

Attention all UPEI Students

SOCCER GAME SAT 2pm UPEI vs UNB

When our team travelled to play the Red Shirts in New Brunswick they played in front of 1000 loud, rowdy, drunk fans. This kind of support from your home fans can make the difference between winning and losing. There was a time when the Soccer Panthers played in front of packed crowds at MacAdam fields, it was one of the big things to do on campus. Why can't this happen again. These players practice all the time and than to play in front of nobody gives them the feelin g that nobody cares about how they do. I certainly hope that isn't the case. Do the guys a big favor and show up at Saturday's game ready to cheer them on to a victory. First place for the team certainly isn't out of reach, let's help them reach that goal so they can host the playoffs. Let's show the Soccer team we care about how they do. SHOW UP SATURDAY, DON'T BE A STIFF!

THE TEAM WANTS YOUR SUPPORT!

IVCF MOVIE NIGHT

This Friday night, Oct. 6, at 7:00pm Inter-Varsity Christian Fellowship is having a movie night. The movie we will be showing is "The Chosen", which will be followed by a short discussion.

The Chosen is a movie about two Jewish boys and their relationships with each other and their fathers. One of the boys is an Orthodox Jew and the other is a Zionist. It is interesting to see how two people from fairly different backgrounds can become close friends.

So, if your not going home for Thanksgiving come on out to Lecture Theatre A at the Vet College and enjoy this great movie. Who knows, you too may make some new friends.
