

A VOTE FOR LIFE

I desire the Canadian Government to precisely and publicly condemn:
 The bombing of civilians and dikes in Indochina.
 The use of ecocidal weapons in Indochina.
 The use of cruel and inhumane anti-personnel weapons in Indochina.

I desire the Canadian Government to cease for the duration of the war:
 The export of war material which is used in Indochina.

I desire the Canadian Government:
 To provide medical aid to both sides in the Indochina war.
 To contribute to the reconstruction of Indochina, such as reforestation.

You learn something new every day

One of the wonderful things about growing up is trying different things. Like Yoga. And forming your own opinion about all your new learning. Another part of growing up is finding out about sanitary protection. Maybe you're wondering if you're old enough for Tampax tampons. If you're of menstrual age, you're probably old enough. Many girls start right off with Tampax tampons.

They come in three absorbencies: Regular, Super and Junior. There's one to fit your needs. And they're easy to use. Just follow the simple directions inside every package. You'll learn something new and simplify your life.

Our only interest is protecting you.
