CONSTITUTION

The U.P.E.I. Student Union is presently undergoing the process of revising its constitution. It is fundamental that all students be aware of the proposed changes and understand the rationale. The committee responsible really needs help in terms of ideas, feedback, criticism, and whatever you can offer. Absolutely no experience is required for a student to sit on this committee, just drop into the Student Union and leave your name. In addition, meetings will be held on a regular basis and will be advertised in the newspaper and on the radio. Faculty, students, and any members of the university community are urged to attend meetings whenever they can. All students are directly affected by the constitution and we hope you will become involved in the revision procedures. The first meeting will be in the Student Union building on September 14, 1983 (Wednesday) at 7:00 p.m.

Sincerely,
Jack Keefe
