We have genuine Suburbanite retreads!

There is only *one* genuine Suburbanite tread —*it's patented.* There are imitations, but they do not give you famous Goodyear quality or proven Suburbanite performance.

We have been licensed by Goodyear to produce Suburbanite Retreads.

Here's what makes the Suburbanite Canada's fastest selling winter tire

4 rows of varied-sized cleats are angled to cut into snow. 1856 sharp edges grab, take hold, boost you along through loose snow, packed snow, even ice.

No "snow tire hum" either. You get a smooth, quiet ride even on bare pavement.

Come in and let us show you how the patented features of the Suburbanite by Goodyear make it the only logical winter tire tread!
