\$500 REWARD

is offered by the manufacturer of Dr. Sago's Catarrh Remedy, for a case of Catarrh of the Urinary System, which they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing, the breath is offensive, and the taste is impaired; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in grave disease. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mild, soothing, and healing properties, Dr. Sago's Catarrh Remedy cures the worst cases of Catarrh, "cold in the head," Coryza, and Catarrhal Headache. Sold by druggists everywhere; 50 cents.

"Untold Agony" from Catarrh. Prof. W. HAYDEN, the famous mesmerist, of Hiloa, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse, I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sago's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting." THOMAS J. HUSHING, Esq., 222 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sago's Catarrh Remedy, and in a few days I began to be able to breathe through my nose. I have since used it, and it has cured me. I have since used it, and it has cured me. I have since used it, and it has cured me."

Three Bottles Cured Catarrh. BIL ROBBINS, Hingham, P. O., Colburn Co. Pa., writes: "My daughter had catarrh of the bladder, and was very badly. I saw Dr. Sago's Catarrh Remedy advertised, and sent for a bottle for her, and soon it cured her. She is now eighteen years old and sound and hearty."
