WE understand that the Patriot libel case which is on the docket for trial at Georgetown to-day, is not for an editorial but for a letter of a correspondent charging an elector with swearing to his vote when his name was not on the printed voters list.

Now that the Crown County and Rowing clubs are an accomplished fact, we hear rumors of a Ladies' Rifle Club, which intends to have its first meeting very shortly." In preaching he promised to give them sound gospel doctrine, and he would aim to cultivate a friendly feeling with the ministers of other denominations, cordially co-operating with all in every good work.—Moncton Times.

THE Picnic of the Second Methodist Church Sunday School took place yesterday at Westville. The day was very fine. Early in the morning the steamer Southport steamed from the Ferry Wharf with the school children and their teachers, and quite a large number of friends. Again at 2.30 she started, carring a larger number than before, accompanied by Galbraith's Band. It was a pleasure to see the children enjoying themselves in a manner as only children know how. All arrived home at 7.45 o'clock, and in half an hour's time the steamer started from the wharf carrying a great number of excursionists for a sail up and down the river.

### Stereopticon Entertainment.

Mr. A. W. Struthers entertained a full house in the Lyceum last evening by an exhibition of views, including the principal events in the life of Christ, preceeded by some magnificent dissolving views such as the Rock of Ages, Ten nights in a Bar Room, Battle Scenes and Home Scenes, which were certainly very fine. The battle of Trafalgar was especially touching. The burning of the tower of London was one of the best of the evening—it seemed very natural. Next came "Ten Nights in a Bar Room." which was followed all the way through by rapt attention. "From Greenland's Icy Mountains" was presented, and as each view was seen the audience sang that old hymn. After an intermission of two minutes the second part of the entertainment was commenced. It was views of the principal events in the life of Christ. The views took the audience from the glad tidings of the angel to the shepherds, and all the way down till it reached the ascension of Christ. This part was very touching indeed and nobody could have been present without its having a good effect upon them.

It is likely that Mr. Struthers will visit our city again in September next when we are sure he will again have a full house.

Purify Your Blood

The importance of keeping the blood in a pure condition is universally known, and yet there are very few people who have perfectly pure blood. The taint of scrofula, salt rheum, or other foul humor is heredited and transmitted for generations, causing untold suffering, and we also accumulate poison and germs of disease from the air we breathe, the food we eat, or the water we drink. There is nothing more conclusively proven than the positive power of Hood's Sarsaparilla over all diseases of the blood. This medicine, when fairly tried, does expel every trace of scrofula or salt rheum, removes the taint which causes catarrh, neutralizes the acidity and cures rheumatism, drives out the germs of malaria, blood poisoning, etc. It also vitalizes and enriches the blood, thus overcoming that tired feeling, and building up the whole system. Thousands testify to the superiority of Hood's Sarsaparilla as a blood purifier. Full information and statements of cures sent free.

THE QUESTION ANSWERED

IT is often asked why it is that W. P. Colwell sells so much more crockery than any other store on P. E. Island. This is one reason, he pays the Printer for circulating the news through the country, East and West, North and South, that the best the cheapest the largest stock of crockery in the Province is at

W. P. COLWILL'S.

Another reason why we sell so much more Crockery than anyone else on the Island is because the people tell one another that the place to get Crockery or Glassware is at the Cheapest Crockery Store, and yet they come. There is some for the next. Come along and get some of those cheap Cups & Saucers at
