IN MEMORIAM

CURRIE—In loving memory of our dear mother, Mrs. Hugh Currie who departed this life on October 17th, 1950.
Gone but not forgotten.

Inserted by Lloyd and Harry.

STEVENSON—In loving memory of our mother Mrs. G. W. Stevenson who departed this life October 17th, 1956.
I am the Resurrection and the life,
He that believeth in me though he were dead yet shall he live.

Lovingly remembered by her family.

McCARRON—In loving memory of our dear son and brother L. A.C. Charles McCarron, R.C. A.F. who lost his life on Oct. 14, 1942 in the sinking of the S. S. Caribou.
You left us beautiful memories,
Often silent tears,
But you will always be with us,
As we journey through the years

Lovingly remembered by mother and sisters.

CARVER—In loving memory of our grandfather, Hersey E. Carver who was killed in a highway accident at Orwell Station October 17th, 1956.
We little thought when you left home
You would no more return,
That you so soon in Death would sleep,
And leave us here to mourn,
Oh, grandpa dear, it was hard to part
With you we loved so well
But Jesus parted with his life,
That we in heaven might dwell.

Lovingly remembered by Elayne, Margaret Rose, Ruby, Bonnie and Sharon.

CARVER—In loving memory of our dear husband and father Hersey E. Carver who was killed in a highway accident at Orwell October 17th 1956.
It was in the beautiful month of October,
We stood by an open grave,
And saw friends lower our loved one
We would have given our lives to have saved,
But we knew that our tears could not waken,
Our dear one in his silent clay,
So we laid down our hearts beside him,
And silently walked away.

Lovingly remembered by wife and family.

TREMERE—In loving memory of Glenn who passed away October 17th, 1956
As we shed our tears of sorrow,
In this world of grief and pain;
There will be a bright tomorrow
Where we meet our loved one again.

Ever loved by mom, dad and brothers.

TREMERE—In loving memory of Glenn Tremere who passed away October 17th, 1956.
This month comes with deep regret
It brings back a day we will never forget
You fell asleep without goodbye,
Memories of you will never die.
'Tis only a grave but it still needs care,
For the brother we love is sleeping there,
His loving smile, his welcome face,
No one can fill his vacant place.

Ever remembered by brother Garfield, Florrie, Winston, and Harold.

TREMERE—In loving memory of Glenn Tremere who passed away October 17th, 1956.
On a calm October evening,
Little did we think, dear Glenn,
When the sun sank o'er the hill
You would soon be at home with Him.
In a grave yard softly sleeping
Close beside a country road
Lies the one we loved so dearly,
Gone from us to His abode.

So on this day our hearts go out,
To the dearest and best of brother;
Who never had time to think of himself,
But always thought of others.

Lovingly remembered by sister Celia, Norman and Florence.

Dredging Goes On Day & Night At Georgetown

Work on dredging along the waterfront of Georgetown Harbour is progressing rapidly and satisfactorily and may be completed within a matter of weeks. The Diamond Construction Company Ltd. of Fredericton, N.B., has the thirty some thousand dollar contract for the project.

The area being dredged extends from the Railway Wharf, eastwards to the Queen's Wharf and is carried to within a short distance of the shore line. A large number of old wharves are in this area, marked only by the rock and clay fill; the piles and timbers having disappeared years ago, by the ravages of ice, winds and tides.

SHIPYARDS

There are also the remains of a couple of shipyard sites, all that is left of the hustling shipyards, that many years ago gained for this port town, the reputation of then being one of the major ship-building centers in the Maritimes.

Dredging here is being carried on day and night, with two crews of workmen on the job, one crew stops, while the other is engaged in the digging. Accommodations for the crews are provided by trailer houses, which are located at the edge of the town.

When the job is completed the waterfront will be clear of sunken wharves and this haard to fishing boats will be have been removed.
