Don't Remember Experience

Last week we looked at sudden-death hockey and listened over the radio to sudden-death hockey at one and the same time. We don't remember having this experience before. Sitting in Charlie Hogan's office at Civic Stadium, we watched the Lennox Island Micmacs and the Big Cove Micmacs battle it out, while a Halifax announcer was giving us the play-by-play of sudden-death overtime between Halifax and Ottawa juniors.

To add another coincidence, there was a Cape Traverse Evinrude playing in each game. Charlie Sark was playing defence for Lennox Island, and Lloyd "Toy-Toy" Gallant was doing duty as a rearguard for the Halifax Kingfishers. The announcer said that "Toy-Toy" was handing out some of the best checks seen in Halifax this season. and Lloyd also set up one of the scoring plays. Both Evinrudes players went down to defeat that hectic Wednesday evening.

Can Be Proud Of Bowling Centre

We had the privilege Saturday of being among the first to bowl a string at the new Crest-Lane alleys representing K-40 at the official opening games. Summerside can indeed be proud of this new sports centre, and it should prove the setting for many pleasurable hours in the years to come. It has 16 alleys with automatic pin manipulation.

The only thing we'd like to forget about this memorable opening is our score. We were glad there was no one around giving a "blow" by "blow" description of our play. We think the architect made a serious error in making those gutters so all-fired wide, and the alleys so narrow. We feel sure Jack Paynter, who bowled for the Kensington Lions, will agree with me.

As we were writing this our phone rang and we were informed that we had won a door prize, a pair of bowling shoes. We're not forgetting this is April 1, but the voice sounded very sincere with no trace of spoof so we'll start celebrating by saying "Yippee!" We can stand it better now if the Chicago Black Hawks take another trimming from the Montreal Canadiens.

Midget Playoffs Tuesday

The Campbellton midgets will be playing the Summerside Midgets at Civic Stadium on Tuesday evening, and it is hoped that hockey supporters of Summerside and vicinity will flock to the Stadium in large numbers for this final hockey match of the year. It has not yet been decided whether this game will be a sudden-death affair, or if the teams will play a second game in Campbellton, but the game is on for Tuesday here at Civic Stadium for sure.

Summerside has a particularly good midget team this year, and they should give a good account of themselves. You can take it from us, the Midgets put up a surprisingly exciting brand of hockey. So let's ring out the old (hockey) year with a banner crowd at Civic Stadium.

Spurs Enter Finals; Fulham Ties Burnley

LONDON (Reuters) — Tottenham Hotspur, English Football Association Cup - holders and champions of the league's First Division, swept into this year's final with a 3-1 victory over Manchester United Saturday at Sheffield.

Spurs will have to wait to know their opponents at Wembley because Fulham upset all expectations by drawing 1-1 with Burnley at Birmingham. The Fulham-Burnley semi-final replay will take place April 9.

Unseasonable snow fell in the north and the Midlands but it did not stop Spurs from playing fast and methodical soccer. By contrast Manchester United was inaccurate in passing and shooting.

Jimmy Greaves got Spurs off to a good start, banging in a goal after 3½ minutes. Cliff Jones made it 2-0 for the Londoners after 23 minutes.

MEDWIN MAKES SURE

Scottish international David Herd raised United hopes with a goal after 84 minutes but Spurs made sure of victory three minutes later, when Terry Medwin headed one in.

Fulham, although at the bottom of the first division, has been in good form in recent weeks and its draw was a triumph.

Burnley had the handicap of an early injury to Jimmy McIlroy. Fulham opened with a goal by outside-right Graham Leggat after 28 minutes. The hobbling McIlroy laid on the equalizer for the Lancashire club five minutes after half-time, outside-right John Connelly scoring.

A crowd of 65,000 saw Tottenham's victory while 60,000 were at Villa Park for the Fulham-Burnley tie.

Spectators who invaded the field, caused play in the St. Mirren-Celtic Scottish Cup semi-final to be suspended for 16 minutes before police could restore order.

FIGHTS ERUPT

St. Mirren was leading 3-0 with 20 minutes to go when the trouble occurred, and fights flared up all over the ground.

St. Mirren finally won 3-1, a reversal of the league match between the two clubs last Monday when Celtic hammered in five goals without reply.

St. Mirren's opponents in the final will be Rangers, who beat Motherwell 3-1 after leading 2-0 at the half. This is Rangers' sixth appearance in the final since the war and they have won the trophy in each of previous five.

Ipswich is the new leader of the English First Division after beating Wolverhampton Wanderers 3-2. Ipswich heads the league with 48 points from 36 games but Burnley is handily placed to get back to the top, with four games in hand and only two points behind.

Liverpool, runaway leader of the Second Division, suffered a surprise 1-0 away defeat at the hands of Luton Town. Leyton Orient could only advance by a single point—if it was held to a scoreless home draw by struggling Leeds United. Liverpool's lead now is six points, with 32 to Orient's 46.

In a restricted Scottish First Division program, Dundee deposed Rangers from the lead by beating Stirling Albion 3-2. Dundee now has 46 points from 30 games; Rangers, with a game in hand, have 45.

Ohio District Wins Ch'ships

CINCINNATI (CP)—Ohio district won the team title Saturday night as championships were decided in 10 divisions of the 1962 U.S. Amateur Athletic Union boxing tournament.

Billy Joiner won the lightheavyweight title and Wyce West brook the heavyweight crown for the Ohio district, which wound up with 25 points. Puerto Rico had nine points and the central and Oregon districts eight each.

Canada's team failed to win a championship. Harold Mann of Prince George, B.C., lost in the semi-finals of the 165-pound class. Eliminated earlier were Sig Fischer of Toronto, Marcel Bellefeuille of Montreal and Mickey MacMillan of North Burnaby, B.C.

Campbellton Grabs Title

CAMPBELLTON, N.B. (CP) — Campbellton Midget Royals belted Moncton Midgets 8-2 Saturday to win their two-game, total-goal hockey playoff series 18-8.

Royals won the series opener at Moncton 9-6. They are slated to go against Summerside for the New Brunswick—Prince Edward Island title and the right to enter the Maritime finals.

Rugged George Berube was the star of the night for the winners, triggering five goals, three of them within the first five minutes of the first period. Don Day, Gallant and Ralph McCluby scored the other three Royal Goals.

Boyd Malcham batted home two Moncton Markers, both in the third.

Belgian Takes Grand Prix

BRUSSELS (AP)—Willy Mairesse, Belgium, driving the only Ferrari in the race, won the Brussels Grand Prix, run in three heats Sunday.

Mairesse finished third in the first heat and won the next two for a low total of five points. Each race was at 62.226 miles.

Sweden's Joachim Bonnier, driving a Porsche, was second with 10 points on a second in the second and third heats and sixth in the first.

Graham Hill of Britain, driving a BRM, won the first race but was disqualified in the second because of a faulty start.

Fired-Up Hawks Trounce Blake's Montreal Habs 4-1

By LAURENT CHIASSON

CHICAGO (CP) — The fired-up Chicago Black Hawks, reverting to the form that made them Stanley Cup champions last spring, Sunday night whipped Montreal Canadiens 4-1 for their first win in this year's Cup semi-finals.

Canadiens now lead the best-of-seven series 2-1 in games with the fourth bill to be played here Tuesday night and the fifth at Montreal Thursday night.

The rough - touch Hawks, spurred on by a noisy partisan crowd of 16,559, struck for two goals in the first period and never looked back.

They added single goals in each of the remaining periods and had a 4-0 lead before Canadiens got their one goal with less than six minutes to go.

Bronco Horvath and Stan Mikita scored the Chicago goals in the first period. Bill (Red) Hay got the one in the second and Ken Wharram tallied in the third.

The lone Montreal goal was scored by rookie (Gordon (Red) Berenson at 14:27 of the third. It was Berenson's first National Hockey League playoff goal.

HAWKS ARE MASTERS

Hawks, using their weight to good advantage, clearly were masters in this one. Canadiens, who won the first two games by scores of 2-1 and 4-3 on home ice last week, were unable to put on any sustained drive until the latter part of the third period.

When Canadiens did untrack, they gave Chicago goalie Glenn Hall plenty of tough moments. But by then it was too late.

Hall wound up with more saves than Montreal's masked Jacques Plante, but had by far the easier night. Each faced 27 shots.

The 33-year-old Plante, winner of this season's Vezina Trophy as the NHL's least scored upon goalie, time and again pulled of big saves after Chicago forwards waltzed around the Montreal defence.

Among his saves were three big ones against Ab McDonald.

Horvath opened the scoring at 9:05 of the first period, beating Plante with a partially screened 45-foot shot after being set up by Reg Fleming.

PLANTE WELL-BEATEN

Mikita made it 2-0 at 18:06 with his third goal in as many games. He grabbed a rebound from defenceman Dollard St. Laurent, moved around the left side of the Chicago defence and blasted a 15-footer that Plante never had a chance on.

The third Chicago goal came while Montreal's Don Marshall was serving a tripping penalty. Marshall had only been in the penalty box 27 seconds when Hay beat Plante from a goal-mouth scramble after Bobby Hull's shot went by the net and bounced back out.

Wharram put the game away at 2:15 of the third. He took Mikita's cross - ice pass and whipped a low shot into the goal from directly in front of the net.

Canadiens came alive after Fleming drew a holding penalty at 11:14 of the third. They couldn't capitalize on the man-power advantage, but Dickie Moore and Jean Beliveau both had big shots on Hall.

After the penalty expired, Claude Provost worked the puck up the ice and passed to Berenson, who beat Hall from about 15 feet out.

Referee Vern Buffey kept the hard-hitting game well under control, handing out 14 minor penalties. Hawks drew eight of them.

Efforts To Work Out Schedule Fails In EFC

HALIFAX (CP) — The Atlantic football conference met here Sunday in an effort to work out a schedule for the enlarged league. It failed.

Representatives of the nine teams—there were seven last season—met from early morning to late at night but were unable to come up with a schedule acceptable to all clubs.

Agreement was reached on a couple of points. First each team will play each other team once — except St. Dunstan's Saints of Charlottetown which asked not to play St. Francis Xavier University X-Men. The St. FX club has been undefeated in three seasons. The teams agreed to SDU's request.

Saints are one of two teams that graduated to the league's senior division from the junior division this season. The other is Acadia University.

Holdovers from last season are Stadacona Sailors and Shearwater Flyers — the two navy clubs—and Dalhousie Tigers, St. Mary's Huskies, Mount Allison Mounties, University of New Brunswick Rew Bombers and St. F.X.

Prince of Wales College of Charlottetown applied for membership in the league's Junior divison. The request will be dealt with at a meeting here April 14.

The two main problems in drawing up a schedule are the fact that four of the teams are based in Halifax and the late start preferred by the University teams.

Athletics Rap Bengals 12-5

By THE ASSOCIATED PRESS

Rookie Bill Bryan hit a pair of homers and Dick Howser stroked five consecutive hits as Kansas City Athletics rapped out 22 hits—biggest offensive onslaught of the exhibition season—and walloped Detroit 12-5 Sunday.

A's, who had plane trouble and didn't leave for the Lakeland game until the morning, started early against Tigers and laced Detroit starter Jim Bunning for 15 hits in seven innings. Hank Aguirre and Bob Dustal suffered the remainder of the assault.

Rocky Colavito smacked his fourth and fifth homers for Tigers and Bill Bruton contributed one circuit shot, but it wasn't enough as Detroit lost its fifth game in succession.

Elsewhere, San Francisco defeated Boston 7-4 at Phoenix, Chicago Cubs blasted Milwaukee 16-6 at Mesa, St. Louis beat New York Mets 7-4 in 10 innings at St. Petersburg, Chicago White Sox whipped Cincinnati 10-6 at Sarasota and Cleveland edged Los Angeles Dodgers 6-5 at Las Vegas.

The Philadelphia - Minnesota, Pittsburgh - Washington and Baltimore-New York Yankees games were cancelled due to rain.

Uelses Breaks Vault Mark

SANTA BARBARA, Calif. (AP) — John Uelses rocketed to 16 feet, ¼ inch in the pole vault Saturday to become the first man to clear 16 feet outdoors.

Just as he became the first athlete to break the so-called 16-foot ceiling indoors last winter at the same height, Uelses propelled himself over the bar on the second try at the height.

The 24-year-old former corporal, only recently discharged from the Marines, erased the existing world record of 15 feet 10¼ inches, set in 1961 by George Daavies of the U.S.

It was first announced that Uelses' leap was 16-¼. The delight of the vaulter and 6,000 spectators was increased when a subsequent measurement raised it to 16-¾.

Davies and Uelses were billed as the headliners at the Santa Barbara easter relays, but Davies dropped out after clearing 15-4 and missing at 15-8¼.

Mayhew Has Winner

HALIFAX (CP) — Sunrise, nine-year-old bay pacing gelding, owned by Wilfred Baker of Dartmouth, N.S., took the only sweep victory in harness racing on the Commons here Saturday.

Halifax area stables claimed eight of the 10 races. Stan Mayhew of Kinkora, P.E.I. won in he third with the trotter Flashy Fellow and Lucky Logan, another trotter, took top purse money for Charles Deal of Mount Uniacke, N.S., in the eighth race. Other single winners were Jean's Pride, Tim Clegg, Time's Boy, Magic Rapid, Tip Chief and Mr. Heekin.

Best time for the three furlongs was Magic Rapid's 47 4-5 seconds in the sixth.

Paret's Manager Is Threatened

NEW YORK (AP) — The manager of Benny (Kid) Paret said Sunday he had received threats against his life for criticizing referee Ruby Goldstein.

While Paret, former welterweight champion, remained in a coma for the eighth day, manager Manuel Alfaro said he was told "your body will be found floating in the East River" if the criticism of Goldstein continued. Alfaro did not say who made the threats or how they were made.

Alfaro has said repeatedly that Goldstein let Paret absorb too much punishment from Emile Griffith before stopping the March 24 title fight in the 12th round with Paret slumped against the ropes.

Ottawa Nips Halifax 3-2; Alf, 'Toy Toy' In On Goals

By WALTER HAYES

HALIFAX (CP)—A two-goal burst in the early stages of the third period gave Ottawa Montagnards a 3-2 victory here Saturday over Halifax Kingfishers to move them one game up in their best-of-five eastern Canada Memorial Cup quarter final playoffs.

Forward Ray Cadieux picked up a loose puck after a barrage of shots on Halifax goalie Terry Matthews and backhanded it into the upper left hand corner of the net at 4:37 of the third period. The goal came a little more than a minute after Allan Stitt scored the equalizer at 3:22.

The Ottawa Valley champions now hold a 1-1 edge going into the fourth game of the series scheduled for Tuesday night.

Ottawa took the opener 6-5 in sudden-death overtime Wednesday night. Halifax retaliated the following night with a 5-4 win, also in a sudden-death clash.

Halifax forward Oscar Gaudet opened scoring midway through the first period. Ray Kaiser fired another Halifax marker in the second.

John Bradley scored the other Ottawa goal.

The play was fast and furious on what started out to be a fast sheet of ice. However, the ice dampened as play wore on and the temperature rose.

A near capacity crowd of 4,600 fans jammed the Halifax Forum to watch two evenly matched clubs battle it out for the important win.

Play was dominated by Halifax in the first period. Ottawa started to move in the second and by the third period were going all out when they outshot Halifax by 20-3.

Checking was heavy, but tempers remained cool.

Rangers Nip Toronto 5-4 In Come-From-Behind Bid

NEW YORK (CP) — New York Rangers came from behind twice Sunday night, forged ahead of Toronto Maple Leafs and then held on to win 5-4 and pull within a game of Toronto in their best-of-seven Stanley Cup semi-final.

In the playoffs for the first time in four seasons, Rangers lost the first two games to Toronto and now trail 2-1.

Veteran Johnny Wilson, a one-time Maple Leaf, scored two key New York goals as Rangers overcame 1-0 and 2-1 Toronto leads.

His second, a spectacular effort in the middle period, gave New York its first lead, 3-2, but it took last period goals by Andy Hebenton and Dave Balon to stand off the muscular Leafs, who hoped to open up a prohibitive 3-0 lead in the series.

HAVE HARD WORK

Hebenton and Balon gave New York a 5-3 lead in the first 10 minutes of the final period, and Rangers had to work hard to make it stand up.

Bob Pulford, frustrated three times by Ranger goalie Gump Worsley, finally scored at 13:43 of the third, closing it 5-4. Leafs kept the pressure on most of the rest of the way in the fast, extremely rough game, but couldn't break through.

Leafs, trailing by one when each team lost a skater late in the game, lifted goalie Johnny Bower in favor of a fifth attacker with a minute to go. Some good defensive work by player-coach Doug Harvey and Al Langlois held the Ranger lead.

ROUGH FROM START

The game was rough from the start, with referee Eddie Powers handing out 14 penalties, and twice almost broke into open warfare. One incident involved Rangers' Langlois and Eddie Shack of Leafs, the other Toronto's Frank Mahovlish and New York's Larry Cahan.

The latter two went off with 1:32 remaining, and prompted Toronto coach Punch Imlach to pull his goalie with 60 seconds remaining.

Wilson, who assisted on the goal that proved to be New York's winner in addition to his two middle-period markers, was the goat that set up Toronto's first goal, by defenceman Tim Horton.

Wilson, charged with holding, was in the penalty box when Horton scored at 5:59 of the first period. It came on a 30-foot slap shot from the right point.

Little Guy Gendron of Rangers got that one back with an amazing effort early in the middle period. The 150-pound wing took a pass at centre ice eluded one skater and fired in a 20-foot backhand while being ridden off by Horton. That brought the crowd of 15,925 roaring to their feet.

About two minutes later Harvey and Pulford each drew roughing penalties, setting it up for each team to score one while there were only eight skaters on the ice.

LEAD SEE-SAWS

George Armstrong scored his third of the series on his own rebound for Toronto's second lead, 2-1, but Wilson flipped one off Bower's skate to tie it at 2-2 seconds later.

Then, with only 10 seconds remaining in the middle period, Wilson gave Rangers' their first lead. He swiped the puck from Al Arbour in front of Leafs' net and fired a 10-footer by the surprised Bower while Arbour, off his feet, still helplessly into the cage.

Kelly's power-play goal at 4:47 of the third tied it, but New York took the lead again on Hebenton's shot 15 seconds later also on a power play.

Balon, a former whipped Wilson's rebound into an open net for what proved to be the winner. Pulford's goal putting Leafs to within striking distance came on his own rebound while Worsley was off his feet.

SAYS DOUG HARVEY

Guys Came Up With Big Game

By BOB EXELL

NEW YORK (CP) — "A few of our guys came up with the big game," player-coach Doug Harvey of Rangers said after New York beat Toronto Maple Leafs 5-4 Sunday night.

He named two—goalie Lorne (Gump) Worsley and forward Johnny Wilson, who fired two of Rangers' goals.

Coach Punch Imlach of Leafs was unhappy with Johnny Bower's performance in the nets.

"I'd have to say our guy had an off day," Imlach told reporters in the hall outside Leafs' dressing room.

Punch kept the press out for a few minutes while he told his players what he thought of the game.

Apparently he wasn't too harsh on them. "I thought we outplayed the Rangers," Imlach said. "But if you don't score, that's what happens."

NEXT GAME CRITICAL

Both coaches figured the fourth game in the series here Tuesday night may forecast the final outcome of the best-of-seven semi-final series. Toronto leads 2-1.

"If we can take the next one I think we can take the series,"
