A WEEK OF BARGAINS at Reddin Bros.

MUMPS are prevalent in New Glasgow, N. S.

TRAMS are crossing the ice to and from Southport to-day.

A Few Christmas goods left; will be cleared out at cost this week.—Reddin Bros.

POLICE COURT.—This morning three drunks were disposed of for fines of \$1 or 4 days.

GREAT clearance sale of all our readymade clothing.—James Paton & Co., Scotch Clothing Store.

SELLING ON SUNDAY.—To-day three summonses were served on John Stewart, Great George Street, for selling liquor on Sunday. The summonses are returnable to-morrow.

A HOWLING SUCCESS.—Judging by the amount of drunkenness and fighting lately, the Scott Act is a howling success in St. Andrew's.—Beacon.

ROYAL Belfast Ginger Ale, Wilmot Spa Lemonade, Wilmot Spa Club Soda and Wilmot Spa Water are all filters from the central Spa springs at Wilmot, which have effected so many cures in diseases.

ACKNOWLEDGMENT.—We have to thank the Toronto Times for a very neat calendar for 1893, and a picture of the \$1,000 prize. Bernard dog "Merry" owned by W. Gardner Osgoodby, of Toronto.

It is very unwise to allow an apparently simple cold to run too long without attention, as it may lead to serious complications. We would advise anyone troubled with this at present, to purchase a bottle of the emulsion of cod liver oil, which is the best remedy for coughs and colds.

JOURNALISTIC.—The Daily Colonist, of St. John, N.B., having been wiped out of existence by the recent disastrous fire at that place, its editor, Mr. P. K. Bowers, has started a newspaper of his own which he has named the Daily Tribune. The Examiner wishes Mr. Bowers' new venture the fullest success.

ANOTHER RACE.—At the annual meeting of the Summerside Driving Park Directors, held Friday, it was decided to have another fatality race next season. The contest to be much the same as for the last event of the kind. The business of the past year was considered very satisfactory.

THE EXAMINER'S CHRISTMAS SUPPLEMENT is for sale at the Diamond Bookstore. It is a neat, handy Christmas present for friends abroad, and will show them how the island home is progressing.

CHRISTMAS.—The Christmas holiday passed off quietly. On Sunday there were the usual services in the churches, and sermons appropriate to the occasion were preached. Yesterday was observed as a holiday in the public offices and stores. In the afternoon, although the frost was very biting, there was considerable driving about the streets.

SUDDEN DEATH.—On Thursday evening Mrs. Catherine Jollimore, wife of John Jollimore, fisherman, dropped dead at Halifax. She had been preparing her husband's supper and was just in the act of cutting a piece of meat when she suddenly expired. The cause was heart disease. Mrs. Jollimore was 58 years of age.

HILLSBOROUGH RINK was opened for the season last evening. There was a splendid sheet of ice, and a good attendance of spectators. The Citizens' Band, under the leadership of Mr. Robert Galbraith, was in attendance, and excellent music was rendered. The rink, will, we feel sure, be well patronized this year. Those who have not yet secured tickets should do so at once.

THE STANLEY went to Georgetown on Sunday morning instead of coming back to Charlottetown, the captain considering it unsafe to venture here owing to the heavy ice forming. She made another trip yesterday. The mails are brought to Charlottetown by special train as soon as possible after the steamer arrives at Georgetown. The steamer left Georgetown at the usual hour this morning.

THERMOMETER READINGS. Between Sunday night and Monday morning at nine o'clock, the coldest registered was two above zero. Yesterday two below was recorded, with a high, piercing wind and during last night three below was the lowest recorded. Since sunrise this morning, however, the weather has moderated considerably, and it is thought the cold snap is over. At nine o'clock this morning eight above zero was recorded, and at one o'clock this afternoon the mercury marked fifteen above.

SOCIAL.—A most enjoyable social was held last evening in the handsomely appointed rooms of Division No. 1, A. O. H. About twenty couples—members of the Ancient Order and their lady friends—participated. Justice was fully done the excellent and varied programme of dances. Refreshments were served during the evening, after which dancing was resumed. "Auld Lang Syne" brought the evening's enjoyment to a close, all present expressing themselves as delighted with the entertainment afforded.

Choice of the Umbrella.

"History tells that the first umbrella in England was carried in 1777 by a footman named John McDougal, and that it belonged to somebody else, which seems to have been its fortune ever since.

"The umbrella is, however, of very ancient origin, and was used first in Greece, both as a protection from the sun's rays and as an emblem of rank; even the Egyptian and Nubian sculptors gave representations of it in connection with royalty.

Umbrellas are so cheap to-day that everyone can afford to secure a good one.

Our stock for both ladies and men is very complete, and the prices are in keeping with the temperature—decidedly low.

Perhaps it isn't an Umbrella you want at all, but a Fur Collar, Cape or Muff. If so, we are selling good Furs of all kinds at a special cash discount.

THEY LOVE A SHINING MARK.—An Indiana clergyman has been swindled out of \$3,000 by the "green goods" trick. The sin of covetousness should serve as a text for the next sermon that clergyman preaches.

ENTITLED TO THE BEST.—All are entitled to the best that their money will buy, so every family should have at once, a bottle of the best family remedy, Syrup of Figs, to cleanse the system when constive or bilious. For sale in 75c. bottles by all leading druggists.

SANTA CLAUS.—This venerable good soul left the Diamond Bookstore on Saturday last about midnight, but transferred his stock to a representative who will deliver, at very low prices, presents of all kinds to the boys and girls. He will return next year and take up his quarters at the same place. We wish him *bon voyage*.

TO KEEP OPEN.—The hezar over the Diamond Bookstore will be continued a few weeks longer. The enormous stock at the Diamond Bookstore makes it necessary. Although a much larger trade was had in Christmas week than ever before, there is a stock of New Year's gifts at lower prices than ever. Everybody is delighted with the display, which exceeds anything on P. E. I.

I. O. O. F.—The election of officers took place at St. Lawrence Lodge last evening with the following result:—

N G—Fred H. Sellar.

V G—Alfred J. Houle.

R S—Daniel McLeod.

P S—John S. Nelson.

Treasurer—Henry S. Coffin.

Trustees—A. D. McLeod, A. J. Houle, W. C. Laird.

SOURIS ITEMS.—On Xmas day four vessels arrived at Souris—the Nutwood, the Satellite, Capt. Lannigan's, and a Newfoundland. The latter is after a load of potatoes, and the former is also likely to take in another load for the U. S. markets. Souris West harbor is still open, but ice blocks the way at the breakwater. All the merchants except one had their stores closed on Monday. This gave the clerks a chance to keep Xmas holiday.

Mr. J. Heber Haslam lectures to-night (Tuesday) in the B. I. Society's hall.

The directors are preparing to open the rink at an early date. The building is being flooded, and if present cold weather continues skaters will have an opportunity one of these nights of showing off the Dutch roll, grape vine and plainer styles on ice. The prospects for a successful season look bright, as Mr. Frank H. Hartz sold sixty season tickets on one day last week.
