MEETING AT MISCOUCHE.

A meeting called by the Conservative members of the District was held at Miscouche on Friday, the 8th inst. Mr. Ives having been called to the chair, briefly stated the object of the meeting. C. McLennan, Esq., one of the late Representatives, came forward and stated that as he had been honored with their confidence for the last four years, though having received little or no support from that part of the district, he felt it his duty to call the meeting and to render an account of his stewardship. Showed that he had used every endeavor to secure the local wants of the district, and defended his position with regard to Confederation. If he was returned would go to the House unpledged and support these measures only which he believed to be for the benefit of the country, and of the district in particular. Would vote for no scheme of Confederation unless sanctioned by the people at the polls.

John Haszard, Esq., next addressed the meeting, denounced the Government for the extravagant expenditure of the public money in useless delegations to all parts of the world, for mutilating the Education Act, which had resulted in closing nearly one-half of the English, and more than half of the Acadian schools on the Island. Late candidates had stated that Confederation was not before the country. Why then had the Government gone to the ground on this very question? Never believed British Government would force us in Confederation; but would submit a scheme which we could either accept or reject.

John A. McDonald, Esq., next came forward. Said he had little to say. Did not think it the duty of new candidates to find fault with old members. This was the duty of Electors. They all knew his principles with regard to Confederation and other measures. He intended to solicit their suffrages, hoped to have the privilege of addressing them on nomination day, and if returned would do his utmost to oppose Confederation and serve the best interests of the district.

D. Green, Esq., came next, he was charged by Mr. Haszard as being a Confederate. Defied him to show that Confederation was before the country. He had voted against the resolution moved by the Leader of the Government, and felt proud of it. In voting against that resolution, he voted for the preservation of the rights and privileges of the people. Government had no right to place it forever out of their power to accept at any future time, terms which they might believe to be advantageous. It was useless to say British Government had not power to take from us our constitution, he would fight to the death before he would be confederated by coercion. He had voted for Honorable Mr. Whelan's resolution. "That no scheme should be accepted unless referred to the people at the polls." Defended the action of the Government in sending for troops and building barracks. Had always worked for the interest of the district, and if returned would continue to do so.

The Hon. James Muirhead, Charles Green, Esq., and Mr. Lawson, each shortly addressed the Electors. Mr. Muirhead took the opportunity to thank them for the handsome support they had given him. Thought the old Education Act the best in the world; but needed ways and means to carry it out; teachers should be paid wholly from the Treasury; would levy additional tax of ½d. an acre on land for that purpose; required a board of Education in each County, and other alterations.

Charles Green, Esq., denounced extravagance of the Government; they had squandered the revenue and impoverished the country; complained that one-half of the revenue was spent in Charlottetown; this County had no public works, no roads, no bridges; electors had always been good Liberals; hoped they would continue to be so; do their duty manfully; and their candidates would be returned with one hundred majority.

The following resolutions were then submitted to the meeting, and passed:

Moved by D. J. Gillis, Esq., seconded by Mr. Hubert Gaudet, and

Resolved, That this meeting will not support or send any candidate or member to the next House of Assembly who will support or join in a Union with Canada, or the Provinces, on any terms, or will support the present Government, or any Government who will use or make such reckless and shameful expenditure of the public money, as the present one has done.

Moved by D. J. Gillis, Esq., seconded by John DeRoche, and

Resolved. That John Haszard and John Andrew McDonald, Esqs., be the two candidates to represent this District at the forthcoming election for the House of Assembly.

Mr. Ives having vacated the Chair, and D. J. Gillis, Esq., being called thereto, a vote of thanks was unanimously passed to Mr. Ives for his able and impartial presidence—when the meeting adjourned.

H. J. RICHARDSON, Sec'y.

Universal remedy.—"Brown's Bronchial Troches" for coughs, colds, and Bronchial affections, now stands the first in public favor and confidence; this result has been acquired by a test of many years. Its merits and extensive use have caused the Troches to be counterfeited, and we would caution purchasers to be on their guard against worthless imitations.

An effectual worm medicine.—The combination of ingredients used in making Brown's Vermifuge Comfits is such as to give the best possible effect with safety.

I can certify that I was troubled with Salt Rheum for three years, and tried many prescriptions, but all proved of no avail. But having used J. B. Fitch's Golden Ointment was perfectly cured; and have much pleasure in recommending it to the public:

GENTLEMEN:—

The period has again nearly arrived when you will be called upon to exercise your Elective Franchise, in returning Candidates to represent you in the Lower House of Assembly.

Upon the three last occasions, you did me the honor to place me in that position.
