FOR HALIFAX.—The steamer Princess Beatrice is announced to sail from this port for Halifax at midnight.

GO AND do likewise. If your whiskers are grizzly and unbecoming use Buckingham's Dye, and they will look as when you were younger.

DIED FROM HER INJURIES.—The Halifax papers report that Mrs. James Wonnacott of that city, who was severely burnt some time ago, died from the effect of her injuries on Monday.

DROWNED.—A man named McNeill, belonging to Grand River, was drowned from a schooner in Alberton harbor last evening. He was knocked overboard by a blow from the boom.

THE M. A. STARR.—The M. A. Starr arrived here yesterday afternoon, at four o'clock. She had a part cargo of eggs and several passengers. She will sail again some time to-night.

POSTPONED.—The great match race between Howatt's "Charley H." and Essory's "Albert E.," which was to have taken place on Thursday next, at Summerside Driving Park, has been indefinitely postponed.

Y. M. C. A.—An adjourned meeting of the active members of the Y. M. C. A. will be held to-morrow (Thursday) evening, at 8 o'clock. Business: Election of delegates to convention. A full attendance requested.—R. M. Barratt, Secretary.

RAILWAY PICNIC.—The railway employes' picnic, to have been held at Freetown on the 10th August, will be held at the same place on Tuesday, 6th August. Rev. James E. Macdonald holds a picnic at North Wiltshire on the 10th. Hence the change.

THE evils resulting from habitual costiveness are many and serious; but the use of harsh, drastic purgatives is quite as dangerous. In Ayer's pills, however, the patient has a mild but effective aperient, superior to all others, especially for family use.

FOR MONTREAL.—The SS. Bonavista arrived here about 7 o'clock this morning. Owing to the prevalence of a heavy gale, she had to leave with a small cargo and the following passengers: Captain McLeod, Mrs McLeod, Mrs Carr, Minnie Carr, Mr Deroches, Mrs Deroches, Wm Deroches, A Deroches, F Desroches. She left for Sydney and St. John's, Nfld, this afternoon.

UNDER ARREST.—A man named McLellan was lodged in Prince County jail yesterday, charged with stealing a grip-sack from a passenger on the train named Smith. Smith had two grip-sacks, and McLellan seems to have been possessed of the communistic idea that it would be no harm to make a fair division of the property. Smith could not see the matter in this light, and continued his search for the missing "grip" until he found it.

The Schooner Capture.

SAN FRANCISCO, Cal., July 30.

The steamer Dora arrived here from Behring Sea last night. She brings detailed news of the capture of the British sealer Black Diamond by the United States Revenue Cutter Richard Rush on July 11th. The Rush overtook the Black Diamond and ordered her to heave to. The Captain of the Black Diamond refused. The Commander of the Rush ordered the lowering of the ports and the running out of the guns which caused the schooner to heave to. Captain Shepard and Lieut. Tuttle boarded the English craft and asked for her papers. The officers of the Black Diamond offered no armed resistance, but refused to deliver the ship's papers.

Capt. Shepard broke open the cabin, forced the hinges of the strong box and the captain's chest, securing the papers. A search of the vessel disclosed 103 seal skins taken in Behring Sea. Capt. Shepard placed a non-commissioned officer in charge of the Black Diamond, and ordered the vessel to be taken to Sitka to await further instructions. The captain of the Black Diamond made the statement when in Victoria, that he was ordered to pay no attention in case he was overtaken by the Rush and requested to heave to. He said he would not have surrendered if the Rush had had an inferior force to his own. On July 13th the schooner Tecumseh was boarded by Captain Shepard, but no arrests were made. The skins on board were captured in the Pacific. A passenger on the Dora said that "on the way from St. Paul's Island he saw six sealers with the Rush closely in pursuit, and that undoubtedly by this time she has made additional captures."

Severe Storms.

NEW YORK, July 30.

Unusually severe storms occurred in this vicinity to-day and this evening. Coddington's dam on Stony Brook, at Plainfield, N. J., gave away, washing away many barns and other buildings. Somerset Street, Plainfield, is completely flooded. Many small buildings are demolished. The post office and several other buildings were carried away at South Orange. In Orange Valley the water is up to second story windows. No lives are lost as far as known. The Orange water reservoir dam is considered unsafe. Beneath it people are preparing to move to high ground. This morning a cyclone struck Ellis Comers, Ulster County, destroying a large amount of property and injuring a number of persons. The damage in Essex County, N. J., will will exceed $100,009. Reports from Morris County intimate greater damage there.

The Parnell Fund Again.

DUBLIN, July 30.

The *Express* (independent Conservative) says that the surplus of the Parnell indemnity fund exceeds £40,000. The accounts show that only £20,000 have been used for legal expenses in connection with the special commission. The remainder, the *Express* says, cannot legally be distributed among the evicted tenants, and it therefore ought to be returned to the subscribers to the fund.

Making Further Efforts.

PATTERSON, Ont., July 30.

English capitalists are said to be making efforts to obtain control of the various locomotive works and silk factories here in addition to the various brewing interests already secured. There is a report that a syndicate of American capitalsts has been formed for the establishment of breweries in opposition to the English brewery syndicate.

The Privilege Withdrawn.

OTTAWA, July 30.

The Dominion Government have decided to withdraw the privilege of loading and repacking fish in bond, hitherto enjoyed by the French fishermen. It is contended that this withdrawal will be regarded as an unfriendly act by the French Government, and will spoil Sir Charles Tupper's efforts to negotiate a commercial treaty with France.

On The Move.

OTTAWA, July 29.

Mr. Tupper, Minister of Marine, left for Nova Scotia to-day. He will make an inspection of the working of the fishery protective fleet on the Atlantic Coast, and will also inspect and investigate a number of other fishery and marine matters.

The Capture Confirmed.

OTTAWA, July 28.

Telegrams received by the Government to-day, from British Columbia, confirm the statement that the British schooner Black Diamond has been seized by a United States cruiser in Behring Sea.

A Cabinet Council.

OTTAWA, July 30.

A cabinet council was held to-day, but no business of importance was done.

Constipation

Demands prompt treatment. The results of neglect may be serious. Avoid all harsh and drastic purgatives, the tendency of which is to weaken the bowels. **The best remedy is Ayer's Pills.** Being purely vegetable, their action is prompt and their effect always beneficial. They are an admirable Liver and After-dinner pill, and everywhere endorsed by the profession.

"Ayer's Pills are highly and universally spoken of by the people about here. I make daily use of them in my practice."—Dr. I. E. Fowler, Bridgeport, Conn.

"I can recommend Ayer's Pills above all others, having long proved their value as a cathartic for myself and family."—J. T. Hess, Leithsville, Pa.

"For several years Ayer's Pills have been used in my family. We find them an

Effective Remedy

for constipation and indigestion, and are never without them in the house."—Moses Grenier, Lowell, Mass.

"I have used Ayer's Pills, for liver troubles and indigestion, during many years, and have always found them prompt and efficient in their action."—L. N. Smith, Utica, N. Y.

"I suffered from constipation which assumed such an obstinate form that I feared it would cause a stoppage of the bowels. Two boxes of Ayer's Pills effected a complete cure."—D. Burke, Saco, Me.

"I have used Ayer's Pills for the past thirty years and consider them an invaluable family medicine. I know of no better remedy for liver troubles, and have always found them a prompt cure for dyspepsia."—James Quinn, 90 Middle st., Hartford, Conn.

"Having been troubled with costiveness, which seems inevitable with persons of sedentary habits, I have tried Ayer's Pills, hoping for relief. I am glad to say that they have served me better than any other medicine. I arrive at this conclusion only after a faithful trial of their merits."—Samuel T. Jones, Oak st., Boston, Mass.
