GOLF PRO'S ATTEMPT FAILS BY 2 STROKES

In an attempt to break the Charlottetown Club's 18-hole golf course record of 89, Jock Anderson, Scotch club professional, fell two strokes short Wednesday evening, finishing with a 71 card.

The game started with a four-some, and he finished the first nine in 34. It was not until then that he began to try for the record, and before the last nine was finished it was so dark that he could not see the pins and the grass became quite damp for putting and in three cases he rimmed the cups for birdies and in order to finish the last nine he had to run to save time which was not conducive to good golf.

The spectacular part of the game was that he had seven birdies and on only five holes was he one over par.

The following is the score:
Out 1 2 3 4 5 6 7 8 9
Jock's score 3 4 4 3 4 3 4 3 4-34
Par for course 4 3 4 4 3 3 5 5-35

Jock's score 3 5 2 6 6 3 4 3 4-36

The course record is 69 made by E. O. Turner of Fredericton, N. B., during the Maritime Golf Championship here some three years ago.

C.Y.M.L. Juniors Defeat Tuxis 5-2

C.Y.M.L. Juniors continued their bang up brand of ball last night to beat the Tuxis 5-2 and clinch second place in the first section of the Junior League. But one error was committed in their snappy infield to give great support to their star hurler, B. Arsenault. Roy Arsenault on the mound for the Tuxis had 13 strikeouts in the seven innings played but was troubled for seven singles and with four errors by his mates the defeat was inevitable. Last night's contest ends the first section and the second will get under way next Monday evening. If the C.Y.M.L. continue their brilliant play of recent games they look like sure winners in this next section and strong contenders for playoff honors.

Lack Of Funds Threatens To Halt Dramatic Comeback Of Famed Girl Athlete

(By Paul Mickelson Associated Press Sports Writer)
NEW YORK, July 9—There'll be a broken heart for every shining star on Olympic way unless a full United States team is sent to Germany by the bitterest headache probably will tug within the chest of a great girl courageous whose dramatic comeback seems destined to be halted by cold money.

Back in 1928, Betty Robinson of Chicago, a spindly legged girl who ran like a frightened deer to capture the 100-metre championship was toasted as the only United States girl to win a first place. Nothing was good enough for Betty who soon became "Betty Co-ed" with a future as bright as the stars above her.

Then one day in 1931, Betty Co-ed took an airplane ride. The plane crashed, Betty Co-ed came out with crippled arms, legs and body. They told her she never would run again—that she'd be lucky to even walk.

But they didn't know Betty Co-ed. First she hung on to win her life after what seemed to be ages as a helpless cripple in bed. Fighting on, Betty hobbled on crutches for two years, unable to lift one of her legs for a long time but gradually working them back for the spring and dash that carried her to Olympic fame.

With her heart firmly set on her mark, Betty weathered a series of defeats and the head shakes of her friends. Last Saturday, she qualified for the women's Olympic team in the 100 metres and ran a winning race for Illinois Catholic Women's Club in the 400-metre relay. As her friends cheered her for her great comeback, Betty thought of Berlin.

But the thing that has caused heartaches in the world "before cast its grimacing shadow over Betty Co-ed's trail. It was the "almighty dollar." Far behind in necessary cash, Betty was advised that the team would be cut sharply. She was out, her gallant comeback over—unless there should be a sudden windfall of dollars.

Though stunned and heart broken, Betty still fights and hopes on.

But they didn't know Betty Co-ed. First she hung on to win her life after what seemed to be ages as a helpless cripple in bed. Fighting on, Betty hobbled on crutches for two years, unable to lift one of her legs for a long time but gradually working them back for the spring and dash that carried her to Olympic fame.

Terry To Retire Appointment For Season

(A.P. By Guardian's Special Wire)
ST. LOUIS, July 9—Memphis Bill Terry, New York Giants' first baseman since the McGraw era, indicated today that his playing career is at an end.

Picking up the Giants for their game with the Cardinals here today, after receiving treatment for his ailing knee at Memphis, Terry said he probably will go on the voluntary retired list to make way for another active performer on the roster.

The Giants' manager did not say whether he would ever try a playing comeback, but he was certain that he will not be in action any more this season.

It was believed he would replace himself on the active roster with a player who could assist Sam Leslie with the first base job.

He has been in organized baseball since 1914 except for a three year lapse between 1918 and 1921. He went to the Giants in 1923 from Toledo, and soon afterward succeeded George Kelly on first base.

In June, 1932, he was named manager to succeed the late John McGraw.

Maples Defeat Rovers 7-2 In Midget Game

In the second game of Holy Redeemer Parish's Midget Softball League played last evening, Maples defeated Rovers 7-2. The match produced some great plays. The midgets are fighting hard to carry off the Dr. F. C. Dougan trophy.

Batteries last evening were: Maples, C. Trainor and J. LeClair; Rovers, A. McKinnon and T. Straits.

Truro Races Postponed

TRURO, July 9.—Nearly 1500 fans of the race track were keenly disappointed at the Bible Hill speedway Wednesday when after working with the track for nearly three hours to dry it up for the big racing card, a torrential thunderstorm squashed all hopes of a race. The field was packed to capacity with cars and the biggest crowd seen for several years was in attendance.

The race was forced over and will be staged on Saturday afternoon of this week with the same field of horses and events.

Hawks Vs. Draegermen Tonight At 6.15

Hawks and Draegermen are scheduled to meet this evening at 6:15 sharp in a regular game of Holy Redeemer Parish's Softball League. This is the fourth game of the second section. The brand of ball is improving each game, and this evening's tussle should furnish the fans with real action and keen competition throughout.

Schoolboy Marksmen Compete For Shield

(By Thomas T. Champion Canadian Press Staff Writer)
BISLEY CAMP, Surrey, July 9—Undertired by heavy, all-day rain, 80 teams of public schoolboy marksmen competed today for the Ashburton Challenge shield with Brighton College the victors.

Brighton College and Denstone College both scored 477 in the aggregate. But Brighton's better showing at the 500-yard range gave them the trophy. The Ashburton calls for seven shots and a sighting shot for each man on each team at both 200 and 500-yard distances.

It was the schoolboys' day at the ranges and none of the Canadians were in competition.

Results in some of the trophies for Empire marksmen were decided, however. Riflemen F. Gurr of the rifle brigade won the Imperial Tobacco Cup with an aggregate of 96 in the Southern Railway, the Kinnaird and the B. S. A.

A team from H. M. S. Drake, whose shots have won several awards, captured the Robert Challenge Cup with 157. This is a snappish event for teams of 10.

The cadets challenge trophy, fired under the same conditions as the Ashburton, went to Marlborough School with a score of 119 while Corporal J. Drew of Stone School won the Sunday Times medal, a rapid firing competition, with 42 out of a possible 50.

Tigers Trim Yanks

Playing smart ball behind the starchy pitching of W. Monteith, the Tigers defeated the Yanks last night at the Hillsboro diamond by an 11-6 count. The Tiger victory placed them in a tie with their last night's opponents for first place in the East End House League.

Hogan, Tierney and Peters played smart ball for the winners, while the hurrying of Michael together with the work of Chivers, W. Lock and Dillon was outstanding for the losers.

Manager Of Canadian Olympic Track Team Optimistic About Ability Of Squad

(By Elmer Dulmage Canadian Press Staff Writer)
MONTREAL, July 9.—Disappointed that he couldn't have a preview of the Olympic track and field talent, Abbie Coe of Winnipeg arrived in town today and talked over the prospects while it rained outside his hotel window.

"We're going to be better than most people think," said the manager of the Canadian track squad. "I have an idea that Phil Edwards is going to be the big surprise of the Berlin games. What a man he was at Los Angeles."

Captain Coe, who will take time off to visit the new Vimy memorial on his way to Berlin, doesn't care much about the particular talent that will be placed in his charge.

"Unless those British Columbia stop watches told lies, we have the best sprinter since Percy Williams," said Abbie. "Howie MacPhee brightened the whole picture when he equalled the world record at Vancouver."

"But watch Edwards. That boy will tear up the track in the 800 metres. Maybe it will be Ben Eastman who comes in at Berlin. But I have a hunch Phil is going to put on the show in both the 800 and 1,500."

In the 1932 Los Angeles games, the British Guianan placed third in both events after leading until the home stretch. Tom Hampson of England and Alex Wilson of Montreal caught Phil in the 800 and Italy's Luigi Beccali and Jerry Corners of England beat him out in the metric mile.

"On this job," Abbie said, "I have no favorites, naturally. But it looks as though Edwards is coming back for another real shot at those titles."

"And the girl athletes should be strong. I have a feeling we are going to produce better sprinters than we think. We had Myrtle Cook and Bobby Rosenfell in 1928 and Hilda Strike in 1932 and don't be surprised if a real star crops up in these trials."

Unless it rains some more tomorrow, the two-day trials will start at 5 p. m. (ADT) at Molson Stadium with more than 200 men and 70 women athletes bidding for places on the Olympic team.

Olympic committee officials refused to predict the probable size of the team that will be selected Saturday night.

Pirates Score 16-5 Victory Over Phillies; Cards Whip Giants To Retain Lead

(A.P. By Guardian's Special Wire)
NEW YORK, July 9—Paul Waner and Bill Brubaker led a batting attack on three Philadelphia pitchers at Pittsburgh today and Pirates scored a 16-5 victory.

The elder Waner drove in six runs with a single, two doubles and a triple, while Brubaker accounted for five with a single and a pair of doubles.

Red Lucas started for Pittsburgh giving way to Ralph Birkofer in the second. The Pirate southpaw received credit for the game.

The Cardinals held onto first place in the National League by defeating New York Giants, 6-2, through timely hitting and the effective pitching of Roy Parmelee at St. Louis.

Although out hit 8-10 the Cards made their blows count, putting together three in the second, including Ducky Medwick's homer, the four runs, and adding another run in the fourth on a single hit, and their last tally in the eighth on two safe blows.

The Cubs knocked at the door of the National League lead again today, advancing to within a half game of first place by trimming the Brooklyn Dodgers in both ends of a double header.

Despite a fine pitching performance by Van Mungo in the opener, in which he fanned 11 men to bring his total strikeout victims for the year to 104, the Cubs outlasted Brooklyn to win 4-3 in 13 innings.

In the nightcap, with Earl Cavarretta hitting a homer and Frank Demaree getting four hits in four times at bat, Bill Lee came through with a 5-4 win.

Indians Defeat Yankees: Red Sox Win 7-2

(A.P. By Guardian's Special Wire)
NEW YORK, July 9.—Cleveland Indians were as hot today as the 102 degree temperature at Yankee Stadium here, and suggested an 11-4 triumph on five home runs, three of them in one inning to equal the American League record.

Two of the round trip clouts were by Hal Trosky, boosting his mark to 22 for the season, to go into a deadlock with Jimmy Foss for the major league lead.

His first four bagger came in the big second inning, when the Indians showed five runs across and took a lead they never gave up. Roy Weatherly and Joe Vosmik also smashed out homers in the same frame.

Earl Averill was the other Indian homer-hitter, getting his in the sixth, while Lou Gehrig hammered out his 21st of the year with a mate on base in the first inning, when the Yankees got to Johnny Allen for all four of their runs.

Wes and Rick Ferrell collaborated to give the Red Sox a 7-2 victory at Boston over the rival Sox from Chicago in the series opener.

It was the 12th pitching victory for Wes, who was clipped for 10 hits, and the fifth triumph in a row for his teammates.

A big ninth inning spurge at Washington gave Detroit a 10-7 victory over Washington and enabled the Tigers to remain in second place in the American League.

Holding a two run lead going into the ninth, Detroit scored five runs on two hits, three passes, two stolen bases and an error. Their scoring spree came in handy for the Senators pushed across four runs themselves in the ninth.

Unloosing a barrage of 15 hits at Philadelphia that included home runs by Pinky Higgins and Bob Johnson, Philadelphia Athletics staved off a drop into last place by beating St. Louis Browns, 7-5 in the opening contest of a three game series.

Wally Moses turned in a perfect day at bat by polling four singles and a two bagger in five times up. Dusty Rhodes, who started on the mound for the A's, was relieved in the sixth by Kelley. Each of them allowed the Browns only three hits.

ANOTHER MARK BROKEN BY PIRIE

(By Elmer Dulmage)
(Canadian Press Staff Writer)
(C.P. By Guardian's Special Wire)
MONTREAL, July 9.—Bob Pirie of Toronto climaxed the Canadian Olympic swimming trials here by setting a new 220 yard free style Canadian record for men after Bobby Hamerton of Winnipeg had lowered Pirie's former mark of two minutes, 21.2 seconds.

Pirie sat at the end of the Notre Dame de Grace tank and watched the slender Manitoban splash along to victory in the first semi-final heat in 2:19.4. So in the second heat Pirie covered the distance in 2:27.2.

In a furious final, with Bobby Hooper of Vancouver and Hamerton pushing him, Pirie was caught in 2:14.8. It was his third record of the three night Olympic tryouts. The Toronto youngster broke the 220, 440 and mile records and equalled his own 100 yard mark.

Hooper came along to finish fast in the furling final, and take second place from Hamerton. Manroche Bourne of Montreal was fourth and Ben Gazelle of Toronto fifth.

Mary McCoskey of Edmonton won the women's 220 yard free style in decisive fashion, though the triumph lacked some of its lustre because champion Phyllis Dewar of Vancouver did not enter. Miss Dewar won the 100 and 440 yard events on the first two nights.
