Cold Settled in the Kidneys

Lumbago, Backache and Rheumatism Was the Result—Now Entirely Over Cure Obtained

Chatterton, Ont., May 30.—The kidneys are extremely sensitive to sudden changes of temperature, and much pain and suffering is a frequent result, as all who have had attacks of lumbago and rheumatism know.

The writer of this letter was a great sufferer until she found that by using Dr. Chase's Kidney-Liver Pills she could regulate the action of the kidneys, and thereby remove the cause of lumbago and rheumatism.

Mrs. John Lancaster, farmer's wife, Chatterton, Ont., writes: "We would not want to do without Dr. Chase's Kidney-Liver Pills in the house, for we have proven their merits in so many cases. I have weak kidneys, and whenever I catch cold it settles in the back and develops into lumbago. I used to suffer terribly from lumbago and rheumatism, but find that by using Dr. Chase's Kidney-Liver Pills and applying Dr. Chase's Backache Plaster that I obtain the greatest relief, and am soon all right again. My daughter has also used the pills with splendid results, as has also a neighbor woman who suffered greatly from constipation."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 50c a box, at all dealers, or Edmondson, Bates & Co. Limited, Toronto. Be sure to see the portrait and signature of A. W. Chase, M. D. on the box you buy.

PRISONERS OF WAR ACKNOWLEDGE PARCELS. Canon Simpson has received the following letter from a prisoner of war:—
To the officers of the Prisoners of War Fund:
Parclim Meek L., March 11, 1918
Dear Friends:—
A word or two of thanks for your kindness. Received your Xmas card stating you are responsible for my adoption in the province and was anxious to take a stranger in your care, who you have never seen. I receive my parcels through the Red Cross from the graduate nurses of P.E.I. Hospital, which I will ask you to thank with many thanks. For myself, I am coming along very good though I have a lot of trouble with my legs. Was wounded on Oct. 8th, 1916 and was a prisoner on the 10th. Had seventeen long weeks in the Hospital. Five of the Canadians died of their wounds three had to lose a leg and one an arm, while there treated very kind. I have had several kind letters from Rector McKim of St. Luke's Church, St. John, N. B., which is my home. We have had a mild winter here, to day is like our May days and May is one of the best months here. Yesterday I received a fine muffler and gloves from whom I do not know, so you can see we are at a loss to thank kind friends. Well, dear friends, I have gone the limit, will have to close with many thanks and best of wishes.
Yours sincerely,
F. P. LAWSON, No. 470476

THE SEASON'S BIGGEST HIT

"MY IRISH CINDERELLA"

THE STORY OF A LITTLE IRISH GIRL AND HER ADVENTURES IN THIS COUNTRY AND ABROAD

MRS. LARNED

The friends in this City of Mrs. Larned will greatly regret to learn that she passed away at her residence in Bronxville, New York. She was one of those ladies who had learned to love Prince Edward Island. Lightly cultured and widely traveled, she charmed those with whom she was brought into contact in her summer residence at Keppoch. Mrs. Larned has been well described as a woman of the old school, courteous, gracious, a fluent conversationalist, with a fine mind, richly stored with the best of literature. She spent eight years of her girlhood in Italy, while her father was consul general, stationed at Genoa. During this period Mrs. Larned studied painting and developed great talent, which, however, she never put to professional use. She was of the best colonial blood, being a lineal descendant of Jonathan Edwards, D.D., president of Princeton university, Rev. Eleazar Wheelock, founder of Dartmouth college, Rev. Thomas Hooker, founder of Hartford, Conn. Rev. John Elliot, the great Indian apostle, Governor William Brenton, of the Rhode Island colony, Governor Thomas Dudley, of the Massachusetts colony, and Governor William Leete, of the Connecticut colony.

"Did Jones ever lose control of his auto?" "From the start; the cook uses it all the time."
