RESERVE NEXT week for Births, Deaths, Marriages

God knew that you were suffering. The hills were hard to climb. So he closed your weary eyelids. And whispered Please be thine. I often sit and think of you. The things you used to say, And wondered why you had to die. Without a chance to say goodbye. Though out of sight, you are ever still missed, still loved, still mine. You will live within my memory. Until the end of time. Always loved and sadly missed by wife, Sadie.
