Jean O'Donnell, Marie Duffy and Margaret Roach represented the Vernon River team. Joseph Beagan, Anna Kilbride and Thomas Beagan were the speakers for Johnston's River.

Ronnice MacInnis of Cherry Valley was chairman. Judges were: Thomas MacKenna, Mrs. MacKenna and Joseph McIsaac. The report of the judges was presented by Mr. MacKenna.

Fifteen teams are entered in the competition. There are seven from Prince County and four from each of the other two counties.

There are no dates set as yet for the remaining debates in the series nor for the provincial finals.

Following Monday's debate a splendid luncheon was served to the speakers and officials by the ladies of Vernon River.

Georgetown and Vicinity

Mrs. John Dicks is spending several weeks visiting in Charlottetown, where she is the guest of her son-in-law and daughter, Mr. and Mrs. Gordon Livingstone.

Friends of Mrs. Frank Lavander are pleased to hear that she has returned to her home after undergoing an operation in the Charlottetown Hospital.

A large number of fans from Georgetown motored to the City on Saturday night where they attended the first game of the Islanders-St. Mary's series. Needless to say they enjoyed the game very much and liked the brand of hockey dished up by those two teams.

Pte. Ivan Stewart of the Canadian Army, permanent force, stationed in Ontario arrived home on Saturday on leave, which he will spend with his parents, Mr. and Mrs. A. H. Stewart. When his leave is complete, Ivan is to take a course at Fort Lewis in Washington State, U. S. A.

If current reports are true the Maritime Electric Company will extend its pole line this summer from Poole's Garage, on the main Georgetown highway to the "Flat Roof House" turn and on into Cardigan. The line now runs across country to Cardigan. If this is to be done every effort should be brought to bear on the Company and the Board of Public Utilities to continue this line into Georgetown. At present we are served by cable, under the harbour from Lower Montague. This cable is old and a break during certain seasons could deprive us of electricity for a long period of time. The company during the past few years has extended its lines to new districts and many feel that before new areas are serviced, that the Town of Georgetown should be linked up by a line running along the main highway. Surely this could not be looked upon as an unreasonable request, in view of existing conditions.
