POETRY.

THE HOME BESIDE THE RIVER.

An old man sat 'neath the trelised vine
That shaded his cottage door,
Blending the hues of that summer time
With summers gone before,
Ere time with furrows had seamed his brow,
And silvered his raven hair;
Or the blossoms that strewed life's way
Had fallen the blight of care.
When, with heart of oak and steady hand,
And step that faltered never,
He led a merry household band
In that home beside the river.

He smiled as he gazed o'er acres broad,
Of meadow land and lea,
And thought of the time when his axe rang loud
A chime on the forest tree.
"And 'twas pleasant," he murmured, in accents low,
To the vision beside his chair,
As he saw through the hazy long ago
The faces of those that were;
When, with heart aglow, in manhood's pride,
With a love that faltered never,
He welcomed a youthful blushing bride
To his home beside the river.

The wild bee hums a dreary song
In the clambering eglantine,
But still the old man dreameth on
Of the merry olden time.
He hears the winds as they sweep along
To scatter the mists away;
But thinketh only the gladsome song
Of his children at their play,
As when with hearts of love aglow,
In life's elysian ever,
Bright faces smiled, long, long ago,
In that home beside the river.

Away from the river the mists have rolled,
And changed in that blissful dream;
Fair forms flit by on the sunbeam's gold
To the banks of a silent stream.
There are fairy forms of a girlish grace,
And manhood's lofty brow,
And a beam of hope on each tear-wet face
As speeds from shore each prow;
Faint farewell words float o'er the waves,
He hears their echo ever,
And smiling whispers of pleasant days
In that home beside the river.

There are sorrowing tears in his aged eyes,
As he numbers the vacant chairs,
And turns his gaze to the azure skies,
And breathes his evening prayers.
But around him gathers a joyous throng,
As he wearily murmurs on
Of days that may never again return,
And weeps for the loved ones gone—
Gone, gone, long years ago,
And now he sigheth ever
To join the waiting ones he knew
In that home beside the river.

The twilight glows in the western sky,
And now by the cottage door
He is dreaming of love's bright yesterday,
And summers gone no more.
The night winds revel amid his hair,
But he hears not their lulling song,
For angels are waiting beside his chair
To pilot his spirit home,
And home to that glorious far off land,
With a faith that faltered never,
He has followed his earthly household band
To a home beyond the river.

MISCELLANEOUS.

TRUTH.

The following beautiful illustration of the simplicity and the power of truth is from the pen of S. H. Hammond, formerly editor of the 'Albany State Register.' He was an eye-witness of the scene in one of the high courts:

A little girl, nine years of age, was offered as a witness against a prisoner who was on trial for a felony committed in her father's house.

"Now, Emily," said the counsel for the prisoner, upon her being offered as a witness, "I desire to know if you understand the nature of an oath?"

"I don't know what you mean," was the simple answer.

"There, your honor," said the counsel, addressing the court, "is anything further necessary to demonstrate the validity of my objection? This witness should be rejected. She does not comprehend the nature of an oath."

"Let me see," said the judge. "Come here, my daughter."

Assured by the kind manner and tones of the judge, the child stepped up to him, and looking confidingly up in his face with a calm, clear eye, and in a manner so artless and frank that it went straight to the heart:

"Did you ever take an oath?" inquired the judge.

The little child stepped back with a look of horror, and the red blood mantled in a blush all over her face and neck as she answered—"No, sir."

She thought he intended to inquire if she had ever blasphemed.

"I do not mean that," said the judge, who saw her mistake; "I mean, were you ever a witness before?"

"No, sir; I was never in court before," was the answer.

He handed her the bible open.

"Do you know that book, my daughter?"

She looked at it and answered, "Yes, sir; it is the bible."

"Do you ever read it?" he asked.

"Yes, sir, every evening."

"Can you tell me what the bible is?" inquired the judge.

"It is the word of the great God," she answered.

"Well, place your hand upon this bible, and listen to what I say," and he repeated slowly the oath usually administered to witnesses.

"Now," said the judge, "you have sworn as a witness, will you tell me what will befall you if you do not tell the truth?"

"I shall be shut up in the State Prison," answered the child.

"Anything else?" asked the judge.

"I shall never go to heaven," she replied.

"How do you know this?" asked the judge again.

The child took the bible, and turning rapidly to the chapter containing the commandments, pointed to the injunction, "Thou shalt not bear false witness against thy neighbor." "I learned that before I could read."

"Has any one talked to you about your being a witness in court against this man?" inquired the judge.

"Yes, sir," she replied. "my mother heard they wanted me to be a witness, and last night she called me to her room and asked me to tell her the Ten Commandments, and then we kneeled down together, and she prayed that I might understand how wicked it was to bear false witness against my neighbor, and that God would help me, a little child, to tell the truth as it was before Him. And when I came up here with mother, she kissed me and told me to remember the Ninth Commandment, and that God would hear every word that I said."

"Do you believe this?" asked the judge, while a tear glistened in his eye and his lip quivered with emotion.

"Yes, sir," said the child, with a voice and manner that showed her conviction of its truth was perfect.

"God bless you, my child," said the judge, "you have a good mother."

"This witness is competent," he continued—"Were I on trial for my life and innocent of the charges against me, I would pray to God for such witnesses as this. Let her be examined."

She told her story with the simplicity of a child, as she was, but there was a directness about it which carried conviction of its truth to the heart. She was rigidly cross-examined. The counsel plied her with infinite and ingenious questioning, but she varied from her first statement nothing. The truth as spoken by that little child was sublime. Falsehood and perjury had preceded her testimony. The prisoner had intrenched himself in lies, till he deemed himself impregnable. Witnesses had falsified facts in his favor, and villainy had manufactured for him a sham defence. But before her testimony falsehood was scattered like chaff. The little child for whom a mother had prayed for strength to be given her to speak the truth as it was before God, broke the cunning device of matured villainy to pieces like the potter's vessel. The strength that her mother prayed for was given her, and the sublime and terrible simplicity—terrible I mean to the prisoner and his associates—with which she spoke, was like a revelation from God himself.

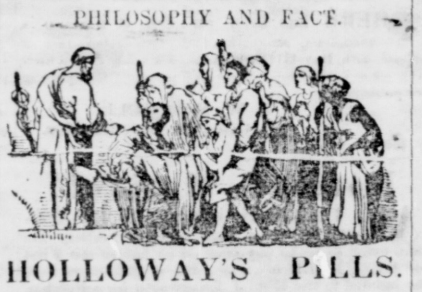
HEALTH AND CHEERFULNESS!
PHILOSOPHY AND FACT.



HOLLOWAY'S PILLS.

The Exciting Cause of Sickness.

The blood is the life sustaining agent. It furnishes the components of flesh, bone, muscle, nerve, and integument. The stomach is its manufactory, the arteries and veins its distributors, and the intestines the channels through which the waste matter rejected in its production, is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating both the secretions and the excretions.

The National Complaint.

Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable and dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary prescriptions, it yields readily and rapidly to his searching and unerring remedy.

Sick Headache, with Loss of Appetite.

A certain cure for headache, loss of appetite and low spirits. These Pills may be taken without danger from wet or cold, and require no restraint from business or pleasure. They strengthen the stomach, and promote a healthy action of the liver, purifying the blood, cleansing the skin, bracing the nerves, and invigorating the system.

A Word to Females.

The local debility and irregularities which are the especial annoyance of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being and prevented for the time to come, by a course of this mild but thorough alterative.

Dropsical Swellings and Turn of Life.

This is the most distressing period in woman's history, it destroys thousands, the whole of the gross humours collect together, and like a tide sweep away health and life itself, if not timely and powerfully checked. The most certain remedy for all these dangerous symptoms is Holloway's Pills. Armed with this great antidote, the fiery ordeal is passed through, and the sufferer is once more restored to the possession of unimpaired health. These Pills are equally efficacious in all female complaints, and obstructions at the dawn of womanhood.

Diseases of the Head and Heart.

Why are these diseases so fatal? The answer is self evident—because the first disordered action is neglected, or the means for its rectification are misapplied. Neither need be the case at the present day, when these excellent Pills can be purchased every where, at a price which places them within the reach of everybody. No misapplication can occur if the printed directions are properly attended to, as they invariably address themselves to the seat of the affliction, without deranging those organs which are already acting healthily.

Holloway's Pills are the best purifiers, and therefore the surest preventives of serious maladies; of which, if they be already established, they then become the most unremitting extirpators.

Nervous Disorders.

Any derangement of these delicate organs affects disastrously both the body and the mind. To the nervous invalid Holloway's Pills are an article of vital necessity. They impart tone and vigour to the internal organs, and consequently to the nervous system, which pervades and connects them. Hence their marvellous cures of hysteria, low spirits, spasms, fits, headache, nervous twitchings, and other kindred complaints, which are all radically removed by the use of these invaluable Pills.

Holloway's Pills are the best remedy known in the world for the following diseases:—

Ague	Female Irregularities	Scrofula, or King's Evil
Asthma	Fevers of all kinds	Sore Throats
Bilious Complaints	Fits	Stone & Gravel
Blotches on the Skin	Gout	Second'ry Symptoms
Bowel Complaints	Head ache	Tic-Douloureux
Colics	Indigestion	Tumours
Constipation of the Bowels	Inflammation	Ulcers
Consumption	Jaundice	Venereal Affections
Debility	Liver Compl'nts	Worms of all kinds
Dropsy	Lumbago	Weakness, from whatever cause
Dysentery	Piles	&c., &c.
Erysipelas	Rheumatism	
	Retention of Urine

Dr. La'mert on Self-preservation.

Price, with Engravings and Cases, 25 cents; by post, 30 cents.

SELF-PRESERVATION; a popular Essay on Nervous and Physical Debility, resulting from injurious habits contracted in youth, or excesses in maturity, which, by prematurely exhausting the functions of Manhood, destroy the happiness of Married Life, or prevent the fulfilment of engagements that constitute the most cherished objects of existence.

By Dr. La'Mert, 37 Bedford Square, London, Licentiate of the Royal College of Physicians of Edinburgh; Member of the Royal College of Surgeons, England, &c.

The above work contains most useful and interesting information on the physiological changes which occur in the Reproductive System during the periods of youth, puberty, and manhood; and on the due attainment of that degree of functional vigour upon which the hopes of posterity depend. It also points out how all the attributes of Manhood can be preserved to an advanced period of life, how they are lost, and how they can be recovered. It is free from the gross exaggerations, alarming descriptions, and dangerous remedies so generally resorted to by persons, who, practising with false medical qualifications, inflict most serious injuries, and render judicious treatment frequently abortive.

The Author is the only legally qualified practitioner whose name stands on the 'Medical Register' (the sole test of medical qualification), who has been exclusively engaged for a series of years in the treatment of the various functional disorders of the nervous and reproductive system, which, owing to the great discoveries of modern science, are rendered subservient to a rational, simple, and easy mode of treatment.

At home for consultation daily from ten till two, and from six till eight, either personally or by letter.—37 Bedford Square, London, England.

Patients residing in the colonies can be successfully treated by correspondence, and remedies can be forwarded in secresy and safety to any address.

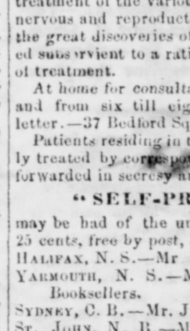
March 31, 1862.



THE peculiar taint or infection which we call SCROFULA lurks in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." The diseases it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla

is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: **King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses,** and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of *Sarsaparilla* in alterative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of *Sarsaparilla*, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S CHERRY PECTORAL,

The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.

THESE Medicines have now been before the public for a period of THIRTY YEARS, and during that time have maintained a high character in almost every part of the globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

IN MANY THOUSANDS

of certificated instances, they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great, indeed, has their efficacy invariably and infallibly proved that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and indulging them with renewed tone and vigor, that they were indebted for their name.

Unlike the host of pernicious quackeries which boast of vegetable ingredients, the LIFE MEDICINES are purely and solely vegetable; and contain neither *Mercury* nor *Antimony* nor *Arsenic* nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are altogether unknown to the ignorant pretenders to medical science; and were never before administered in so happily efficacious a combination.

The first operation is to loosen from the coats of the stomach and bowels the various impurities and crudities constantly settling round them; and to remove the hardened fæces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind as to produce habitual Costiveness with all its train of evils, or sudden Diarrhœa with its imminent dangers. This fact is well-known to all regular anatomists who examine the human bowels after death; and hence the prejudices of these well informed men against the quack medicines of the age. The second effect of the VEGETABLE LIFE MEDICINES is to cleanse the kidneys and the bladder; and, by this means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human diseases in which the VEGETABLE LIFE MEDICINES are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind; *Flatulency, Loss of Appetite, Heartburn, Headache, Restlessness, Ill-Temper, Languor,* and *Melancholy,* which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence: all violent purges leave the bowels costive within two days.

DIARRHŒA and CHOLERA, by removing the sharp acrid fluids by which these complaints are occasioned, and by promoting the lubricative secretion of the mucuous membrane.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The LIFE MEDICINES have been known to cure *Rheumatism* permanently in three weeks, and *Gout* in half that time, by removing local inflammation from the muscles and ligaments of the joints.

Dropsies of all kinds, by freeing and strengthening the kidneys and bladder: they operate most delightfully on these important organs, and hence they have ever been found a certain remedy for the worst cases of *Gravel*.

Also *Worms*, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

Asthma and *Consumption*, by relieving the air vessels of the lungs from the mucous which even slight colds will occasion, and which, if not removed, becomes hardened, and produces those dreadful diseases.

Scurvy, Ulcers and *Inveterate Sores*, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

Scorbutic Eruptions and *Bad Complexions*, by their alternative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of *Salt Rheum*, and a striking improvement in the clearness of the skin. *Common Colds* and *Influenza* will always be cured by one dose, or by two even in the worst cases.

PILES. As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deserve a distinct and emphatic recommendation. It is well-known to hundreds in this city, that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of THIRTY-FIVE YEARS, and that he tried in vain every remedy prescribed within the whole compass of the *Materia Medica*. He, however, at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

FEVER AND AGUE.

For this scourge of the western country these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED.

Bilious Fevers and Liver Complaints.

General Debility, LOSS OF APPETITE, AND DISEASES OF FEMALES—these medicines have been used with the most beneficial results in cases of this description:—KING'S EVIL and SCROFULA, in its worst forms, yields to the mild yet powerful action of these remarkable Medicines. NIGHT SWEATS, NERVOUS DEBILITY, NERVOUS COMPLAINTS of all kinds, PALPITATION OF THE HEART, PAINTER'S COLIC, are speedily cured.

MERCURIAL DISEASES.

Persons whose constitutions have become impaired by the injudicious use of MERCURY, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury infinitely sooner than the most powerful preparations of Sarsaparilla. A single trial will place them beyond the reach of competition, in the estimation of every patient.

BE CAREFUL OF COUNTERFEITS.

Several have lately been discovered, and their nefarious authors arrested, both in the city of New York and abroad.

RADWAY'S RENOVATING RESOLVENT
IS A GREAT LUNG AND STOMACH REMEDY.

Bad Cough, Hacking Dry Cough, Stitching or Wrenching, Pains in the side, Pain around the heart, Shortness of breath, hard breathing, sharp pains when taking a breath, and all other painful symptoms are quickly removed by the Renovating Resolvent.

Its use will speedily deliver the disabled and disease-stricken sufferer from

A LIVING DEATH,

And restore him to his friends in a sound, and healthy condition.

Before presenting this wonderful cleansing remedy to the North American public, Dr. RADWAY was determined to test its medicinal powers for the cure of the class of diseases for which it is prescribed in the South American Provinces, as it is a fact well known to all physiologists that

SCROFULA, LEPROSY, SYPHILIS,

and its horrible train of concomitants, prevail in the tropical regions of the South, to a much greater and more malignant degree than in the North. In fact there is scarcely a family in any of the South American Provinces that is free from Scrofula, or its kindred diseases. It runs in the blood of all its people, and has become established as a constitutional infirmity, and has baffled the skill of their best physicians. With knowledge of these facts, Dr. RADWAY was determined to test the accuracy of

RADWAY'S RENOVATING RESOLVENT,

which was prepared expressly to meet the exigencies of the diseases, as developed in the tropics. Large supplies were sent to Brazil, Buenos Ayres, Chili, Peru, Equador, Venezuela, Bolivia, New Grenada, and to several islands of the Spanish main, and was thoroughly tested by Physicians and the Priesthood, and is now the official remedy used by the Physicians, under the name of "Solutivo Renovador de Radway," (the Spanish for Radway's Renovating Resolvent,) in the treatment of Scrofula, Syphilis, Ulcers, Tumors, Prolapsus Uteri, Elephantiasis, Erysipelas, Saint Anthony's Fire, St. Vitus' Dance, Fever Sores, all diseases of the Skin, humors in the Blood, white swellings, Nodes, Cankers, sores in the mouth, deafness, discharges from the eyes, ears, and nose, glandular swellings, dropsy and constitutional diseases. Such has been the unparalleled success of this remedy in curing these horrible diseases in the tropics, that we do not hesitate to promise all the sufferers with Scrofula and eruptive diseases among our own people, with speedy restoration to sound and permanent health.

It is superior to all known remedies in popular use as a cleansing syrup for

PURIFYING THE BLOOD,

and removing from the skin Pimples, Blotches, Tetter, Rash and other offensive marks, and will in a few days give a pure, clear and roseate hue of health and beauty to the face and nails, and brilliancy to the eyes.

It is a pure and innocent preparation, all-powerful to do good, but never does injury.

IMPORTANT TO PARENTS.

There is no medicine in the known world, or physician, that has ever claimed the skill of eradicating from the system diseases inherited, by transmission, from parent to child. This great power we claim for RADWAY'S RENOVATING RESOLVENT; and we religiously declare, that if Radway's Renovating Resolvent is given when the symptoms of any inherited disease are first exhibited, it will eradicate the same from the system. In the early stages of Phthisis or Consumption, Fits, Scrofula, and in cases of sore head, Ulcers, Tumors, Hacking Cough, Bronchitis, the use of RADWAY'S RENOVATING RESOLVENT will exterminate the transmitted disease from the system, and make (what the parents neglected) a sound and healthy body.

CHRONIC DISEASE.

Another class of diseases that no other medicines or the most skilful physicians have succeeded in achieving, more than in merely palliating the sufferings of the patient, which Radway's Resolvent will positively eradicate, is that of Chronic Diseases that have infested the system for years, such as Chronic Rheumatism, Gout, Scrofula, Dyspepsia, Syphilis, and diseases induced by the injudicious use of Calomel, Mercury, Quinine; diseases of the Liver, Spleen, Gall, Bladder, Kidneys, Spine, &c., all of which diseases Radway's Renovating Resolvent will eradicate, and secure to the patient a new lease of life.

The price of Radway's Renovating Resolvent is $1.00 per bottle. Dose, a tea-spoon, twice full, half an hour after each meal. Sold by druggists and merchants everywhere.

A SPEEDY PURGATIVE.

DR. RADWAY'S PILLS

Are superior to all purgative or cathartic Pills, powders, mineral and seidlitz waters, in the treatment and cure of:

Costiveness,	Depression of Spirits,
Liver Complaint,	Indigestion,
Biliousness,	Dyspepsia,
Inflammation of the Bowels,	Sick Headache,
Nervousness,	Melancholy.

IN SIX HOURS.

A dose of from six to eight of Radway's Regulating Pills, will, in the most distressing cases of Constipation or Costiveness, Derangement of the Liver, or other glands, secure a healthy evacuation from the bowels. Persons troubled with costiveness, indigestion, liver complaint, dyspepsia, will derive immediate benefit by taking a dose of these pills. After thoroughly cleansing the bowels of its retained humors, by a free purge, two to four per day, for a week or ten days, will restore the liver, bowels, pancreas, kidneys and all other organs of the system, to the healthy performance of their duties.

DR. RADWAY'S PILLS
AS A SCIENTIFIC PURGATIVE

We have the medicinal properties of the most efficient plants, roots, herbs, gums and balsams in the vegetable kingdom. In each of these little pills lies a mysterious power, for in each pill is combined the elements of health, regeneration, strength and life.

Persons who suffer with dyspepsia, liver complaint, enlargement of the spleen, jaundice, kidney complaints, palpitation of the heart, and the evil effects induced by the excessive use of calomel, mercury, quinine, corosive sublimate, opium, tobacco, local stimulants, and exposure to paint, lead, &c., will find in Radway's Regulating Pills a permanent cure.

RADWAY'S REGULATING PILLS

Are the only vegetable substitute for calomel, mercury, quinine, and their kindred drugs, that have ever been discovered, and the only pills in use that will secure to the patient the beneficial effects in the liver and other glands of the system that physicians hope to obtain from the use of these drugs.

RADWAY'S REGULATING PILLS

Are as pure and innocent as bread, are entirely vegetable, and coated with a medicinal gum—free from taste or smell; occasion no nausea or sickness, nor will they interfere with the usual avocations of the patient.

RADWAY'S PILLS

Not only purify the blood, and extract from it all impurities, but they equalize its circulation. They regulate each and every organ to a healthy and equal action, and correct derangements of the liver, heart, stomach and bowels.

RADWAY'S REGULATING PILLS

Will quickly cure the patient of the following complaints, viz:—

Costiveness, dyspepsia, bilious fever, constipation, measles, jaundice, congestion, melancholy, apoplexy, heart diseases, hysterics, enlargement of the spleen, diseases of the kidney and bladder, amenorhœa, fainting, congestive fever, diseases of the liver, dizziness, sleeplessness, biliousness, hemricana, general debility, yellow fever, rush of blood to head, scurvy, typhus fever, dimness of sight, ship fever, obstructions, whooping cough, malignant fever, retention of urine, fits, loss of appetite, dropsy, worms, indigestion, acute erysipelas, lowness of spirits, inflammation, headache, bad dreams, palpitations, bad breath, quinsy, scarlet fever, pleurisy, inflammation of the intestines, and all organic maladies; loss of appetite, loss of memory, and loss of physical strength.

As also all COMPLAINTS OF WOMEN, such as Hysteria, Leucorrhœa or Whites, weakening discharges, chlorosis, irregularities, suppression of the menses, inflammation of the womb or bladder, difficult menstruation, and all other Diseases or Complaints, produced by excessive discharges or suppression of the Menses.

Ladies who desire to avoid the sufferings and inconveniences of these irregularities, or organic derangements, should not omit to regulate their systems by means of one or two of RADWAY'S PILLS once or twice a week, and thus be free from the many and great inconveniences to which ladies are generally subject.

MARRIED LADIES.

Every married lady, when pregnant, should regulate her system with RADWAY'S PILLS. A dose of these Pills, taken once or twice each week, during this period, will cure that distressing malady known as "Ladies' Morning sickness," and will give strength, vigor and purity to the whole system; and in all cases where there is any constitutional debility, these Pills will ensure a strong and vigorous offspring.

BILIOUS COMPLAINTS.

Letter from Dr. Salmon Skinner.

New York, January, 1860.

Dr. Radway & Co.;

I have, during the past four years, used your remedies, and have recommended them to others for Billious Complaints, indigestion, dyspepsia, &c. I consider the Ready Relief and Regulating Pills unequalled. The Regulating Pills are mild in their operations and thoroughly effective.

The first dose should be large enough to purge—say four or five, and each successive dose be diminished one pill, until reduced to one, and then repeated every day, for a week or ten days. A permanent cure will surely follow.

Yours, &c.
DR. S. SKINNER.

Radway's Regulating Pills are sold for Twenty-five cents per box, (each box contains thirty pills,) by Druggists, Merchants and Storekeepers.

A QUESTION OF THE MILLION ANSWERED.

HOW IS IT THAT

RADWAY'S READY RELIEF

Possesses such wonderful remedial powers as to cure so many diseases of apparently opposite phenomena?

We reply that Radway's Ready Relief chief and most important remedial efficacy, is evinced in the immediate arrest of pain, and its potency in the treatment of such diseases and maladies, where pain is a concomitant of the disease.

Disease, like the storm, gives unmistakeable signs of its approach. At first the threatened patient experiences a slight discomfort, this followed with pain to a greater or less extent, and other symptoms follow in rapid succession. It is in this condition of the system where Radway's Ready Relief will be found all-potent. Its administration, either internally or externally, as the seat of pain indicates, will arrest the progress of the threatened disease, and quickly relieve the patient from all pain or discomfort.

If people, on the first indication of uneasiness or pain, either slight or severe, would take a dose of Radway's Ready Relief, not one in a thousand would ever be troubled with sickness.

WHEN THREATENED WITH

Croup, Diptheria, Influenza, Sore Throat, Scarlet Fever, Typhoid Fever, Pneumonia, Bilious Fever, Small Pox, Measles, Fever and Ague, Chills and Fever, Headache, Bilious Cholic, Diarhœa, Dysentery, Cholera, Cramps and Spasms,—let Radway's Ready Relief be freely used, and, in a short time, all pain and uneasiness will cease, and the threatened disease expelled from the system.

IF SEIZED

With either of the above diseases, the use of RADWAY'S READY RELIEF will ensure a speedy cure.

"IT CURES SO MANY DISEASES,"

"And therefore I'll have none of it," says the skeptic; now we appeal to the common sense of any reasonable being who has had the least experience in medicine taking, or business relations with Physicians, if this is sound reasoning.

RADWAY'S READY RELIEF

Is not recommended by us, nor prescribed for so many varieties of disease as every physician in the practice of medicine, prescribes Calomel, Mercury, Quinine, Morphine, Opium and other favorite hobbys of the profession. It is a well known fact that in ninety cases out of one hundred, no matter what may be the name of the disease or the condition of the patient, Calomel forms the important and the most active agent of the prescription: and if the symptoms of the disease are such as to leave any doubt in the mind of the physician as to arriving at a decided conclusion what to give, he gives Calomel. This is an ancient landmark of the profession, which no innovation has ever been suffered to alter.

WEIGH FACTS.

When we tell the public that the use of Radway's Ready Relief will cure the sick of certain diseases; that it will stop pain in a few minutes after its application; that it will protect the system against attacks of all malarious, contagious and infectious diseases, we have the facts to establish the truth of our statements, acknowledged by thousands who have proved its unfailing powers on their own persons. Go where you will, speak of Radway's Ready Relief in any assemblage of persons, some one or more will bear witness of deriving benefit from its use.

IN MILITARY CAMPS.

There is no place so well calculated to test the usefulness of a specific medicine as a military camp. Radway's Ready Relief has been used in almost every camp throughout the Grand Army of the Union with the happiest success. Letters from Brigade and Regimental surgeons, officers, and privates assure us that Radway's Ready Relief has contributed more to the protection of the troops against disease, and to the use and comfort of the sick than all other medicines used or means suggested by the medical authorities.

RADWAY'S READY RELIEF

Will stop pain and restore the sufferer to ease and comfort in a few minutes after its use.

It never fails to afford relief to the patient

IN CASES OF

Rheumatism, Neuralgia, Lumbago, Tic Doloreux, Gout, Toothache, Sciatica, Face Ache, Ear Ache, Numbness, Swollen Joints, Sprains, Lameness, Strains, Pain in the Kidneys, Wounds, Pain in the Bladder,
Asthma, Difficult Breathing, Pleurisy, Pain in the Side, Small of the Back, Shoulders, Spine,
Its use will, in a few minutes, relieve you of pain, and its continued use cure you of the complaint.

CHRONIC RHEUMATISM, ASTHMA,

SLEEPLESS NIGHTS.

Let those who cannot enjoy an hour's calm sleep, make a trial of it. Wm. Sydney Myers, Esq., of the Havana (Cuba) Press, well known to the New York, New Orleans and London (England) Press, says that for twenty years he had been a sufferer from ACUTE CHRONIC RHEUMATISM, and for one week had not slept an hour at any one time. He applied Radway's Ready Relief, and felt immediately relieved, and slept soundly, and awoke in the morning free from pain. Its continued use cured him.

General Jose Villamil, Commander-in-Chief of the army of Ecuador, S. A., had been afflicted with ASTHMA for TWENTY YEARS, could not lay down in his bed without subjecting himself to violent paroxysms of coughing. The first application of the Ready Relief gave him the first calm undisturbed sleep he had enjoyed for twenty years. Thousands of other cases could be adduced, if necessary, but the best evidence to those poor disturbed sleepless sufferers, is to try it, and enjoy a night of ease and comfort.

PAIN—PAIN—PAIN

It is entitled to public confidence on the ground that in all cases when it is used where pain exists, it will afford speedy relief, and never fail to mitigate the sufferings of the patient, *be the disease what it may.* If it does not accomplish a perfect cure it will restore ease to the afflicted, nor will its use, under any circumstances, interfere with other treatment, or fasten new difficulties upon the patient.

RADWAY'S READY RELIEF

Is sold by Druggists and Merchants everywhere, for 25 cents, 50 cents and $1 00 per bottle. See that the label of each bottle bears the signature of RADWAY & Co.
