DEATH OF REV. R. J. MACDONALD.

It is with very great regret that THE EXAMINER to-day chronicles the death of Rev. R. J. Macdonald, esq. It occurred at the Episcopal residence in this city shortly before noon yesterday. In the presence of his mother and His Lordship Bishop Macdonald and Rev. P. P. Arsenault he passed peacefully to his eternal rest. By his death the church loses one of its most promising candidates for the priesthood, and his parents a son of whom they might well feel proud. The deceased was son of Mr. Angus Macdonald, of Bodeque, and was only twenty-three years of age when his earthly career came to an end. After having pursued a course of studies at St. Dunstan's College he left for Quebec in 1889 to study for the Priesthood at the Seminary. In 1891 he went from Quebec to Rome to continue his studies, and there he took the degree of Doctor of Philosophy and received minor orders. Whilst at Rome hard study undermined his constitution and he was obliged to go to Germany for medical treatment. After being there for some months he returned to Rome and resumed his studies. But his old trouble returned and he was reluctantly obliged to give up his studies and return home, arriving here last spring. His health has been poor ever since he came home, and on Thursday last he was stricken with congestion of the lungs from which he never recovered.

This morning his mortal part was removed to Summerside for interment. Before leaving a funeral High Mass was celebrated at the Palace by Rev. Ignatius Macdonald, the choir of St. Dunstan's College furnishing the music. His Lordship Bishop Macdonald will Pontificate at the service in St. Paul's church to-morrow morning. His Lordship and Fathers Reid, Ignatius Macdonald, and Macdonald accompanied the remains to Summerside.

DAIRY MEETING AT MT. HERBERT.

An adjourned meeting of the shareholders of the company to be known as the "Hillsborough Cheese and Butter Company, Limited," was held in the hall on Thursday, Jan. 24th, Mr. Ewen McEachern in the chair.

Mr. Joseph Power read the report of the committee appointed to meet with a similar committee, which was to be supported by the Hazel Brook party, which was in substance as follows: Your committee beg leave to report that in pursuance of their duty they proceeded to Hazel Brook on the 19th inst., to attend a meeting that was called by the Hazel Brook party to consider the proposition that we had made to them. The meeting having positively declined to consider the proposition, the committee were powerless to effect the object for which they were appointed, and to such an extent did the spirit of antagonism prevail that a solid vote was taken by the meeting with but one dissenting voice, that at Hazel Brook they would erect their factory, and at Hazel Brook only. Your committee, therefore, cannot close without advising, a union seems now beyond hope, and immediate action be taken in the erection of a Cheese and Butter Factory at Pippes' Corner.

Mr. Power also read a statement showing the number of pounds of cheese manufactured by the Cornwall Cheese Factory this season; also the number of cows necessary to contribute said quantity in the time the factory was in operation at two gallons per cow per day, said factory expected to pay a dividend of over 20 per cent.

At the request of William Welsh, Esq., the stock lists were read. The number of shares subscribed amounted to 400; the number of shares to 255, at \$10 per share. A letter was then presented by Wm. Welsh, M. P., from Dr. Robertson, Montserrat, advising, if possible, the union of the two parties.

After some discussion, the meeting concluded that it would be a waste of time to further discuss the matter with them, as they seemed determined to hold fast to Hazelbrook.

The following resolution was then presented to the meeting by Mr. David McDonald: Whereas, that as the offer of a compromise made at our last meeting has been unanimously rejected; and

Whereas, said party persists in canvassing territory occupied by Vernon River for at least two seasons, and within three and a half miles of their factory, with only apparent purpose of outwitting any just proposition we might make to them; and

Whereas, This meeting believes it to be wrong to infringe on said territory, contrary to the expressed wish of their directors;

Therefore Resolved, That we have no further discussion of the matter with them, but proceed at once to the erection of a factory on the only site where milk can be profitably taken from all parties wishing to contribute, viz, Pippes' Corner.

On motion Mr. Daniel Stewart, Kenloch, and Mr. James Farquharson, Banbury, were appointed directors in the place of Mr. George Stewart and James Monaghan, resigned.

On motion of Mr. Daniel Stewart it was decided that 25 per cent of the subscribed stock be collected within ten days, each director being appointed to collect in his own district.

On motion, Mr. Albert Mutch was appointed Treasurer.

Quite a number of the shareholders, having come prepared, paid in the required sum.

The meeting then dismissed, and the directors proceeded to Pippes' Corner where a suitable site was obtained from Mr. Benj. Stewart at a reasonable price.
