. R. R.—No. 2—RADWAY'S RENOVATING RESOLVENT.—We have said that for all chronic complaints, we recommend our RESOLVENT. The RESOLVENT will cure all diseases that depend, that have been lingering in the system for TEN, TWENTY, or FORTY YEARS.

Every person who has been troubled with any complaint for years, will require the RESOLVENT to ensure a perfect cure. The action of the RESOLVENT is directed first to the absorbents, stimulating them into healthy action, by which the blood which it depurates by its alterative action over the glands the liver, pancreas, kidneys, &c., (which are the sewers that nature has provided for purifying the blood). You will, after this description, we hope, appreciate the name we have given to the second of the R. R. R. REMEDIES OF RENOVATING RESOLVENT. It is the only remedy that expresses it purifies the blood, and renovates the system. Tumors are removed and discussed by its operation; Chronic Swellings are reduced to their natural proportions and melted away. The most loathsome Skin diseases disappear under its action; Scrofulous constitutions are soon amended, and the disease checked wherever it has attacked the system; Syphilis, with all its horrible train of concomitants, here find a certain and infallible cure; and Consumption, too, often finds its master. For Chronic Complaints, East or West Indies, Canada, Paris, London, New York, &c.

Notice to Travellers.

IT has become an established fact that accidents will happen notwithstanding the care and attention which may be paid to the safety and convenience of travellers. Nevertheless, the Great Western Line will be left open, and cars run off the track as usual.

It is well enough for the public and legislators to caution companies to "beware," and "take heed," yet these casualties will occur, which result in severe contusions, broken limbs, burns, bruises, &c.

The Mexican Mustang Liniment,

Upon such occasions, is invaluable ! The wonderful effects of this soothing healing preparation have induced many, who have tried it, to always carry a bottle of it with them when they are travelling.

Frequent tests have proven it to be efficacious in curing Rheumatism, Piles, Scrofulous diseases, Cancers, Ulcers, Old Sores, Neuralgia, Toothache, Earache, &c., Burns, Ring-bone, Spavin, Sprains, Cracked Heels, Chafes, Galls, &c., on *Horses and other animals.* It is external in its application, and we GUARANTEE it to cure PERMANENTLY in every case for which we recommend it.

Many Physicians use it because they can depend upon it—so can their patients.

For sale by all Druggists and Livery stable Keepers.

Say they will have it, and will not be satisfied without it, after giving it a fair trial. Therefore we say to travellers, upon highways and byways use *the Mustang Liniment !* It has become so thoroughly introduced throughout the United States, British Possessions, and West Indies, that it is almost impossible to step out of doors in any place without beholding the gay banner of the "Mustang."

The prices are as follows:—25 cents, 50 cents, and $1 per bottle ; the 50 cent being three times as large as the 25 cent size, and the $1 size nearly three times as large as the 50 cent size, so that the large bottles are cheapest.

One of RADWAY'S REGULATORS is superior, in point of medical strength and efficacy, to six of the most popular and best approved Cathartic Pills.

All Purgative or Cathartic Pills are made from the crude mineral drugs, consequently the heart and active principles are combined together, and the pills are made up of this common mass, so that one of six pills the purchaser intends to swallow, the deadly and truly medical virtues of the same would not make more than *two* pills. Every chemist well knows that out of the crude materials of drugs, roots, barks, barks, plants, &c., there is only a yield of one tenth of medical virtue. We seriously believe that more deaths are caused by overloading the system with useless physic, than by any single disease. No medicine should be given to a patient than what is necessary to produce the desired effect, and to overload the system with useless drugs is not only cheking the action of active virtues, but is inflicting serious labour upon the already shattered constitution.

R. R. R. Remedies are based upon this principle —there is as much difference, in point of strength and efficacy, between *Radway's Regulators* and all other Cathartic Pills, as there is between quinine and common bark, or morphine and opium.

RADWAY'S REGULATORS, therefore, are the best pills for the sick to take, one being sufficient in all ordinary difficulties, and two possessing a greater and better power than any six of the most approved pills heretofore in use.

RADWAY'S REGULATORS are a certain cure for Costiveness, Indigestion, Liver Complaint, Kidney Complaint, Jaundice, Ague, Nervousness, Dyspepsia, Melancholy, Diseases of the Bladder. FEMALE DIFFICULTIES.—Leuchorrhœa, Fleur Albus, Whites, and Irregularities of all kinds. BILIOUS DISEASES. —Bile on the Stomach, Sick Colic, Enlargement of the Spleen, and all Chronic Affections of the Liver and Kidneys.

RADWAY'S REGULATORS are most carefully prepared from extracts and gums of trees, plants, roots, and herbs. There are no pills in use that will act upon the Liver, Pancreas, Bowels, the Salivary Glands and Kidneys, without making the constitution as the R. R. REGULATORS. No pills can be taken for any length of time with the same safety to the constitution; for, instead of debilitating the system by powerful and drastic purging, they act pleasantly upon the bowels, and impart strength to every nerve and tissue of the body.

One of the REGULATORS, taken on going to bed, will insure a regular and healthy discharge from the bowels in the morning. In cases where eight or ten of the REGULATORS are used for free evacuations, two or three of the REGULATORS are sufficient.

NO CALOMEL

or other poisonous drug enters their composition—they are entirely vegetable. They may be safely taken, elegantly coated with a medicinal gum, are perfectly tasteless, and free from smell. No person will feel any disagreeable symptoms from taking a dose of REGULATORS.

CAUTION.

There is a counterfeit Ready Relief in the market; the labels are very similar. The bottle or box is genuine. Purchase only of authorized agents, and inquire of the person you purchase from if they know it to be genuine. If you do not find Radway & Co. name in fifteen minutes, send to the label of the bottle you purchase, and inform us from whom you purchased.

DR. HOOFLAND'S CELEBRATED GERMAN BITTERS,

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and its allied glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, withal, safe, certain and pleasant.

Read and be Convinced.

The "Philadelphia Saturday Gazette," says of Dr. Hoofland's German Bitters.

"It is seldom that we recommend what are termed Patent Medicines, to the columns, and the patronage of our readers; and therefore when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not making use of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty work of mischief. But this medicine has long established, universally prized, and which has met the hearty approval of the faculty itself."

"Scott's Weekly," said, Aug. 25—

"Dr. Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. Persons of debilitated habits making use of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty work of mischief, Dr. Hoofland's
