

Salvage Tug Reaches Scene Of Collision

QUEBEC, July 28—(CP)—A salvage tug reached the crippled ocean freighter Woodford late today near the scene of a collision in the St. Lawrence River, 120 miles east of Quebec City.

The Woodford, bound for Europe with grain and mixed cargo, collided with the Great Lakes freighter, John A. France last night in a fog.

The crew of the tug Manoir prepared to tow the Woodford to Lauzon, opposite Quebec City, where it will undergo repairs.

In Ottawa, the Transport Department ordered an inquiry into the collision. Capt. Napoléon Lachance, examiner of masters and mates at Quebec, has been named to investigate the collision.

Twenty-four members of the Woodford's 46-man crew, and four passengers were transferred to the Birtchton shortly after the collision. An island across the St. Lawrence, from the mouth of the Saguenay River.

The Birtchton, a lake boat, has since been anchored near the Woodford and is standing by.

Details of the collision and of damage was unavailable, but the Woodford's hull apparently suffered heavily from the impact.

Five Dead, Heavy Damage In Storm

SALEM, Mass., July 28—(AP)—Possibly five lives, approximately \$500,000 damage, disrupted tele- phone and power lines, and losses to crops and dairies were the toll of Sunday's sudden squall along the north shore.

About 3,800 telephone lines were out and scores of dairies and homes were without refrigeration as the result of power failures.

The Coast Guard today sought the owner of a dory found floating upright in the outer harbor. The craft contained valuable equipment, and since no one reported it lost, it was feared the death toll might be higher.

Four bodies were recovered. Little hope was held for Edward Novak of Danvers, believed the fifth victim.

BIRTHS, MARRIAGES, DEATHS 50c Per Insertion

BIRTHS

CROCKETT—At the P. E. Island Hospital on Thursday, July 24th, 1952, to Mr. and Mrs. Wm. L. Crockett, York, a daughter.

APPOINTED PREMIER'S SECRETARY — Miss Norma Lee Haslam, daughter of Mr. and Mrs. A. Haslam, Springfield, has been appointed secretary to Premier J. Walter Jones. Miss Haslam attended the local school at Springfield before going to Prince of Wales College from which she graduated this year.

STOP SIGNS NEEDED — Several complaints have been voiced by nearby residents at the lack of stop signs at the corner of Prince and Richmond streets. People in the neighborhood state that motor vehicles are travelling too fast through an intersection which is heavily used. They believe that stop signs would have the effect of slowing traffic to a safer rate.

PHONE SERVICE DISRUPTED — The overhead telephone cable at the corner of Ambrose St. and Brighton Road, crashed under the impact of a tree which was being felled at 3 p.m. yesterday. The entire telephone service on Ambrose Street, Brighton Ave., and the Palmer Apartments was disrupted. An emergency crew from the Telephone Company were working far into the night in an effort to restore the service.

ON VACATION VISIT — Sister M. James Florence (Florence Blanchard), of the Maryknoll Sisters, New York, accompanied by Sister Beatrice, of the same Order, arrived in the city on Sunday. Sister M. James Florence is on two weeks' leave which she will spend at the Stanhope cottage of her father, Dr. James E. Blanchard, before leaving for Africa to assume the duties to which she has been assigned as a missionary to a native tribe.

BASEMENT FLOOR FLOODED — Yesterday morning the employees at Woolworth's were confronted on coming to work, with a flood situation more far reaching than that of several weeks ago. A flush- ing arrangement in the men's wash- room failed to function just before closing time, and as a result the basement sales floor was badly flooded. It was late afternoon before the situation was restored to normal and the basement assumed its usual tidy and busy aspect.

MAGISTRATE'S COURT — In Queen's County Magistrate's Court yesterday, before Magistrate Gilbert A. Gaudet, a resident of Charlottetown was fined \$10 and costs or 10 days for driving a motor vehicle at an excessive rate of speed in a built up area, and two residents of Mount Stewart were similarly dealt with. All three offences were committed in the Parkdale-Belvedere area. Two residents of the city were each fined \$20 and costs or 20 days for having liquor in possession in a place other than his residence, and a resident of Mount Edward Road was fined \$20 and costs for a similar offence.

TO HOLD CONFERENCE HERE — Hon. S. Hefferon, Minister of Education for Newfoundland, arrived in the city last night to attend a meeting of educational ministers and deputies of the four Atlantic Provinces. He is accompanied by Deputy Minister Dr. G. A. Frecker. This Province will be represented by Hon. J. Walter Jones, Premier and Minister of Education, and Dr. L. W. Shaw, Director of Education, who is expected to return from Europe tonight. The proposed meeting of the educational leaders will be held on Thursday and Friday of this week as the delegates discuss possibilities of having a uniform system in the seaside Provinces.

COMMITTED ON LESSER CHARGE — The preliminary hearing of Gordon Carr, Hampton, on a charge of manslaughter which was opened on July 23, and adjourned several times, was concluded yesterday in Queen's County Magistrate's Court when Magistrate Gilbert A. Gaudet ruled that there was not sufficient evidence for such a charge. He committed Carr to stand trial at the next session of the Supreme Court on the lesser charge of dangerous or reckless driving. The case arose out of the death of Ellsworth Ferguson on the morning of June 24, when he was struck by a truck driven by the accused in the vicinity of Victoria.

APPOINTED TO COMMITTEE — Mr. J. B. Murley, local manager of the National Employment Office, has been appointed a member of the Legislative Reference Committee of the International Association of Public Employment Services. As the name implies, the organization is international in scope, with a large American and Canadian membership. Mr. Murley, accompanied by Mrs. Emma Bruce and Miss Mae Murphy, of the local office staff, were delegates to the annual conference recently held at Atlantic City. The next convention will be held at Milwaukee, Wis. Miss Murphy has been secretary of the Island Chapter of the association for the past two years.

L.O.B.A. Picnic At Brighton Shore

A delightful afternoon was enjoyed by the members of the Past Mistresses' Club of Memorial Lodge when they held their annual picnic on Monday at the summer cottage of Mr. and Mrs. Samuel Campbell, Brighton Shore.

They had as their guests the members and leaders of the Juvenile Lodge. Regrets were expressed over the unavoidable absence of the club president, Mrs. Margaret Shaw, also some of the other members who are at present on holidays.

Swimming and sports were enjoyed by the juveniles and young members while those less active spent the time pleasantly in the cool shade of the beautiful trees. A delicious picnic supper of ham, salads and everything good was enjoyed by all. Before leaving a sincere vote of thanks was extended to Mrs. Campbell for her kind and gracious hospitality. As the August meeting of the club is to be dispensed with, Mrs. Gladys Downe kindly invited the members to meet at her home in September.

Water Supply Satisfactory

Mr. Frank VanDerstine, Secretary of the city Water Department commenting on the continued hot weather and the effect on the use of city water supply, stated yesterday that the situation was well in hand and that thus far there was no appreciable drain on the water resources, as compared with last year.

Generally speaking, citizens are observing the regulations forbidding the use of spray sprinklers, which was successfully publicized last summer. Mr. VanDerstine pointed out the danger of using such water on plants and foliage, it having been proven that such applications are definitely injurious. One hour in 24 is permitted, however, where an outside hose attachment has been installed.

Manlaughter Charge Is Laid

Acting on information laid by Constable Thurston of the R.C.M.P., against John Notting of Charlottetown, before Stipendiary Magistrate Gilbert A. Gaudet, a charge of manslaughter has been laid and the preliminary hearing is scheduled for Wednesday, July 30 at 9:30 a.m.

The case arose from the investigation of the death on July 5th of Robert Clark Bryenton, which a coroner's jury reported to have resulted from an automobile accident in which he suffered a fracture of the skull and damage to the underlying tissues. The accident occurred at Fairview when a car owned and driven by John Notting left the road and overturned in a field.

Far-Wandering Island Salmon

Islanders roam far and wide over the North American Continent and it could be that island spawned trout and salmon have the wanderlust too. At any rate, one year ago a six inch salmon was released by the Ellerslie Game Fish Research Station, and a few days ago was caught at Bonaventure, Quebec in the Gaspé Peninsula.

Mr. Saunders, the biologist in charge at Ellerslie, who received information from Bonaventure explained that the six-inch fish had grown and weighed about three pounds.

Salmon grow very rapidly in the open sea, Mr. Saunders said, and the increase in pounds in this particular case was quite normal.

VISITOR FROM PROVIDENCE, R. I.—Among the summer visitors in Charlottetown yesterday was Mr. James A. MacDuff of Providence, Rhode Island, formerly of Brookfield, P. E. I. Mr. MacDuff first left the Province some 60 years ago, and yesterday was recalling the many changes which have taken place since then. His grandfather, a master mason, came from Scotland to work on the construction of the Provincial Building.

POLICE COURT—In the City Police Court before Magistrate K. M. Martin yesterday morning, a man charged with the theft of a quantity of copper wire, was released on bail of \$500. His case was adjourned until today. Three city men were fined \$10 and costs or 10 days on drunk and incapable charges, and a resident of Roseberry was given a similar sentence. A sentence of \$5 and costs or five days on drunk and incapable charges was given men from North Milton, Roseberry, and Murray River, respectively, while a resident of Belle River was sentenced to 10 days in jail without option.

Personals

Miss Lauretta Hagan of Somerville, Mass., is visiting relatives at Charlottetown and Lot 65.

IN MEMORIAM

In loving memory of Harry W. Arnett who passed away, July 29th, 1951.

To live in hearts we leave behind, is not to die.

Ever remembered by Wife and Family

Editor Gets Fisherman's Dream Assignment In PEI

Staying at the Dalvey House at the National Park are Mr. and Mrs. Ollie Rodman from Boston, Mass., U. S. A.

Ollie Rodman is an associate editor of Hunting & Fishing Magazine, read by over one million sport anglers each month in the United States and Canada. His main editorial job on this publication is conducting a salt water sport fishing department each issue. His favorite salt water sport fish is the striped bass, one of the most popular salt water species in the U. S. on both the Atlantic and Pacific coasts.

Realizing the importance of this fish as an attraction to anglers, the Canadian Fisheries Research Bureau and the Department of Resources and Development through the National Park Branch have commissioned Mr. Rodman to have a look-see in the National Park area of Prince Edward Island.

Equipped with surf casting, trolling and fly fishing equipment used to catch stripers in the U. S., Ollie

Purchase By City Of Vacuum Sweeper To Be Considered

At a meeting of the Street Committee of the City Council held yesterday afternoon, it was decided to request Mayor Stewart to call a special meeting of the Council to consider a resolution to purchase a vacuum sweeper for the city streets. The whole matter of adaptability, economy of operation and cost price was gone into, before the decision was reached to approach the Council in the matter.

Another car of oil has been ordered for immediate delivery, and this quantity is expected to be adequate to treat the remaining gravel streets, in an endeavour to eliminate the dust nuisance. The application already made, while proving to be a temporary nuisance, is regarded as the best means yet attempted to overcome a constant objectionable feature.

Paving from the corner of Fitzroy St. northward and coming in Longworth Ave. and down Weymouth, up Water to Prince, and up Prince to Euston is the immediate programme, according to the report given by Coun. Frank Storey. Brighton Road base should be completed by this evening, except for some necessary further excavation around Government pond.

Senator Brien McMahon Of Connecticut Dies

By ROGER D. GREENE

WASHINGTON, July 28—(AP)—Senator Brien McMahon of Connecticut, 48, an ardent crusader for peace and one of the United States' top authorities on atomic weapons, died of cancer today.

As chairman of the joint Senate-House of Representatives Atomic Energy Committee, McMahon helped speed the U. S. post-war preparedness for a possible atomic third world war and at the same time raised his voice eloquently in a call for universal disarmament.

When Russia turned a deaf ear to his pleas for friendship, McMahon urged speed in developing a hydrogen super-bomb. He warned that if Russia won the race to create the so-called "hell bomb," such a weapon in Soviet hands might "incinerate 50,000,000 Americans in the space of minutes."

McMahon had been his state's "favorite son" candidate for the Democratic presidential nomination and received 16 votes at the national convention in Chicago last week. Illness had prevented him from campaigning.

McMahon died in hospital surrounded by his family. The end came after an illness that developed following a spinal operation in June.

His physician said McMahon was afflicted with cancer of the lung which spread to his back and pelvis.

INDIAN RIVER C. W. L.

The June meeting was held in the vestry at Kensington and the president, Mrs. Elizabeth Brennan opened the meeting with prayer and the minutes were read and approved. Ten members answered the roll call and there was also one visitor.

The treasurer's report showed a small balance on hand, and ways of raising funds were discussed and it was decided to ask the pastor's advice on same.

Correspondence was read and many "thank you" notes received, after which the meeting closed with prayer.

The July meeting was held in Indian River and the president opened the meeting with prayer. Minutes were read and approved and it was deemed advisable to hold an ice cream social in the near future.

Expression of sympathy and a Mass were offered for the repose of the soul of a deceased member. Prizes for Christian Doctrine were considered and on approved motion all bills were to be paid.

Several sick treats were sent and acknowledged, and Mrs. Penelope spoke of some religious films to be shown after service in Holy Family Church. The meeting then closed with prayer.

RUBBER PRODUCTION

In 1951 Canada produced an average of 5,191 tons of synthetic rubber and 423 tons of reclaimed rubber a month.

Death of Veteran P.E.I.-Born Doctor In Winona, Minn.

A prominent Islander died at Dr. George J. Tweedy, abed at his home in Winona, Minnesota, on Sunday, July 20, at the age of ninety. A native of Vernon River, he had gone to the Mid West city in 1893 to practice medicine following a post-graduate study course in Europe.

Dr. Tweedy was a son of the late Thomas Tweedy and Sarah Furness Tweedy and received his early education at Prince of Wales College before going to the University of Toronto for his medical degree. During his nearly 60 years in the Minnesota centre he twice served as the county coroner as well as being a member of the Winona General Hospital Board and the Winona Free Library Board for many years.

He was a fellow of the American College of Surgeons and belonged to the Winona County, the Minnesota and the American Medical Associations. During the First World War he served as a captain with the Medical Corps of the United States Army.

Dr. Tweedy belonged to several organizations which included the Masonic Order, Improved Order of Red Men, the I.O.O.F., American Legion, Arlington Club and the Winona Country Club. He is survived by two sons, Robert and John, both doctors in Winona. Surviving relatives here include three nephews, Mr. Justice George J. Tweedy, Charlottetown, Mr. Thomas Weldon Tweedy and Mr. David Irving Tweedy, both of Vernon River.

The late Dr. Tweedy was a contemporary student of this Province's famous "elder statesman" of the medical profession, Dr. R. J. (Roddy) MacDonald, St. Peter's. The funeral services were held last week from a Winona funeral home with interment in Woodlawn Cemetery.

To Begin Work On Erection Of Dried Milk Plant

Within a few days the old residence just west of the Central Creameries on Fitzroy Street, will be torn down. The property, owned by the company, has now been vacated by its tenants. After its demolition the excavators will begin operations, preparing the way for the inauguration of the new plant.

Announcement of the erection of the new plant, which will produce dried milk products in many forms, was made some time ago. It is hoped to have the plant in production early in the new year.

Its construction will give considerable employment for several months, and after its completion it will provide steady employment for a number of people.

It is understood that M. F. Schurman Company will be the contractors, and that the building will be of the most modern type.

Islander Elevated To Priesthood In Ontario

On June 29th, a very solemn and impressive ceremony took place at St. Alphonsus Seminary, Woodstock, Ontario, when Louis Clark, son of Louis McAulay and the late Mrs. McAulay of Charlottetown was elevated to the rank of the Holy priesthood, by His Excellency, the Most Rev. Bishop Cody of London, Ontario.

The following day Father McAulay left for Charlottetown with his family who had motored to Woodstock to share his great joy on this occasion.

Father McAulay celebrated his first Solemn High Mass in St. Dunstan's Basilica on July 6th at 11 a.m. Assisting him were Rev. Alex McLellan, C.S.S.R., Rector of the Church of the Most Holy Redeemer as Archpriest, Rev. James Kelly as Deacon and Rev. Francis Bulger as Subdeacon. The sermon was preached by Rev. Patrick McMahon, Rector of St. Dunstan's Basilica. A reception was held the same afternoon at Father McAulay's home, where he greeted many of his old friends and relatives.

The following Sunday Father McAulay celebrated Solemn High Mass at the Church of the Most Holy Redeemer in Charlottetown. The sermon at this Mass was preached by Rev. Alex McLellan, C.S.S.R. Following this the family and immediate friends of Father McAulay were guests of the priests of the Congregation of the Most Holy Redeemer, at a luncheon, held in his honour at the Charlottetown Hotel.

Rev. Father McAulay, C.S.S.R., is a graduate of Queen Square School and St. Dunstan's University in Charlottetown. His many friends are wishing him many fruitful years in the service of God.

Electric Rates In Some Areas Of N. S. Increased

HALIFAX, July 28—(CP)—A 4.4 per cent overall increase, effective July 15, in rates for electricity supplied by Eastern Light and Power Company Ltd., Sydney and Dominion Utilities Company Ltd., New Waterford, was approved here today in Public Utilities Board decisions.

Areas affected by the Eastern Light and Power increase include Sydney, North Sydney, Sydney Mines, several districts in Cape Breton County and two districts in Victoria County.

The Dominion Utilities increase will affect consumers in New Waterford, Scotchtown, district 20 and parts of districts 11 and 12 in Cape Breton County.

The boards will mean an increase of from one-half to one and one-half cents daily for domestic users.

The Eastern Light and Power increases include a five-cent boost in the service charge for domestic users and a two-cent service hike is contained in the Dominion Utilities increase, bringing the charge for both firms to 35 cents monthly.

The last increases granted the companies were approved in April 1949.

Russia, Red China

Continued from page 1

against the U. S. S. R. by this action and said that if matters were to continue in this way and the floor was not to be given to the Soviet delegates, he would take the most serious view.

The Russians had come a great distance to consider problems brought about by war and if they were to be expected to co-operate, the chairman should "not strike your gavel on the table to shut up the Soviet delegates."

Apparently soothed by Mr. MacAulay's reply that he had not been aware of any discrimination and assurance that he was "very happy to have the Soviet delegation here

and will give it every consideration," the Russian delegates made no further outburst except to speak later in support of Red China.

IN MEMORIAM

HARRY ARNETT

In loving memory of Dad who departed this life July 29, 1951.

Dear Dad you are not forgotten, Though on earth you are no more, Still in memory you are with us, As you always were before.

Sadly missed by Daughter Laura and family.

It's simply beautiful! . . . of course we're talking about the ROYAL ALBERT DINNERWARE in the new pattern — "Orange Blossom" carried in the China Departments of Holman's in Charlottetown and in Summerside too. The shape of the individual dishes is interesting and the coloring and pattern are graceful and life-like in floral sprays of orange blossoms . . . This English Dinnerware will add an air of elegance to your table. The 20-piece "Starter Set" (settings for four) is priced 27.95 and it's OPEN STOCK — which means that you may add to your set of "Orange Blossom" Dinnerware at any time you choose. Come today and see this as well as other fine patterns of English Dinnerware in the China Departments of Holman's Both Stores.

The "First Fall Fashions" have only just arrived in Holman's Ladies Wear, Summerside; the Little Shop, Charlottetown and Holman's Ladies Fashions, New Glasgow, Nova Scotia. There are only a few of these "Firsts" but they show the trend of what is to come . . . In Junior Sizes — these style-wise frocks are of a softly swishing taffeta that is printed and embossed in intriguing designs. The colors are rich and glowing and the subtle flattery of these Dresses for Fall will entrance you. Priced 14.95 and 16.95 — come try one of the "First Fall Fashions" in the Ladies' Wear — The Little Shop or Holman's Ladies' Fashions!

THE SMALL SPACE CLOTHES' DRYERS are a joy and a boon to the home-maker who only has a small yard. They're made of rust-proof aluminum, are folding and may be taken in when not in use. I've spoken to several people who have these Clothes' Dryers and they all say that they are just super! The ones in stock in the Hardware Department have four aluminum arms between which are strung eight lines — so you can readily see that in a very small space — a great number of pieces may be dried. Every bit of wind is caught by these dryers and they whirl around giving your wash the benefit of a drying breeze as well as the direct sunshine. Available at 13.00 and 15.00 — Small Space Clothes' Dryers are in stock in the Hardware Department of Holman's Summerside Store.

Magnificent To Keep Away From Egypt

OTTAWA, July 28—(CP)—The aircraft carrier Magnificent, Canada's largest warship, will keep out of the waters off troubled Egypt, the navy made clear today.

Speculation that the 18,000-ton ship was heading for Egypt from Istanbul, Turkey, died with the navy's announcement that she is due at Malta tomorrow, will exercise off that island for two weeks and then leave the agitated Mediterranean area.

This is in keeping with Canada's traditional peacetime policy of not getting involved in Britain's foreign affairs in a military way and in line with standing orders that warships going abroad are to keep out of foreign political troubles.

The speculation that the Maggie might be off on an assignment to Egypt as part of a British force emerged last night when it was announced that she had left Istanbul with British warships for an "undisclosed destination."

Officials said, however, that it was probably "out of courtesy" that the Canadian warship left Istanbul with the British ships with which she had been exercising.

The British ships will go on to their undisclosed destination, probably either near Egypt or close enough to act fast if the political situation in Cairo prompts troubles for the British in the Suez. The Maggie will go on her own way.

Refrigerator Specials

Two only slightly used small size Electric Refrigerators at special prices.

Also new Firestone Electric Refrigerators, priced from \$269.50 up. Limited supply.
