Its contents include a calendar for 1892, table of tides, moon's changes, eclipses, fixed and moveable feasts, a directory of Local and Dominion officials, ecclesiastical and society matters, and a pronouncing handbook of words often mispronounced. It is a very complete work of the kind, and every one should have a copy.

FOR OVER FIFTY YEARS Mrs Winslow's Soothing Syrup has been used by millions of mothers for their children while cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best-known remedy for diarrhœa, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs Winslow's Soothing Syrup," and take no other kind. 1yr

TELEGRAPHIC NEWS.

SPECIAL DESPATCHES TO THE EXAMINER.

QUEBEC ELECTIONS.

Prospects of the Conservatives.

MONTREAL, Jan. 15.

Political circles throughout the Province are greatly animated, and it now looks as if the Desbouchervilles Cabinet would sweep the Province. Hon. Mr. Joly's refusal to endorse Mercier's regime has been the means of driving a great number of the old Liberals into ministerial ranks. The weakness of the Mercier party is shown by a lack of candidates willing to support the fallen count, while on the other hand the Conservative standard bearers in St. Antoine division, Hochelaga, Three Rivers, St. Maurice, Champlain, Richmond, Wolfe, Megantic, Pontiac, Montcalm, Terrebonne, Nicolet and several other divisions in the eastern part of the province have no opponents, and a great many of the above will be elected by acclamation.

Halifax Elections.

Kenny and Stairs in the Field

HALIFAX, Jan. 15.

The Halifax election is to take place on Feby. 4th.

At the Liberal-Conservative convention held yesterday Kenny and Stairs were nominated.

Victory in Glengarry.

An Increased Majority.

OTTAWA, Jan. 15.

McLennan's majority in Glengarry has been materially increased. The latest returns show 374 majority.

Separate Schools Defeat.

WINNIPEG, Jan. 15.

Separate schools have received a stunning blow in the election of Mr. J. D. Cameron, the Greenway candidate, who was returned for South Winnipeg, where there are a couple of hundred Roman Catholic voters.

The Stanley.

OTTAWA, Jan. 15.

The Marine Department have ordered the SS. Stanley, commencing to-day, to ply between Georgetown and Pictou.

Weather Bulletin.

TORONTO, Jan. 15.—10 a. m.

Strong winds or gales, northeast or northwest; cold weather with local snowfalls.

General Telegraphic News.

LONDON, Jan. 13.—Deganavioff, the notorious Anarchist, who has long been wanted by the police of several European capitals, was arrested in this city to-day upon suspicion of having been concerned in the manufacture of bombs, and in the spread of the literature seized by the police at Welsall recently.

MONTREAL, Jan. 13.—Another batch of letters of credit was unearthed to-day by the new Quebec government, by which the Mercier ministry pledged the credit of the province a year in advance to the extent of over three hundred thousand dollars. The credits range from two hundred to thirty thousand dollars, and many of them have been presented for payment, but returned on the ground of "no funds." The present government, it is stated, have a right to repudiate these amounts, and if they do the bankers and brokers will have no other resource than to sue Mercier and the other members of his administration who endorsed them. Should, however, the Desbouchervilles ministry decide to take them up, they will find a different matter to obtain the money, as the treasury of the province is practically empty.

OTTAWA, Jan. 13.—The election in Laval, necessary by the appointment of Mr. Ouimet as minister of public works, has been set for February 1st.

CAIRO, Jan. 13.—The Moayard, a powerful independent Arab paper hitherto opposed to English occupation of Egypt, now gratefully acknowledges the benefits derived from the occupation, and expresses the hope that it will be long continued. The paper admits the presence of the English frustrated foreign intrigue against the succession of Abbas Pacha, the consummation of which plot might have resulted in danger us disorders.

LONDON, Jan 13.—Two more men have been arrested in connection with the Walsall Anarchist conspiracy. Bail was refused.

LONDON, Jan. 13.—A despatch from Hong Kong says the steamer Namchow has foundered off Cupchi Point and 414 persons, including the European crew of the steamer, drowned.

OTTAWA, Jan. 13.—Owing to the dangerous illness of Mr. Burdett, M. P., for West Hastings the proceedings against him have been withdrawn. Smith, ex-M. P., will contest South Ontario, and Henderson will contest Halton in the Government interest.

MONCTON, Jan. 13.—A boy named Thibideau, 14 years of age, was killed on the Buctouche and Moncton railway, at a place called McDougall settlement, yesterday. He fell from the top of a loaded car that was being moved at the siding. One leg was cut off, and the body badly bruised. He lived some hours in great agony.

MONTREAL, Jan 13.—The way Mercierites run the Province may be gathered from the following story: A well known coal dealer having secured a fat contract to supply fuel for the Montreal Court House, was so delighted with the bargain that he supplied the winter's coal to Premier Mercier, to the Count's bro her Joseph, and to a lady friend of the latter.
