New Hospital, Care Home Seen Vital For Montague

MONTAGUE BUREAU OF THE GUARDIAN

The necessity of a new hospital of 50 beds and a convalescent or chronic care home was stressed at the annual meeting of the Kings County Memorial Hospital held Tuesday evening at the Beaver Club Montague.

The present hospital which is a 34-bed unit, staffed with four doctors, nine RN's and nine assistant nurses, has had considerable difficulty in handling all patients it was learned.

Dr. Preston MacIntyre, member of the board, stated it was very difficult to keep patient days down especially when there was no place in the area to take the overflow of chronic cases, and stressed the need for a chronic care unit. He also pointed out that when the time came to move into a new hospital that the present one could be an ideal convalescent home.

A new hospital of 50 beds will cost in excess of $750,000 it was stated and would take up to three years to complete even it started now. This new hospital would cost the district in the vicinity of $180,000 with an additional $100,000 to supply new equipment.

SITUATION WORSENING

The addition of extra doctors to the hospital has been necessitated by the increased number of patients and with a further increase in population expected due to the new industry at Georgetown and Montague the situation can only grow worse, the meeting expressed.

Reports were presented by the business manager Fred Norton who stressed the necessity of the annual hospital campaign to take care of the cost of equipment and supplies which do not come under the hospital services commission.

Mrs. Vera MacDonald, matron, reported for the ladies auxiliary of the hospital which had made a donation of a oxygen tent and other necessities.

Mrs. Florence Stewart reported for the nursery club; Mrs. A. C. MacKay for the Beaver Club both of which have contributed considerably during the year.

CHAIRMAN RESIGNS

Neil Hooley, chairman of the board, and who has been a member of the executive for the past 10 years, tendered his resignation. Mr. Hooley stated he was leaving the area and would not be able to carry on. He stated it was with considerable regret that he was moving from Montague but his business interests were in Charlottetown and he took the opportunity to thank all for their cooperation and assistance while chairman of the board.

He also outlined briefly the hospital situation, passing on his own opinion on just what was required for the area, stressing the need of more hospital space and a convalescent home.

Judge J. S. DesRoches, also a member of the board, expressed his appreciation and outlined to the meeting the value of Mr. Hooley and the untiring effort he put into the job. He also recommended that an appropriate gift of remembrance be purchased and presented to Mr. Hooley which was supported by Mrs. E. H. Stewart of the hospital auxiliary.

The two retiring members Dr. Preston MacIntyre and Richard MacLean were re-elected and Douglas McGowan, MLA, was appointed to the committee to bring it up to strength due to the resignation of the chairman. The official slate of officers will be appointed at the next meeting of the executive.

LOCAL BRIEFS

NO SWIM CLASSES

Word has been received from the Montague Water Safety Committee that it regrets that it will be unable to hold swimming classes in the Montague area this summer due to the fact that the regional high school bus that has previously been used in transporting the children is not available this year.

MRS. MacKAY'S CLASS

It was the Grade VI class of Mrs. Kimble MacKay at Parkdale school that won honorable mention in the district histories competition for pupils from Grades VI and VII. Mrs. MacKay's class was mentioned particularly because there are several classes in the grade at the Parkdale chool, it was explained.

Driver Found Negligent In Souris Man's Death

Percy Dunphy of Souris last night was found guilty of negligence in the operation of a motor vehicle, as a coroner's jury investigated the June 16 death of George Anthony Longaphie of Souris Line Road.

Evidence given at the inquest by seven witnesses disclosed Longaphie had died as the result of injuries received at an accident June 7 at the intersection of the Souris Line Road and the St. Catherines Road.

Witnesses testified to the fact that Percy Dunphy had been driving the car in which Longaphie was a passenger, and that the car had rolled "four or five times" when it went out of control on the left side of the highway after passing a car on a solid-lined curve.

Mr. Dunphy himself testified he had drunk some wine prior to the accident, which witnesses said occurred at about 10.30 p.m.

THROWN FROM CAR

According to the evidence, both Dunphy and Longaphie were thrown from the vehicle Dunphy, landed in a ditch, bleeding from facial cuts and in shock. Longaphie landed about 25 feet from the car, in a field. He was unconscious when eyewitnesses arrived, and a report from the Charlottetown Hospital, to which he had been taken, said he never regained consciousness.

The pathologist's report attributed Longaphie's death to brain bleeding and swelling, and a blood clot in the right lung. The hospital said he had had a dislocated hip, lacerated chin, fractured femur and ankle, and a possible fractured skull.

The RCMP officer who investigated reported there were "bad ruts in the centre of the road" at the spot where Dunphy had lost control of his vehicle.

Th following people testified at the inquest: Dr. Edward Kassner, Souris; Dr. Andres Aquino, provincial pathologist; Weston Blair Coffin, Kingsport; Joseph Pierce, Souris; Percy Dunphy, Souris; James Longaphie, Souris; and Cst. James M. Dunn, Souris detachment of RCMP.

JURORS

Jurors were: Melvin Douglas McKinnon, North River, foreman; Alden Angus Jarvis; 303 Fitzroy St.; Paul Eugene Flood, 53 Bayfield St.; Gordon Ernest Crabbe, Milton; Lorimer Dean Harris, 162 Belvedere Ave.; Parkdale; and Walter William Burhoe, 5 Beach St.

Coroner Dr. Allan MacMillan presided, and Deputy Attorney-General J. Arthur McGuigan represented the crown.

NEW MISSION

The Lutheran Church is to start a new mission in Trinidad.

Bucket Brigade Saves Building

PETERS ROAD — A dwelling here owned by Albert Horton was damaged by fire yesterday afternoon. The blaze broke out about 1 o'clock on the roof, possibly from sparks from a chimney fire.

Neighbrs gathered quickly and fromed a bucket brigade while an extension ladder aided greatly in their efforts. Despite a stiff wind, they held the flames in check, and appeared to be gaining the upper hand until the arrival of the Murray River Fire Department, from five miles away. Two lines of hose were laid from a tank truck and the outbreak extinguished.

Damage from fire was confined to a large section of one side of the roof. There was considerable water damage inside.

Mr. Horton was at work at other members of the family were at home.

As a precaution, some of the household goods were removed from the building in the early stages of the outbreak.
