Former S'side Banker Is Fatally Injured In USA

—Word was received in Summerside yesterday by Mrs. J. W. Lecky of the death in Jacksonville, Florida of Mr. S. G. Merriam following an automobile accident there several days ago. Mr. Merriam, who was manager of the Royal Bank of Canada for some years previous to Mr. A. S. Hopkins, was retired from the banking service and at the time of his fatal car accident had been vacationing with Mrs. Merriam in Florida.

Details of the accident were not available but it is understood that Mr. and Mrs. Merriam had been driving with a friend of the family, Dr. Chipman of Wolfville, N.S. As a result of the accident Mr. Merriam suffered severe spinal injuries and Mrs. Merriam severe shock. His many friends and business associates had hoped that his injuries were not of a fatal nature but word of his death reached Summerside yesterday.

While in Summerside the late Mr. Merriam was active in many community projects and organizations. He was a member of the Masonic Lodge, the Rotary Club, the Board of Trade, Curling Club and Golf Club. Here he made a host of friends who remember him as a fine public spirited citizen willing to lend his time and talents to assist any project for the betterment of the community.

He leaves to mourn, his wife Eleanor and one son, Dr. Richard Merriam of Middleton, N.S.

The remains will arrive in Wolfville for the funeral which will be held there on Monday next.

Alberton

At the Alberton Curling Club card party on Tuesday first prizes in bridge were awarded to Mrs. James Hodgson and Mr. J. H. Myrick with the consolation prize going to Mrs. Albert Clarke. Mrs. Hunter Weeks and Mr. Charles Johnston had the highest scores in auction. Consolation prizes were presented to Mrs. Arthur Wilkie and Mr. Hunter Weeks. In charge of refreshments were, Mrs. Albert Clarke, Mrs. Maurice Perry, Mrs. Clayton Tavers, Mrs. Heber Ramsay, Mrs. Hilton Barbour, Mrs. Eldon Miller and Miss Beth Waugh.

The United Church parsonage at Alberton was the scene of a pretty wedding Wednesday evening, Feb. 16th, when Oressa Mae, daughter of Mr. and Mrs. Lyle Brown of Fortune Cove was united in marriage to Alden Samuel Metherall, son of Mr. Arthur Metherall and the late Lulu Wilkie Metherall of Mill River East. They were attended by Mr. and Mrs. Erskine Murray of Fortune Cove. The ceremony was performed by Rev. Murray Gardner and it is of interest to note that this was the first marriage to be solemnized in the new Alberton parsonage. Mr. and Mrs. Metherall will reside in Mill River East.

Mr. E. Gerald Rooney of Alberton has opened a complete funeral service for the West Prince area. Mr. Rooney studied at the Canadian School of Embalming in Toronto, Zinks Funeral Service in Dartmouth, N.S., and two other leading funeral homes in Toronto. At a later date he plans to acquire premises for a funeral home at Alberton.

Sentenced For Jail Break

—Leonard Philip Thibeau, 28, of Kensington was sentenced to two years in the Dorchester Penitentiary and John Edward Murphy, 24, of Freetown to twelve months in the Prince County Jail by His Honor Judge W. E. Darby in County Court Judge's Criminal Court yesterday, after both pleaded guilty to a charge of escaping from custody.

Thibeau has a record of several previous convictions and has already served a term in the penitentiary.

The pair escaped from the Prince County Jail on January 13th. 1955, while awaiting trial on a charge of theft from the store of MacKenzie and Company in Kensington on the night of December 28th, 1954.

Earlier this week, the accused men elected trial by jury on the theft charge and are now awaiting the next sitting of the Supreme Court. They also face a charge of breaking, entering and theft from Auld's store in Freetown on the night of January 13th.

Makes Strong

of operation is not being done in the Province and the cost of sending a child to Montreal was very great. He made reference to the Speech from the Throne wherein it was noted that provision was being made for the expansion of facilities at the Sanatorium to look after congenital deformities.

"I would make the suggestion that the Government, in whom I have every confidence, make a grant for a year or two, I believe it would be a better thing than giving $3,000 to a hockey club. Is it better to promote sport or crippled children"? he asked.

Speaking of the Red Cross Dr. MacMillan said it was the greatest humanitarian organization in the world and the record of the Canadian Red Cross remains unchallenged. He went on to show that at the outbreak of World War II, the Canadian Red Cross was in need of a half a million dollars. The United States organization was willing to lend the Canadians that amount, "But typical of Canadian independence, we refused." Continuing the Doctor related how Mr. Jackson Dodds made an appeal to the chartered banks of Canada and in a short time the money was there.

"That was in war time" added Dr. MacMillan, "when our pledge was to look after the services first and civilians were taken care of in cases of extreme emergency. But now we are in peace and the need is perhaps greater than it ever was."

BLOOD TRANSFUSIONS

In referring to the Blood Transfusion service, Dr. MacMillan told the House that this service is being provided to all hospitals free of charge. "What a difference to the time when people were required to hunt up all the relatives they could find to get blood for a transfusion or in some cases pay as high as $25." He further pointed out that if all the blood used in Island hospitals during the past year were charged for at the rate of $25 a bottle the cost would be $84,000. "We are asking for only $27,000 in this years campaign and I hope that the response will be generous." He was grateful he said for the $5,000 grant which the Government makes annually to the Blood Donor service.

Treatment to 314 crippled children was carried on by the Provincial Red Cross last year and a large number of garments made. Dr. MacMillan extended his thanks to the Minister of Highways for the erection of First Aid Posts and Cancer signs. He said there were 456 people treated at the first aid posts. Other statistics given in connection with Red Cross work in the Province revealed that 927 people were trained in 27 First Aid classes and 3,400 were given instruction in swimming and water safety.

EDUCATION

"A move in the right direction" was what Dr. MacMillan called Hon. Mr. Clark's announcement that an attempt would be made to have grades 9 and 10 taken out of the rural schools. Recalling his youth, he said that he had to walk from Clermont to Kensington to attend school. He felt that the more experienced and better qualified teachers were to be found in the larger centres and that the students attending were at a definite advantage.

He thought that the elimination of Latin from the school curriculum was a bad move and urged the Government to have this subject included in the course of studies. In this connection he pointed out the disadvantage to which a student is put when he attends Prince of Wales College without a knowledge of Latin. He said that according to the report of the Principal of Prince of Wales six months has to be spent by teachers reviewing elementary work that goes back as far as grade five and six.

"The record of Prince of Wales College is good," said Dr. MacMillan, "and it will stand comparison with any institution of its kind in Canada". He recalled that when he attended McGill University it was an assumed fact that if the student came from P.W.C., his background was good. Continuing, he said, "it is a fine institution and deserves all the support we can give it."

FLUORIDATION

"I am not going to advise the City to introduce fluoridation of water", Dr. MacMillan said, "but I am convinced of its benefits and there is uncontradictable evidence to show that it has been beneficial in the areas where it has been tried." He pointed out that it has the endorsement of the Canadian Medical Association and the Canadian Dental Association as well as their American counterparts and there is nothing to indicate that used in the right proportion it would be harmful to anyone.

The Doctor was disturbed about the advice received from the Mayor of Yarmouth who advised against fluoridation. "I would like to tell that gentleman — and I will tell him to his face if I see him—that there are people in Charlottetown who know just as much about this matter as he does."

Dr. MacMillan noted with regret, the passing during the year, of the Late R. H. Rogers. "He was for many years Superintendent of Education, always devoting his talents and ability to the things that were worth while. As a Red Cross worker and counsellor he introduced the work into our schools so that today we have more schools belonging to the Red Cross than any other country of the world."

Personals

—Friends and relatives of Mrs. Heath Clark of North Bedeque will be sorry to hear she has entered the P. E. I. Hospital for an operation. All wish her a speedy recovery.

—Mrs. Russell MacDonald, Cambridge St., is a patient in the Prince County Hospital, having undergone an operation on Tuesday. Her many friends wish her a good recovery.

Baptist WMS Entertained

—Members of the Laura Bain Missionary Society of the Summerside Baptist Church were hostesses to the W.M.S. this week for the February meeting at the home of Mrs. C. B. Jelly.

The president, Mrs. Roy Lidstone conducted the devotions which opened with the singing of the hymn "Love Divine" followed by the Scripture lesson in Romans 15. The meditation on Christian love preceded a vocal solo "One Is Missing" by Miss Ruth Simmons.

The singing of the hymn "Wonderful Love" was followed by prayer.

During the study period a quiz on India was conducted by Mrs. William Meggison; an article entitled "Christmas In India" was read by Mrs. Harry Crossman; the life history of two new missionaries to India, Mr. and Mrs. Douglas Moore, was outlined by Mrs. Frank Jenkins, and a letter of farewell from Dr. and Mrs. Ben Gullison, who have been on furlough prior to their departure for India was read by Mrs. J. H. Leuty. Mrs. Clarence Mercer, on behalf of the group, made a presentation to Mrs. Jelly for the use of her home for the monthly meetings and other courtesies extended to the society.

Refreshments were served with Mrs. Elmer Newson as convener.

Mrs. Jack MacLeod, president of the visiting group, thanked the society for a most interesting and edifying evening.

S'side Y's Men's Meeting

—All members of the Summerside Y's Men's Club were present at the Green Street Y Center last night for a hundred per cent meeting.

Y's Ralph MacFarlane called for a report on the sale of booster license plates which showed that this project is still steadily progressing.

Y's Roy Boates, as co-chairman of the coming radio auction, reported that donations of goods received to date would indicate from five to six hundred items ready to be listed.

A recommendation from the club executive that the club donate $25.00 to the Musical Festival scholarship fund was passed by the club.

The program for the evening consisted of a film shown by the world outlook committee entitled "Aborigines Of The Sea Coast", on the customs and life of aborigines in Arnhem land, Australia.

Chairman for the meeting was Y's John Ellis with Y's Fred Bingham as finesmaster and Y's Wendell Muttart acting as song leader.

Guests present were Herman Bollman and Keith Hobson, the last mentioned being introduced as a new member.

Freetown Wins Series Opener

Freetown Royals took a three-game lead over Schurman's Eagles of Summerside in the first game of a home and home intermediate "C" series, played at Raceway Stadium last night. The final score was 7-4. The second game will be played in Bedeque rink tonight.

The Freetown team had a big edge in play in the first period and skated off the ice with a 4-0 lead. Schurman's came back to outscore the Royals 2-1 in the sandwich session, and hold them even at two goals apiece in the final frame. Lefurgey in Schurman's net was called on to handle 32 stops, however as compared to 8 by Reeves in the Freetown net.

Willis Mill was the leading sniper for Freetown, getting three goals and one assist; Des Roberts shot two counters, and MacMurdo and Zeke Roberts got the others. Walter Campbell, Freetown rearguardsman had three assists. Reg. Phillips led the Schurman attack with two goals, and Ralph Champion and Eric Campbell scored one each.

Referees Vance Harris and Walter Simmons handed out eight penalties, all minor, five of them going to Freetown.

Albany Wins Series From Borden 17-12

In the second and final game of Intermediate C hockey playoffs between Borden Nationals and Albany Saint Pats, played in Borden Rink last night, Albany defeated Borden by a score of 8 to 5, taking the series by a total of 17 to 12.

For Albany Noonan counted for three goals, Cameron two, Howatt, Dawson and Cutcliffe getting singletons.

Borden goals were by W. MacFadyen two, Murphy, Carruthers, MacFarlane one each.

Referees were Lawlor and Gorveatt.

Springfield Wins Series

—Springfield won their intermediate "C" series with Kensington at the Kensington rink last night taking the second game 4-2, after tying the first encounter 4-all. L. A. Mann, Billy Thibeau, Eric Sinclair and George Watson each got a goal for Springfield, and Brent and Leaman Coles shot the two Kensington tallies. Referees Fred Semple and Alton Bell handed out eleven penalties, seven going to Springfield.

Horse Races Scheduled For S'side Saturday

—Two classes of horse racing on the ice at Summerside harbor is scheduled for tomorrow, Saturday afternoon.

Ice racing, which seems to hold a special fascination for almost everyone, has been a popular pastime at Summerside each winter whenever ice and weather conditions permitted.

The races are held on the ice at the east of Summerside, and Saturday's races are scheduled to get underway at 2 p.m.

Last evening nine horses had been entered in two classes, but other classes will be added if further entries are received, and one of the sponsors of the race said last evening that entries will be taken and horses classified on the ice right up until race time on Saturday.

The horses which are entered in the two classes already listed are:

"Class A" — Dick Erla, Laddie Dale, Judy's Firl and Mannister Direct.

"Class B" — Pitt's Boy, Frisco Flag, Lena's Bob, Ten Spot and Kitamat Kitty.

ing trips to desert fortresses with information-gathering nights in the drinking dens of the hot Mediterranean cities.

As the pace began to tell on Lady Marye, Alexander continued the quest alone. She returned to London shortly before he located Fenton.

Alexander arranged a rendezvous with Fenton, who dashed for the car Alexander had waiting. Over back routes across the sandy wastes the two men headed for a small port where smugglers were waiting with the small boat that finally carried them to safety.

Diplomatic observers feel there is not likely to be any serious Franco-British breach as a result of the exploit.

Farm Products And Prices

DAIRYING

The price of butter on the Halifax and St. John markets continues the same as that of previous weeks; the wholesale price being quoted at 63c for first grade, one and two-pound prints delivered; local jobbing to retail stores 65c. In this Province the local jobbing price is also 65c delivered, and the wholesale price for prints is the same as that of Halifax and St. John, delivered.

Montreal current receipts are quoted at 61c for first grade solids, wholesale 61¼c - 61½; Toronto at 61c - 61¼c.

The manufacture of butter in this Province for the week ending February 5, 1955, was 45,821 pounds, compared with 58,453 pounds for the same week last year, which is a decrease of 12,632 puonds or 21.6%. The total decrease in butter production during the months of November and December, 1954, and January 1955, in the Maritimes and Quebec totalled 1,153,000 pounds below the same months the previous year. This results in a greater out-of-storage movement than that of last year.

On January 1, 1955, the total stocks of butter in Nova Scotia, New Brunswick, and Prince Edward Island amounted to 5,413,000 pounds, compared with 3,520,000 pounds for the same period in 1954, which was an increase of 1,893,000 pounds. It is quite possible that this increase in the holding of stocks in the Maritimes will be reduced below that of last year, due to the greater decrease in production which is now taking place in this area.

EGGS AND POULTRY

The Egg and Poultry situation on Prince Edward Island is unchanged from our report of last week. Production is gradually increasing and the quality of the product continues to be good. Demand reported fairly good with no accumulation of surplus stock. Receipts moving out to other Atlantic Provinces with surplus, if any, going to Montreal.

A reminder to all concerned in the handling of eggs — First the producers. All eggs packed in cases at home should be placed in the tray, large end up, and not small end up as is often the case when eggs are brought in to the station. To the Graders. Grade the eggs from each individual or producer as you were taught at the Egg Grading Course, and do not be influenced by your employer or any one else. The station operator should see that the eggs are packed in clean, dry, ordorless cases well made.

Charlottetown Prices — Dealers quotations to producers advanced one cent on AL and two cents on AM. Lower grades unchanged. Dealers quoting for ungraded eggs: AL 30, AM 27, AS 22, B 20, C 15; Graded pack delivered in Charlottetown: AL 36, AM 32, AS 27, B 25, C 20; To Retailers in cartons: AL 40-2, AM 37-8, AS 31; To Consumers: AL 45-50, AM 40-2, AS 36-7; Malpeque Prices-Ungraded: AL 30, AM 26, AS 22, B 20, C 13; Souris Prices-Ungraded: AL 29, AM 25, AS 20, B 20, C 15; O'Leary Prices -Ungraded: AL 28, AM 24, AS 17, B 17, C 12; Bedeque Prices-Ungraded: AL 31, AM 27, AS 21, B 22, C 17.

HONEY

There is a small quantity of the 1955 honey crop still available for sale at the wholesale price of $5.65 for 24 one-pound tins; $10.75 for 1 case of 24 two-pound tins. There is a brisk demand for this latter size.

The Secretary of the Beekeepers' Association of Prince Edward Island has sent letters to last year producers asking them to forward their orders for packaged bees. For the coming year the price of a two-pound package is $3.35, and orders must be in the hands of the Secretary, Box 369, Charlottetown, before March 15th. People interested in producing honey should address their inquiries to the Secretary.

POTATOES

The movement of potatoes continues slow with $1.40 per 75 pound bag, delivered at the car, being quoted at most centers in the Province — with $1.50 quoted at Borden, Carleton, and Albany. The market is dull and there is a feeling that this price may be lowered to $1.40. The seed demand is very slow, with not enough inquiries to establish a price.

FEEDS

The feed market is much the same as a week ago. Quotations on No. 1 Western feed oats, bulk, carlot delivered, are $2.73; No. 1 feed barley $2.85; and No. 6 Wheat at $2.95, all bulk carlot delivered. Very little local grain is being offered, and no steady price has been established.

LIVESTOCK

Prices of livestock at Moncton and Charlottetown have changed little since last week. Rail grade calf prices for "A" and "B" grades are revised upward—$2.00 on top end, making A and B's 23.00 to 31.00.

Following are the prices at Moncton and Charlottetown:

Hogs at Moncton: Grade A 27.00; B1 26.00; No. 1 sows 18.00; No. 2 sows 17.00; hot dressed weight delivered.

Hogs at Charlottetown: Grade A 26.00; B1 25.00; No. 1 sows 17.00; No. 2 sows 16.00; F.O.B. country points.

Heifers: Choice 16.75; Good 15.75; Medium 13.50 to 14.00; Common 11.00 to 13.00 Cows: Good 9.50; Medium 9.00; Common 8.00; Canners and Cutters 6.00 to 7.00. Bulls: Good 9.00; Medium 8.00; Common 7.50.

Cattle at Charlottetown: Delivered to plant. Steers: Choice 17.00; Good 16.00; Medium 13.00 to 15.00; Common 9.00 to 11.00. Heifers: Choice 16.00; Good 15.00; Medium 13.00 to 14.00; Common 8.00 to 10.00. Cows: Good 9.00 to 9.50; Medium 8.00 to 8.50; Common 6.50 to 7.50; Canners & Cutters 5.00 to 6.00 Bulls: Good 9.00 to 10.00; Medium 8.00 to 8.50; Common 6.00 to 7.00.

Calves at Moncton: Delivered to plant. Choice 18.00 to 19.00; Good 17.00 to 18.00; Medium 14.00 to 15.00; Common 12.00; Grassers 9.00 to 10.00.

Calves at Charlottetown: Delivered to plant. Good and Choice 17.00; Medium 15.00; Common 10.00 to 12.00; Grassers 7.00 to 9.00.

Te too, has been promoted to the rank of an Employment and Claims officer. During his service in Normandy he was severely wounded, losing part of his leg. His duties are in the Claims Examination and Preperation Section of the office. The re-classification of two other positions in the office has been recommended and it is expected that the upgrading will be carried out in the near future.

N. S. Temperance Federation Has 7 Complaints

HALIFAX (CP) — The Nova Scotia Temperance Federation in a brief to the provincial cabinet Wednesday asked for assurance the government's policy was based on the "principle of tapering off and gradually reducing the sale of strong drink."

The brief offered the government the federation's services "in any and every way" to curb the sale of liquor.

Rev. Abner J. Langley of the West End Baptist church presented the brief on behalf of the federation.

The brief listed seven complaints:

1. Brewers were getting free advertising by selling their cartons to grocers for five cents, half the ordinary price.

2. Doctors had been advised that new small bottles containing several ounces of liquor were for use of women.

DOUBT INTENTIONS

3. New regulations allowed sale and advertising of liquor on trains in Nova Scotia.

4. New regulations permitting sale of food in taverns, despite assurance by the government when taverns first opened that this would not be allowed.

5. Laxity in issuing liquor permits for clubs and lack of their proper supervision.

6. Failure to increase the number of liquor inspectors, thus allowing laxity in observation of existing laws.

7. The tardy discovery of private liquor agents canvassing for liquor contracts.

"Such happenings as these arouse in our minds occasional doubts as to the positive intention of the government," the brief said.
