

# EDUCATION SOCIETY GOOD TIMES A'COMING

Hello Gang! Guess most of you missed the general meeting on Friday. We'll have to remember and not schedule any more on holidays. 16 people attended the meeting. The pub which followed was better attended. We made about \$40. The executive would like to thank Ray Pelletier for the entertainment he provided. All who attended had a great time. Ray played for almost an hour and a half after the bar closed.

The general meeting was successful. A lot of topics were discussed. It was decided that the next meeting will be held during class time. Hopefully the attendance will be a little better. Dr. Campbell has consented to end his Ed. Psych. class 10 minutes early and Prof. Arsenault will delay starting his Stats. class until 11:30 next Tuesday, Nov. 22. This will give us half an hour for a meeting. So remember, next Tuesday at 11:00 a.m. in the Lounge. Unfortunately about half of the 4 year B.Ed. students will have other classes. Sorry about that, gang! If you have any questions just ask Rosemary or myself before the meeting. Minutes of the meeting will be posted the following day!

Topics which were discussed at the general meeting and which will be discussed once again next Tuesday included the following:

1) Fees - It has been set down in our constitution to charge each member of the Education Society a small fee. This fee will either be \$5 or \$3. The amount to be decided at

the next meeting. This fee will help cover some of the social events planned for the upcoming year (to be discussed later).

2) Finances were discussed. We have a small amount of money in our account. It seems hard to raise money this year. The best way is by sponsoring a pub. We have held two pubs so far and we've only cleared about \$55.00.

3) Drama Club, Joan MacFarlane, chairperson, requested that the Education Society put on a skit in the upcoming Drama Club night, November 28th in the Steele Recital Hall. It was felt that the Communication class should be able to handle this. Anyone interested in working on this, please contact Anita Murphy.

4) Intramurals - It was decided to have hockey, basketball, volleyball and broomball teams. Our volleyball team has been playing for a number of weeks already. They are in first place with four wins. We have had a small hockey team. They need more players. Their record so far is one win, one loss. The following people are in charge of each team. If you are interested or if you can play, PLEASE contact them as we need players. We want to win ALL games this year.

Hockey: Tom Haywood

Basketball: Gerald McKenna

Volleyball: Gerald McKenna

Broomball: David McQuaid

These are not all male teams. The volleyball is Co-Ed and the broomball is one female and one male

team.

5) Bulletin Board and Office The bulletin board in the Lounge will be used as the Education Society News Board. Check it for what's happening. We will keep all games, meetings, parties etc. posted on it.

We now have an office and office hours. The office is the room behind the lounge. We started keeping regular hours each day already. Drop in any time of the day because we'll probably be there anyway. For the first few weeks we will only be there three days a week (we have to study too) but once we get a little better organized, we will be there every day. Our hours as they stand now are:

Monday 11:30 - 1:30

Betty MacDonald

Tuesday 9:45 - 11:15

Myself

Wednesday 11:30 - 1:30

Rosemary

6) The Social Committee has been started. Members are Betty Tweedy, Bill Hogan, Betty MacDonald, Anita Murphy and myself. First meeting to be held on Friday, Nov. 18 at 2:00 in the Panther Lounge. Some topics discussed already are Xmas party, cross-country skiing, another canoe trip (next Spring), pubs and Winter Carnival. Anyone interested in the Committee may go to the meeting on Friday.

Some of the other things which the executive is looking into are 1) buying Ed. Soc. T-shirts; 2) a First Aid course; 3) finding one 1 yr. and one 4 yr. B.Ed student to fill out the rest of the executive positions (nominations will be open during Tuesday's meeting); 4) finding a student rep. to sit in on the Education faculty meetings; 5) possibility of buying a large coffee urn for the lounge (instead of the small kettle that is always dry) 6) getting the small lending library in operation before Xmas and 7) getting our offices fixed up.

Well, that's all for this week, gang. Hope the editor lets us put this entire article in the paper. We have been kind of long-winded this week. See ya' all at the meeting on Tuesday, November 22.

You are probably aware that this column is not as humorous as some other society columns in this

paper (not mentioning any names) but I feel it should be pointed out that WE are taking 6 courses PLUS practise teaching two days a week. Some of us have to work. One must also remember that we are a fairly new society and we are just getting off the ground. Although our membership is only one-tenth that of a certain other society on campus, it appears that our hockey team has more wins than they and also our first place volleyball team hasn't so much as seen the opposition on the courts as of yet.

## WINTER

Well here we are writing about Carnival once again. Hope you all enjoyed yourselves last year. A lot of work went into last year's Carnival. I'm happy to report that we have most of last year's dedicated crew back. If you thought last year was good, just wait till you see what is in store for this year. The aim of this year's Carnival Committee is to provide many more events than last year at about the same cost to you.

Carnival Committee meetings are being held at 6:00 in Marion Hall Lounge. They are open to everyone, so if you want to work on the Carnival or if you have any ideas or suggestions come on over to Marion, Mondays at 6:00. We can not promise you much but hard work, but at least you will be working with a lot of fun people and it is a lot of fun.

Four meetings have been held so far. A rough schedule has been drawn up. We are presently working on the contracts for the gym and the Confederation Centre. After several weeks discussion we finally found what we feel is a suitable week for the Carnival. The 78 Carnival will be held from Sunday January 22nd to Sunday January 28th. Yes the Carnival will run a full week this year. We are trying to plan events so that you will not miss to many classes (due to hang over)
