eligible to the 222 class and is owned by Brainard P. Steele, Bangor, Maine, who also owns Cover Up 2:21 1/5, a five-year-old by Follow Up 2:09 3/4, also in Earle's stable. Guy Long 2:13 1/5, an eight-year-old trotter by Long Key, eligible to the 222 class and the three-year-old pacer Sandra P. by Calumet Climatic, dam, Hartford Lady by Hartford Peter, are owned by Russell Peavey of Bangor, Maine. The remaining member of Earle's stable is Mona Clegg 2:14 3/5, a four-year-old chestnut mare by Abner T. Clegg 2:04 1/4, owned by Harlan Redding, Lewiston, Maine. Mona was purchased from Eddie Cole, Mayfield, early last spring and has shown ability to pace much faster than her record.

The George Brookings stable consists of the pacer Ella B. by Abner T. Clegg 2:04 1/4, dam, Uscita Britton 2:09 1/4. With that breeding Ella should be a real flyer and a stayer too as Uscita had both these qualities, also the sire Abner T. Clegg. Midnight Vic is a four-year-old by Pagliacci 2:09 1/4, dam, Lucky Pal by Pagliacci and is therefore a very much inbred trotter and it will be interesting to see how this will turn out. Scotch Bay is a four-year-old by Abner T. Clegg 2:04 1/4, dam, Nokomis. He is a very smooth, good-mannered pacer with a lot of possibilities. The oldest member of the stable is Peter Clegg, a six-year-old by Abner T. Clegg, dam, Uscita Britton 2:09 1/4. Peter has never had much training but has shown a lot of speed when turned out. Finally there is the two-year-old trotter Christy's Lad by Pagliacci 2:09 1/4, dam Christy Budlong 2:06 1/4. If this lad turns out to be as good as his mother he will be worth thousands of dollars. When Christy was racing through the Maritimes and Maine harness racing was in the doldrums and small purses were the rule. Now with the night racing plants at Roosevelt and Yonkers particularly putting up purses of \$3,000 to \$9,000 for trots, one with Christy's speed, manners and will-to-win would gather in a small fortune within a year.

And now we come to a very popular friend, Andrew Perry, who like Steve Brodie, "took a chance" last fall and bought Dick Eria 2:04 3/5, considered by many a hopeless cripple. Every care and attention was put on gallant little Dick and probably the one most responsible for his return to soundness is Tyndall Semple, who located the trouble in his foot, cured it and now Dick is stepping around the track as frisky as a colt. If he races sound don't overlook him. Clint Hodgins, who has driven many of the best in the world, swears by Dick and said when he came to the Maritimes, "Bet on him. With half a chance he's a sure winner." Andrew also owns the three-year-old Winnifred G. by Kalmuck, dam, Miss Melburn by Melburn's Magic, and Yuta by Kalmuck, dam, Uscita Britton 2:09 1/4. The noted trainer, Tyndall Semple, is training his own mare Gertie S. and C. Squire, a four-year-old by Squire Hanover, owned by George Semple.

Harvey Cormier was one of those who attended the speed sale at Saratoga Springs last week. He writes from there—"Just a card to let you know am having a good visit here. I bought five horses for different parties in Rimouski. I worked a horse called Directorin a mile in 2:15, last half in 1:05 just sitting still. Regards." Thanks Harvey, and we hope your owners will all be pleased with your new purchases.

Our friend A. D. Napke, Newcastle, N.B. has very kindly sent the following list of the entries for the \$1,000 Miramichi Stake that will be raced Wednesday, July 1st, at Chatham, N.B. This popular Stake with its excellent purse has attracted some of the best slow class horses in the Maritimes year after year and there is always a good one shows up. The following owners have made first payments: Dr. Altken & H.O. Downey, Fredericton, N.B.; James L. Brown, Hunter River, P.E.I.; Edward Dalton, Newcastle, N.B.; Miss Shirley Fowle, Chatham; W. J. Thompson, Juniper, N.B.; Aldege C. LeBlanc, Cormier Cove, N.B.; Glen Jenkins, Chatham; Joseph Morin, Rimouski, Que.; William McCombs, Newcastle, N.B.; David Pellerin, Shediac, N.B.; Dr. R. F. Seaman, Charlottetown; Ellis Thompson, Chatham Head; James Watt, Gaspé, Que.

A Summerside horseman has been the lucky winner or rather buyer of the much wanted Jo-Jo Spencer 2:10, Parties in Cape Breton and other parts of Nova Scotia and New Brunswick have been dicker for him for weeks. Jo-Jo is a horse with manners and terrific lick that can be turned on to get him away in front or kept in reserve for the final dash to the wire. He is only seven years old and last season made 47 starts and was 17 times first, nine times second and 10 times third—a really remarkable showing. He is still eligible to the 217 pace.

Carl MacKenzie, Race Secretary, Truro Raceway, Ltd., and a faithful friend of this column, has very kindly sent us a complete list of the horses in the various stables here. It is certainly a formidable aggregation of speed and our congratulations are extended to Carl in having so many worthwhile horses available for racing this season....

horses to appear on a rack track in a long time is Orange Hal, a chestnut with flaxen tail and mane, owned by Winston MacKay, Parkdale. He is being trained by Ed Downe and was a mile in 2:25 with the last half in 1:10 on Thursday. He is by Sampson Hal 2:02 1/2 and his dam is by Prince Cresceus, a grandson of Cresceus 2:02 1/2, that was a world's champion trotter at one time and was sold for \$25,000 to the Russian Government.

A. K. "Ollie" McNeill sent us a copy of the Fort Q'Appelle Times. On the front page is an announcement of the sports for May 18th. In the afternoon there will be harness racing with horses from the various towns on the prairies taking part. The Starting Gate will be in operation and it is expected to be a very interesting afternoon. "Ollie" is president of the Harness Racing Association.

RICHMOND, England (CP) — Sarah Ascott, 101, was told after an operation to restore her sight that "barring complications" it should be effective.

People who appreciate fine cars are turning to Monarch

"It didn't take long to convince me..."

"Some of us were talking cars the other day and Doctor Harrison said he was sold on Monarch. I figured a doctor would be pretty particular about the car he drove—so much depends on it. Anyway, I took the hint and arranged with our local dealer to take me out in a Monarch. It didn't take long to convince me—and there's a Monarch in our garage now. It's a beautiful looking car, no doubt about it. It's got more genuine style than any car I've ever driven—and that goes for the interior as well. You can tell by the way people look at it that it makes a good impression. You know what a stickler I am for engine performance—well, this Monarch has a 125-Hp. V-8 that's just about the smoothest thing they ever put under a hood. Lucky thing we had that talk about cars—and I took the cue from my doctor's suggestion."

The same thing could happen to you... why not see your Monarch dealer today?
