Sincere sympathy is extended to Mrs. Vernon Doyle and family of Campbellton and other relatives in the sudden death of the late Vernon Doyle.

**CONTROL ROMANCE** LONDON (Reuters) - Britain's security service Monday removed one more shred of romance from the life of a civil servant by ordering its network of diplomatic and defence communications workers to give advance notice of any plans to visit foreign cities. The new rules arose from the possibility of security risks arising from marriages between British civil servants and foreigners with relatives in Communist countries.

**VANISHING STORKS** The skinny-legged wood tick, only stork native to the U.S., once numbered 100,000 in Florida alone; now number between 8,000 and 10,000.
