the following—
From L. J. RACINE, Esq.,
of La Miniere, Montreal. "Having experienced the
most gratifying results from the use of Dr. Wistar's
Cough in a very serious case, and knowing the
great confidence which I have in its efficacy. For nine
months I was severely afflicted with a severe and
obstinate cough, accompanied with acute pain in the
side, which did not yield to any other remedy. My
symptoms increased alarmingly, and so reduced was I
that I could not walk, and was unable to get out of
bed. I was advised to try the Balsam in question, and
after taking the same, from which I found immediate relief,
I was completely restored to health. I have used the Balsam in my
family, and administered to my children, with the happiest
results. I am sure that such medicine as the Bal-
sam can be procured in its favor. It is a preparation
which has only to be tried to be acknowledged as the
remedy par excellence."

I was completely restored to health. I have used the Balsam in my
family, and administered to my children, with the happiest
results. I am sure that such medicine as the Bal-
sam can be procured in its favor. It is a preparation
which has only to be tried to be acknowledged as the
remedy par excellence."

FROM L. J. RACINE, Esq.,
of La Miniere, Montreal. "Having experienced the
most gratifying results from the use of Dr. Wistar's
Cough in a very serious case, and knowing the
great confidence which I have in its efficacy. For nine
months I was severely afflicted with a severe and
obstinate cough, accompanied with acute pain in the
side, which did not yield to any other remedy. My
symptoms increased alarmingly, and so reduced was I
that I could not walk, and was unable to get out of
bed. I was advised to try the Balsam in question, and
after taking the same, from which I found immediate relief,
I was completely restored to health. I have used the Balsam in my
family, and administered to my children, with the happiest
results. I am sure that such medicine as the Bal-
