HEALTH AND CHEERFULNESS!

PHILOSOPHY AND FACT.

THE BLOOD IS THE LIFE-SUSTAINING AGENT. It furnishes the components of the brain, muscle, nerve, and arteries and veins its distributors, and the intestines the channels through which the waste matter is eliminated.

HOLLOWAY'S PILLS.

The Exciting Cause of Sickness. The blood is the life-sustaining agent. It furnishes the components of the brain, muscle, nerve, and arteries and veins its distributors, and the intestines the channels through which the waste matter is eliminated.

The National Complaint.

Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and the primary source of its origin is the stomach.

A Word to Females.

The local debility and irregularities which are the especial ailment of the weaker sex, and which, when neglected, always shorten life, are not cured by medicine, but prevented for the time to come, by a course of this mild but thorough alternative.

Dropsical Swellings and Turn of Life.

This is the most distressing period in woman's history. It destroys thousands of the noblest of our human race.

Diseases of the Head and Heart.

Why are these diseases so fatal? The answer is self-evident. The first and most important cause is the impure blood.

Nervous Disorders.

Any derangement of these delicate organs affects seriously both the body and the mind. The nervous system pervades and connects them.

Holloway's Pills are the best remedy known in the world for the following diseases:
