Inman Plumbing Ball Club

Inman Plumbing Softball team have their new uniforms, so we guess they are in business for the season. They have lost four straight games, and in each, the winner's runs went into double figures. At the organization meetings there was a lot of "good samaritan" talk about keeping the teams well-balanced, but this is more difficult to do than to talk about doing. The other three teams seem pretty evenly matched, so the fair way to help the Inman club would be to take one player of about equal caliber from each team and give them to Inman's, but the Plumbers are not that weak, and such gifts might make them the cocks of the walk. If they could latch on to one first class chucker from outside the league, that might solve the problem.

Coastal Movers have beaten only Inman Plumbing so far (they've lambasted them twice), but they were minus Martin and Tucker when Enman Drug beat them, and Martin when they lost to RCAF. Either of these boys can change the complexion of a ball game if they happen to get a pitch they like with runners ridding the sacks. In their last game at St. Eleanors the Movers came through with four sparkling fielding plays. Garth Harris made a picture "over the shoulder" grab in centre field, John Poirier, streaking towards the foul line in right field, hauled one down that looked good to fall in for a base hit, and Gerry Bernard in short field came through twice with dazzling displays, gloving a liner with a small loop, and stabbing a hot grounder to get the runner at first.

A Fancy Catch

Speaking about fancy catches, Jacques Legendre, RCAF left fielder, came through with what Hazel would surely call a "doozer" in the game with Enman Drug on Saturday. To make it more sensational, it was the grab that won the ball game for RCAF. The score was 5-4 for the airmen, two were out, and one man on base. "Spider" Crawford hit a long fly to left centre field if it had gotten through the two fielders it would have rolled to the slope and gone for a home run, winning the game for Enman's, but Legendre, giving it his best kick, threw out his gloved hand and the ball nestled in there to end the game. Russ Phaneuf couldn't have done any better. It's ironic what a thin dividing line lies between the hero and the also-ran. If Legendre had missed that ball, Crawford would have received all those back slaps and hand shakes.

What About Trophies?

We were told for the first time Saturday that the RCAF softball team of last year, which had presumably won the CJRW trophy by capturing the Prince County League championship, and also Prince of Wales trophy, emblamatic of the Island crown, have never received either of these trophies. Now we could be wrong, but we were under the impression that these trophies were "perpetual" and passed from one league winner to another from year to year. If it is a case of "winners keepers" then the MacKenzie House of Fashion Club have every right to the cups, but the matter should at least be cleared up, and the clubs this year should know what cup they can expect to win if they top the Prince County circuit. Seems there is many a slip between the cup and — the championship.

A very small crowd watched the opening baseball game in Summerside on Saturday, which the Legion won 7-0 over Pontaics, and we were told that the game was well played for an initial encounter. We watched the first inning and saw Pete Hyra, a newcomer to Summerside baseball, make two good catches in left field. Donnie Schurman started the season with a shutout. This young fellow should be harder to beat than ever this year as he has quite a way to go before he reaches his peak. We understand games will be played on Tuesdays and Thursdays.

LAST WEEK'S BOUQUET

A fantastic catch has caused
a lot of tacques.
That big fellow in left field's
a real ball hacoues.
So we give last week's bouquet
To Legendre for his smart play.
And to understand this rhyme,
his first name's Jacques.

24 Records Are Topped In Provincial Track Meet

By NICK FILLMORE

Twenty-four records were set, two equalled and four newly established at Prince Edward Island's Interscholastic track and field championships, held Saturday at Charlottetown's Memorial Field.

"It was the best meet we've had in my four years directing track and field events for the schools," said David Boswell, provincial physical fitness supervisor.

The biggest record onslaught came in the Junior division with 12 marks falling and two being established. Six records were toppled in the Senior class, two new ones set.

SUMMERSIDE TOPS

Summerside High School, paced by the strong performances of their relay teams, captured the un-official meet championship with 72 points. Kensington had 68, St. Dunstan's High School, 48; Queen Charlotte, 47; and Souris, 41. (Team points first, second and third for individuals were based on 5, 3, 1 credit for dividuals and 10, 6, 3 for relay teams. Only Junior and Senior classes were included.)

For the second consecutive week Andy Arsenault turned in the most outstanding individual performance. The 18-year-old St. Dunstan's athlete paced the 880-yard run in a blistering 2:02 to better last year's mark by nearly a second. Arsenault set a new mark in the mile with 4.40.9, won the 440 and placed third in the pole vault.

In the Junior boys division Birchwood High School's Jackie MacEachern topped the list with four firsts, including a new record of 37' 6½" in the hop, step and jump. He bettered his effort of a week ago by two feet. MacEachern also set a new mark in the 220 yards, 25.4 sec., and picked up firsts in the discus and shot put.

MacDONALD STARS

Roma MacDonald of Souris dominated the Senior girls division with wins in the 100, 220 and broad jump. Rhoda MacLeod of Charlottetown Regional paced the Junior girls division with a record in the broad jump, 16' ½", and established a record in the 80 meter hurdles, 15-6 sec.

Joe Cheverie, formerly of Souris and now of Tignish, was a standout in his high jump specialty. He topped his last year's Junior mark of 5' 2" by 5½ inches. His performance would have rated him eighth in Canada last year, for his age.

The only record to fall in the age classification was Merrill Weale's new mark of 10.0 in the 11-years 75-yard dash. The previous mark of 10.2 was set by D. Dunsford of Birchwood in 1961.

DANCER IS THIRD

Quadrangle Is Victorious In The Belmont Stakes

By KEN PRITCHARD

NEW YORK (CP) — Quadrangle, a barrel - chested bay colt owned by Pittsburgh financierPaul Mellon, woth the 1½-mile Belmont Stakes by two lengths over Roman Brother Saturday and smashed the triple-crown hopes of Toronto industrialist E. P. Taylor whose Canadian-bred Northern Dancer finished third.

Quadrangle, biggest colt in the field of eight and third choice of the Belmont - record crowd of 61,215, won in 2:28 2-5, just two - fifths of a second slower than the Aqueduct track mark but well below the Belmont Stakes record of 2:26 3-5 set by Gallant Man in 1957 at Belmont Park.

Northern Dancer hadn't the speed to win this long race and was soundly beaten in his bid to become the ninth three-year-old to capture the three major events for his age group.

The Aqueduct track was fast for the race, run just as a light drizzle began.

The Dancer, with Bill Hartack up, ran second through most of the stretch but tired under the 126 pounds all entries carried in the Belmont's 96th running. As he slowed perceptibly, the gelding Roman Brother, smallest entry in the field, swept past to take second by four lengths. Roman Brother fourth choice of the bettors, had won the 1⅛-mile Jersey Derby the previous Saturday.

NO EXCUSES

"Northern Dancer ran his race," Hartack said afterwards. "He just wasn't fast enough at a mile and a half. We had no excuses."

Even to finish third the Canadian-bred had to survive a foul claim entered by Willie Shoemaker, jockey for Hill Rise 2-to-1 choice who finished fourth and was beaten for the third straight time by the Dancer. Shoemaker claimed that Hartack and the Dancer squeezed him off at the three - eighths pole.

The stewards' re-run of the race film showed there had been a bit of a bind at that spot, but they refused to change the order of finish. Hartack became the Dancer's jockey in the triple - crown races after Shoemaker decided he preferred Hill Rise.

To Mellon and his Virginia based Rokeby Stable went $110,-850, biggest prize ever in this $125,000-added race. Panamanian jockey Manuel Ycaza received 10 per cent of the stable's winnings. Roman Brother, from New York financier Louis Wolfson's Harbor View Farm, won $25,000. Northern Dancer picked up $12,500 to make his career bank roll $531,572, and Hill Rise, fourth by a half-length, won $6,250 for George Pope Jr.'s El Peco Ranch in California.

The payoff for those who bet on Quadrangle was $15.10, $6.80 and $2.70 for win, place and show. Roman Brothers, ridden by Chilean Fernando Alvarez, paid $8.10 and $2.90 and Northern Dancer was $2.10 to show.

None of the eight starters Saturday had ever raced farther than 1¼ miles.

ORIENTALIST FADES

Orientalist, a little 40-to-1 shot entered for a $5,000 supplementary entry fee Tuesday by John Galbreath of Columbus, Ohio, president of the Pittsburgh Pirates Baseball Club, set the early pace but faded quickly after the first mile, as expected, and ended up sixth. Brave Lad finished fifth, Determined Man seventh and Shook eighth.

Jockey Manuel Ycaza holds carnations from Victory wreath and reflects the sweet smell of success after guiding Quadrangle in big win of $125,000 - added Belmont Stakes at New York's Aqueduct Saturday. Win by Quadranle upset Northern Dancer's bid for racing's triple crown.

Vast Crowd In Attendance As McLaren Captures Race

By JOHN TRACY

TORONTO, Ont. (CP)—Bruce McLaren, 26-year-old New Zealander, won the Player's 200-mile sports car race at Mosport 92.51 miles an hour before 41,-224 fans, largest crowd ever to attend a Canadian sports event.

With the favorites either in the pits or at the side of the track with mechanical trouble, the Auckland driver won both 100-mile heats with an elapsed time of two hours, seven minutes, 42.2 seconds for the 80 laps of the 2.45-mile circuit.

In his Zerex special he was the only one of the starting field of 31 to finish the full tour.

McLaren clipped almost two minutes off the track record set last spring by Chuck Daigh of Long Beach, Calif., of 2 hours, nine minutes, 38.6 seconds in a Lotus 19.

Second was Augie Pabst of the Milwaukee brewing family whose Lola was timed at 2:08:-45.2 for 79 laps. Bill Wuesthoff, Milwaukee car dealer, drove an Elva Porsche through 78 laps in 2:09:50.7 for third place.

Fastest lap of the race was by John Morton of Santa Monica, Calif., who drove his Lotus 23B around in one minute, 31.6 seconds. He was just 0.1 seconds short of the lap record set in 1962 by Dan Gurney of Costa Mesa, Calif., driving a Lotus 19.

McLaren, sixth in international sports car driver ratings last year, was making his first appearance on the hilly, twisting circuit 40 miles east of Toronto. He took off immediately after the race for Britain to prepare a Lotus 30 for the Belgian Grand Prix next week.

He won $3,100 in cash for his victory over-all and the two heats. Paul Pare, vice-president of Imperial Tobacco Co., Ltd., presented him with the Player's Cup.
