

There Hath Passed Away A Glory From The Earth

With all of Canada and the World, we share the shock and grief inflicted by the tragic death of a great statesman and a great hero

JOHN FITZGERALD KENNEDY President of the United States of America

Here was a man who was dedicated to the service of his Country, a man who won honour and renown for his personal heroism in the arenas of world conflict.

Called at an early age to serve his Country in its highest office, President Kennedy brought the energy of youth and the wisdom of maturity to meet his task. In a few brief years, he earned the respect and admiration of all who knew his name. To him, more than to any other Statesman of his time, the World has looked for leadership.

To the people of The United States of America and to their President's beloved family we extend our heartfelt sympathy.

We mourn with them the loss of his vital presence and his warm humanity.
