

An Undeniable Truth.

You deserve to suffer, and if you lead a miserable, unsatisfactory life in this beautiful world, it is entirely your own fault and there is only one excuse for you—your unreasonable prejudices and skepticism, which has killed thousands. Personal knowledge and common sense reasoning will soon show you that Green's August Flower will cure you of Liver Complaint, or Dyspepsia, with all its miserable effects, such as sick headache, papillation of the heart, sour stomach, habitual constipation, dizziness of the head, nervous prostration, low spirits, etc. Its sales now reach every town on the Western Continent and not a Druggist but will tell you of its wonderful cures. You can buy a Sample Bottle for 10 cents. Three doses will relieve you.

A Good Account.

"To sum it up, six long years of bed-ridden sickness and suffering, costing \$200 per year, total \$1,200—all which was stopped by three bottles of Hog Bitters taken by my wife, who has done her own housework for a year since, without the loss of a day, and I want everybody to know it their benefit."
