SEVERELY INJURED.—The Moncton papers report that Conductor McFadden, of the I. C. B., while driving through Shediac a few days ago, was thrown from his carriage and seriously injured about the head and face. His many friends in this city will regret to hear of the accident.

A SPLENDID GIFT.—Says the St. John Globe:—The estate of the late John McSweeney has presented the fine farm property on the Loch Lomond Road, about four miles from town, to His Lordship the Bishop for the orphans. There are one hundred and fifty acres of land, a good house, barns, etc.

MONCTON POLICE STATISTICS.—Marshal Tibbida's books show 12 arrests in April, fines collected amounting to \$32.60, against 11 arrests and fines amounting to only \$17.50 in the same month last year. The record from January first to April 30th this year, as compared with the two previous years is 1887, 42; 1887, 44; 1886, 81.

BANK CHANGES.—A number of bank changes are reported. W. E. Stavert, manager of the Bank of Nova Scotia at Pictou, goes to Moncton and is to be succeeded at Pictou by W. P. Hunt, of Halifax. Mr. Stavert takes Mr. Chalmers' place at Moncton and Mr. Chalmers, who was formerly in Pictou, is to be transferred to Charlottetown. Mr. George McLeod takes a position in the lead office at Halifax.

CIVIC.—The Pictou civic election took place on Tuesday. Mayor G. H. Elliott was re-elected without opposition, as were also John H. Mackay and James Yorston as councillors. The only contest was in ward 3, between W. F. Tanner and Malcolm Morrison, the former being successful by a majority of over 30. For the first time in the history of the town the ladies (about thirty) voted, and it appears that Mr. Tanner got the most of their votes. The first lady (Mrs. McLean, milliner) to cast the ballot was presented with a handsome silver bouquet holder.

A CHILD POISONED.—The Moncton Times reports that the 2-year-old child of Mr. Dominick L. Gogan, died at Cocagne on Sunday morning at 7 o'clock, from the effects of a quantity of silversilver fluid taken on the previous Friday. It appears that the material known as silversilver fluid, which is used for the cleaning and brightening of silverware, etc., had been in the house for six years, and kept safely locked up. Last week an agent called to sell another lot, and it was taken out for purposes of comparison. Being accidentally left on the window, it was offered by one child to another, who took it with the deadly result above noted.

HYMENEA.—Notice is given in another column of an interesting event in which a former resident of this city acted a conspicuous part. We understand that the ceremony was witnessed by a large number of friends and acquaintances, whose presence testified to the popularity of the high contracting parties. Our young friend, we are glad to learn, occupies a lucrative position in a banking establishment on Broadway, and, although born in Newfoundland, may fairly be classed as a "successful islander" abroad. With his numerous friends here THE EXAMINER joins in wishing that the happy couple's "Journey through life may be joyous and free, As the bounding waves of the deep blue sea."

The official announcement of the marriage of Mr. Matthew A. Allan also appears in today's EXAMINER. We congratulate Mr. Allan on his not unexpected departure, and while his old bachelor companions may regret the course he has taken, he will be welcomed amongst the Benedictine with genuine sympathy. THE EXAMINER, however, congratulates Mr. and Mrs. Allan.
