THE WATCHTOWER

Circulated in 175 lands and islands of the seas in 54 languages and 3,600,000 copies each issue (which totals up to an astronomical 86,400,000 copies annually), The Watchtower magazine occupies a vantage point from which it observes the happenings of today.

The Watchtower magazine sees things scripturally. When it sees this generation afflicted with greed, delinquency, hypocrisy, atheism, war, famine, pestilence, etc., it does not parrot the old fable about history repeating itself. Informed by Bible prophecy, it sees in these things the sign of the world time of the end. But with bright hope it also sees opening up for us just beyond these woes the portals of a new world. Thus viewed, "The Watchtower" stands as a watchman atop a tower, awake to note signs of danger, faithful to point out the way of escape. It announces Jehovah's Kingdom established by Christ's enthronement in heaven.

"Be watchful in these perilous times," God admonishes. So keep on the watch by regularly reading "The Watchtower."

WHO ARE JEHOVAH'S WITNESSES?

An internationally known religious denomination with representatives in 175 countries and islands of the seas, Jehovah's Witnesses, through the medium of the Bible are bringing hope to people of good will across the face of the earth. In these days of ever-threatening nuclear war, in which the destruction of the world seems imminent, the wonderful prospect of a world at peace, under righteous rule, is opened up through Bible knowledge.

Why is it that Jehovah's Witnesses use so many different methods to preach the good news of God's Kingdom? Like Jesus, they believe that the Kingdom message deserves the most effective preaching methods.

Not strange then, that these Christian Witnesses are often seen in public places offering Bible literature and telling about the Kingdom.

Not strange then is the use of the public meeting. Jesus often used this method. His most famous sermon of all, the sermon on the mount, was given in open air on a mountainside. Indeed, wherever Christ found people, that is where he preached.

Not strange then that they call at your door. The apostle Paul speaking to the older men from the congregation of Ephesus, told them: "I did not hold back from telling you any of the things that were profitable nor from teaching you publicly and from house to house." (Acts 20:20). Truly house-to-house preaching is a Christlike and apostolic method!

Jehovah's Witnesses take this opportunity to thank the officials and businessmen of Charlottetown for their kind co-operation and to extend to the people of Prince Edward Island a most hearty welcome to attend any and all the sessions, which are free.

Congratulations
 Jehovah's Witnesses
