

"MARY, YOUR TEETH ARE SO BEAUTIFULLY WHITE"

AM I GLAD I CHANGED TO PEPSODENT WITH IRIUM!

Pepsodent gives the whitest teeth... teeth that are cleanest, too!

WHITEST TEETH can be yours when you change to Pepsodent—because only Pepsodent contains Irium, the exclusive ingredient that provides the greatest cleansing action ever offered.

Because of Irium, Pepsodent cleans teeth thoroughly—cleans better between teeth—gets rid of dingy film. Because your teeth are cleanest they're safest from decay. You'll like Pepsodent's fresh minty flavor—it leaves your breath so clean, so sweet.

Remember, Pepsodent with Irium gives you, too, the whitest teeth because it gives you the cleanest teeth. Get Pepsodent Tooth Powder today.

MOTHERS: the truth about tooth decay. SCIENCE has proved that much of the decay that makes cavities is caused by acid-producing bacteria, formed by food particles left on the teeth after eating. The surest way to fight tooth decay is to keep children's teeth clean through brushing with Pepsodent right after eating.

PEPSODENT GIVES THE WHITEST TEETH
