MICHAEL DAVITT, as Sir William Vernon Harcourt informed the House of Commons the other day, gained six pounds in weight during his imprisonment. The prisoner's lung complaint has been cured. An Irish member having asked if Davitt would be permitted to read the parliamentary reports in Hansard, the Home Secretary replied: "If any gentleman wishes to read Hansard, I am sure, as far as I am concerned, he is welcome to do it. I should have thought it would have been an additional punishment."

IT has done more for the rheumatic sufferers throughout the land than any remedy ever known. We refer to the Great German Remedy, St. Jacobs Oil. J. L. Tobias, the well known and popular cigar manufacturer, of 447 Third Avenue, New York, informs the writer that both himself and wife have been great sufferers from rheumatism, and that St. Jacobs Oil is the only thing that did either of them any good.

"The fact is, said Mr. Tobias, "it has cured us entirely and in a very short time, and we used only a couple of bottles—the whole cost two dollars. Much less expensive than a long doctor's bill, with the apothecary's charge for putting up his prescription added. You can tell the world what I know about it. I want everybody with rheumatism to know as much of it as I do, and to feel as good as we did when we found ourselves as well as ever."

LORNE HIGHLAND WHISKY! ANALYTICAL SANITARY INSTITUTION 54, Holborn-viaduct, E. C., London, Aug. 8, '79, Report on the LORNE HIGHLAND WHISKY:

"We have visited the bottling stores of Greenless Brothers, and have selected from the vats, samples of their Lorne Highland Whisky, and have subjected them to careful examination and analysis. The samples were very fine, mellow, and of pleasant flavor, and possessed all the characteristics of pure and well-matured Scotch Whisky of the first quality."
