## MEDICAL PLAN:

Bob Gray discussed the pros and cons of Zurich vs. Blue Cross Medical Plans. At present the obvious differences are twofold:

1. rates with Blue Cross are considerably less for non-Canadian students and coverage is similar;
2. system of drug refunds:  
Zurich - the student pays and is reimbursed for the cost of prescribed drugs.  
Blue Cross - the student pays \$1.00 handling fee only, when he receives the drugs, which is non-refundable.

The matter is to be further looked into and voted on at a subsequent meeting of the Council.

## BUSES:

Moved by Norbert Moran/Bob Gray that two buses be procured for the Acadia football game at Acadia on November 11, the cost to be borne by the students @\$5.00 per person and the remainder to be subsidized by the Student Council from monies realized from a Pig & Whistle at the Barn on Thursday, November 9.  
Motion carried.

## ADVERTISING COMMITTEE:

Norbert Moran clarified the duties of the advertising committee:

1. responsible for external and internal advertising for the Student Union.
2. responsible for external advertising for Student Union sub-committees. The sub-committees are responsible for their own internal advertising.

## BUDGET:

Lenny McCardle - the budget has been tabled as further work is needed.

## CATERING SERVICE FOR THE BARN:

Moved by Len McCardle/Pat Duffy that a contract be entered into with Beaver Foods similar to the present contract with the addition that the Student Union subsidize Beaver Foods up to \$35 per week in order that the Barn remain open week nights and weekends.  
Motion carried.
