NO MORE SCIATICA.

Valentine Fisher is Cured of His Troubles to have no return—He is doing a flourishing Fruit Tree Business.

COLLINGWOOD, Sept. 10.—About a year ago, a telegraphic despatch from here told how Valentine Fisher, who had suffered for years from sciatica, and who was so crippled with the disease as to be unable to wory and was generally thought at death's door, was cured by Dodd's Kidney Pills. That the story was no fiction was known by all citizens of this place. That the cure is a permanent one is now just as generally known, for since his recovery, Mr. Fisher has been hard at work selling fruit trees for Chase Bros., of Rochester, N. Y., and has travelled the whole of this section for this firm with most gratifying success.

The versatility and verbosity of gab which says the same thing in many ways is often mistaken for oratory.

Peculiar To Itself.

Hood's Sarsaparilla is peculiar to itself, in a strictly medicinal sense, in three important particulars, viz: first, in the combination of remedial agents used; second, in the proportion in which they are mixed; third, in the process by which the active curative properties of the preparation are secured. These three important points make Hood's Sarsaparilla peculiar in its medicinal merit, as it accomplishes cures hitherto unknown.

But it is not what we say but what Hood's Sarsaparilla does, that tells the story. What Hood's Sarsaparilla has done for others is reason for confidence that it is the medicine for you.

OTTAWA, February 21st.

Messrs. Putner Emulsion Co., of Halifax N. S., Gentlemen—I have been troubled with weakness of the lungs and general debility during the past two years, so much so as to cause me considerable anxiety, and hearing that your Emulsion was highly recommended by the medical and other reliable authorities, I concluded to give it a fair trial. I have taken about seven of your fifty-cent bottles, and now find that my general health is much improved, my lungs and chest are a great deal stronger, and I have increased in weight twelve pounds, and feel pleased to be able to thus testify to the merits of your excellent Emulsion, which I can heartily recommend to all who are similarly afflicted. Why spend $1 for a bottle of medicine for a cough, plaint when one box of Beecham's pills, costing only 25 cents, will cure nearly all known diseases? Regular police were employed in Babylon 2,000 years before Christ. Among the tablets discovered are found certain records believed to be reports of the arrests made by the "peepers" of that far removed antiquity. Rome had a large police. The London watch was instituted in 1253, and as late as 1556 bellmen were appointed to ring a bell in the streets at night and call "Take care of the fire and pray for the dead."

People say "God bless me" after sneezing from the fact that in the days of the plague this terrible malady began with violent sneezings and other indications of cold. The exclamation was thus originally a prayer to be delivered from the plague.

DR. G. C. OSGOOD, Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted.
