Legislative Council Election.

SECOND DISTRICT OF QUEEN'S COUNTY.

THE campaign for this district opened by a meeting at Brackley Point Road. The meeting was addressed by a number of the electors present. L. McMillan, Esq., was proposed by Mr. Ewen Stewart and seconded by Mr. Alexander Scott. H. M. McLeod, Esq., of St. Peter's road, was also proposed; but, as it was considered probable that Mr. McLeod would not accept, his nomination was not pressed.

Another meeting was held at Little York on Monday evening, which was addressed by Messrs. Robert Lawson, G. Vessey, D. Ferguson, Esq., and Lauchiin McMillan, Esq. A resolution nominating the latter gentleman was moved and carried almost unanimously. On Wednesday evening a meeting was held at Belle Creek, an account of which appears below.

The Fourteenth Minister.

FROM a party and sectional standpoint, New Brunswick has no claim to a second Minister. She was misled by her Press; and she might, without injustice on the part of Sir John McDonald, have been put off with her Finance Minister. But Sir John's rule is the "country first and party afterwards." From a National standpoint it is expedient that such an important Province as New Brunswick should, if possible, have two Ministers in the Cabinet; and according Sir John McDonald has strained a point in her behalf.

Senator Wilmot will be President of the Senate and will take his seat on the Ministerial benches.

By this arrangement no additional expense whatever will be entailed upon the country; and the objection raised to the appointment of Mr. Blake in 1873,—viz., that being in the receipt of no emolument, he was not directly responsible to Parliament and the country—does not exist. Although without portfolio or salary as a Cabinet Minister, Senator Wilmot will receive emolument from Parliament as President of the Senate, and his individual conduct as a member of the Administration will thus be subject to the review of the people's representatives.

The *Mail* remarks that "in the Mother Country the Lord Chancellor is at once President of the House of Lords and a member of the Cabinet; and Senator Wilmot will hold a somewhat analogous position."

Legislative Council Election.

MEETING AT BELLE CREEK.

According to notice, a meeting was held at Belle Creek School House, on the 23rd inst., for the purpose of choosing a candidate to fill the vacancy in the Legislative Council. The meeting was duly organized by appointing William Ross, Esq., to the Chair, and the undersigned Secretary.

After quite a lively discussion on political subjects in general, in which several of the electors took part, the following resolution was put to the meeting and unanimously adopted :—

Whereas, This second Electoral District of Queen's County is now called upon to elect a candidate to fill the vacancy in the Legislative Council;

Therefore Resolved, That this meeting will support no candidate who will not pledge himself to vote for the abolition of the Legislative Council, and retrenchment and economy in all other branches and departments of the Government.

After which Lauchlan McMillan, Esq., was put in nomination to fill the vacant seat in the Council, in opposition to the Government; and Alex. Beaton in the interest of "the Government and all its (de)tails."

A division being called for, six appeared in favor of the Government candidate and twenty-three for the Opposition.

ABRAHAM W. COOK,
Secretary.

THE SUPREME COURT.—It is announced in the last *Canada Gazette* that the Supreme Court will hold a special session at Ottawa on Wednesday, the 30th inst., and day following, for the purpose of giving judgment only; and the said Court will also hold a a special session at Ottawa on the 4th of November next, for the purpose of hearing causes and disposing of such other business as may be brought before the Court, such session to be continued until the business before the Court shall be disposed of.

MR. PRATT, Fellow of Trinity College, Cambridge, and a master of Harrow School, met his death lately under strange circumstances. He hired a boat, and was rowed into the Lake of Como, where he leaped into the water to bathe. When he had swam some while, the boatman asked if he had had enough, and he replied that he wished to stay in a little longer. Something diverted the boatman's attention for a few minutes, and when he turned Mr. Pratt was missing. He was never seen again, and the body could not be found.

Upton Park Races.

FIRST DAY.

A most interesting day's racing was witnessed at Upton Park yesterday. Notwithstanding the threatening appearance of the weather a very large gathering of spectators was present. The track was in fine condition, and noted turfmen who were present pronounced it to be one of the best tracks in the Provinces. The usual amount of gambling and rowdyism for which race courses are noted seemed to be at a discount, as we heard of but few bets, did not see a wheel of fortune, and only witnessed two "set-tos," which were of very few minutes' duration. At the close of the day the spectators departed from the course well pleased with the manner in which the races were conducted—large numbers expressing the opinion that it was the best day's racing ever held in the Province. The judges were Mr. John J. Davies, of the Rankin House, Mr. James Leeman, of Truro, and Mr. J. H. Wilson, of St. John. Although the races were "billed" to start at 12 o'clock it was found impossible to make a start till 2 o'clock, when the

STALLION RACE

was rung up. There were two entries for this race, viz: Mr. A. N. Large's bk. s Messenger Boy and Mr. Newton Lea's by. s. All Right. They appeared in splendid condition, and as they sped by the stand on the last score they were lustily cheered by their respective admirers, Messenger apearently being the favorite.

First Heat.—After scoring several times the horses got a good send off. Both acted badly for the first half, when they came down to the square thing, and displayed some fine trotting. All Right shortly went in the air and galloped wildly to the three-quarter pole. He came to his feet, and both trotted down the the home-stretch, All Right leading and passed the mile pole slightly ahead. He was set back for galloping, and the heat given to Messenger. Time, 2.43.

Second Heat.—Both dashed off abreast and trotted almost neck-and-neck to the turn for the half mile pole when Messenger went off his feet, and All Right took the pole. The heat was most exciting, as they sailed down the back-stretch, spurting, one to keep, and the other for, the fore. All Right went in the air on the turn for the home-stretch, and Messenger gave him the go-by in fine style. The first quickly recovered and again pressed for the fore. They glided swiftly down the home stretch neck-and-neck into the midst of the spectators, who lined the track as they passed. Messenger pressed forward, and loud cheers arose from his admirers. The cheers caused him to break and he galloped under the wire, with All Right at his quarter. The heat was given to All Right. Time, 2.43.

Third Heat.—They went off at leisure, with Messenger leading. They trotted nicely over the course, and Messenger finished by holding the lead which he took at the start. Time, 2.48½.

Fourth Heat.—The horses got an excellent send off, and trotted over the back stretch without a break. Turning for the half mile, Messenger broke, and All Right, who was a length in the rear, closed in and attempted to take the fore. He, unfortunately, broke and fell back to his apponents wheel, and thus sent Messenger to the half mile pole at a desperate rate. He maintained and increased his lead on the back-stretch, and entered the homestretch several lengths ahead. All Right began to lap him, and came on Messenger's flank. The latter broke and fell back on a canter. All Right then dashed to the fore, and kept Messenger at his wheel until the finish. This is pronounced to be one of the prettiest heats ever trotted on a track in this Province. Time—2.45.

Fifth Heat.—The horses went off well and trotted together for a short distance, but broke on leaving the back-stretch. Messenger recovered first and All Right galloped and still led. He righted on nearing the half mile and Messenger gave chase till the three quarter, when All Right again went off on a gallop. He righted again with Messenger at his wheel, making swift push for the first position. He, unfortunately, broke and accidentally knocked a large scalp of flesh from his knee. Falling to the rear, he sent All Right hotly for the mile pole, which the latter passed three lengths ahead. All Right got first money, Messenger second.

2:44 CLASS.

The next was the 2:44 class race, in which there were three entries, viz., Mr. A. N. Large's b. m. Fairy, Mr. Angus McKay's ch. g. Discount, and Dr. Jenkins' b. m. Abdallah Maid.

First Heat.—There was some difficulty manifested in scoring. However they got a good send off, Fairy leading, with Discount at his quarter and Abdallah in the rear. Fairy went off her feet and Discount took the pole on the turn and led down the backstretch. Fairy collared him at the quarter-pole and shot to the fore in splendid style. She seemed fractious and was twice overhauled and passed by Discount, who apparently was taking everything easy. Fairy came forward, however, led on the homestretch and passed the wire three lengths ahead. Abdallah trotted the course in fine style and was close on Discount at the finish.

Second Heat.—All went off abreast and galloped. At the turn Discount settled first and led the way, with Fairy at his quarter. She pushed for the fore, but broke at Discount's flank, and he maintained the lead to the half mile pole. Fairy pushed up well, gave him the go-by, and took first position. Discount spurted for his lost position and regained it on the home-stretch. Fairy broke on losing it, and Abdallah shot upon her quarter, passed, and made things hot for Discount. They trotted to the pole neck-and-neck, but Abdallah went in the air at the finish and the heat was given to Discount, Abdallah second and Fairy third.

Third Heat.—The horses went in a bunch—Discount lead and trotted nicely down the back stretch. Fairy displayed some splendid trotting and sailed past Discount at 2.14 rate. She showed a great deal of daylight between herself and Discount, and passed the half-mile four lengths ahead. She continued increasing her lead, and trotted splendidly over the course without lifting her head. On the home-stretch Discount diminished her lead considerably, and passed under the wire three lengths behind, with Abdallah a length in his rear.

Fourth Heat.—Fairy led, with Discount at her quarter and Abdallah in the rear. They all trotted square down the backstretch to the quarter-pole, when Fairy broke and was collared by Discount. She gained her feet quickly and pressed forward, again leading by two lengths. Discount made some rapid spurts, but failed to lead. Fairy maintained her position, but Discount made the chase very hot, she having passed the mile-pole with him at her quarter and Abdallah a length in the rear, she taking first money, Discount second and Abdallah third.

RUNNING RACE.

This was considered by a large number to be the most interesting race of the day. Five horses entered, viz., W. H. Church's c. s. (Kentville, N. S.,) Russ Butler, Clow's b. g. m. Nell, J. C. Pope's g. m. Blue Bell, W. Carver's Tartan and R. Crabbe's b. g. Kentucky Bill.

First Heat.—Nell led, with Bell at her quarter. On the backstretch Nell increased the lead, and was followed by Bell, Russ, Tartan and Bill in rotation. Russ gave Bell the go by at the half-mile and made a rapid push for first place. On the homestretch he was neck-and-neck with Nell. Both spurted along the homestretch at a rapid pace and Nell passed under the wire with Russ at her fore quarter, Bell third, Tartan fourth and Bill fifth.

Second Heat.—Bell lead at the start, but Russ was at his quarter and wrested the lead from him on the back stretch. Nell gave Bell the go-by, and pushed boldly for the first position. After passing the half-mile, Nell lapped Russ and got close to his quarter. They came down the homestretch almost abreast. Russ spurted lively at the distance pole, and passed under the wire with Nell at his quarter. Bill third, and Bell fourth. Tartan was distanced. His driver elighting without the Judges orders.

Third Heat.—It was quite dark and it was impossible to see any of the race until they passed the Judges stand. Russ passed ahead. Nell next, with Bell at close quarters.
