Yesterday's Answer

DAILY CRYPTOQUOTE—Here's how to work it:
A X Y D L B A X R
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation
